Thanks to the good Dr. I feel once more name and hearty.

For more than 5 years I have had sore eyes and at the same time a miserable case of Dyspepsia, I felt bad all over, became thin and pale, lost all appetite and energy. But now after only a few months treatment with Dr. Salm I have gained very much in flesh, have a good color, eat heartily; my eyes are as good as any ones, and Dyspepsia is all gone. In fact I consider myself entirely cured, and thanks to the good Dr. I feel once more name and hearty.
