Tyrone, Pa.,

Tyrone, Pa., GENTLEMEN:—I had suffered with Rheumatism for many years, when, at the advanced age of seventy-seven years, your cure was recommended to me. I had tried up n myself everything known to me, (I am a doctor of fifty-one years experience) and had dispaired of ever being cured. Your remedy was taken according to directions, and after using the second package, the disease left me entirely and no rheumatic pain or ache has troubled me since.

I can recommend it without hesitancy to all afflicted with the disease, and being familiar with the ingredients contained in the compound, can recommend them as being noninjurious to the constitution, and as being the most efficient blood remedy known.

Truly Yours,

Meetings of such a character as to draw a large popular audience will be held in the main audience rooms, while meetings of chapters and of sections of different congresses for the dis-cussion of subjects of a more limited interest will be held in the smaller rooms. It will thus be possible to have two general congresses and 20 special congresses or conferences in session at the same time and to have three times as many meetings within a single day by arranging different programmes for morning, afternoon and evening sessions, All orders accompanied by the cash, sent direct to the manufacturers, will receive prompt attention by mail without extra charge but it is not anticipated that so many

Beware of the cold, the cough, the chest pain, the inflammation, eral congresses there will also be special congresses for the consideration of scientifle, technical or special subjects not suitable for such popular presentation. Such special congresses will be more the racked lung, the dreaded Consumption.
Put on duty only the strongest guard, the oldest and most faithful stand-by directly in the charge of the organization interested and represented by their respective committees of co-operation, which, acting in harmony with the auxiliary committees of arrangements, Break up your cold at once. Stop your cough. Drive out that inflammation in time. Dely that Pneumonia. Cure that Consumption will arrange the programmes and conduct the proceedings. The special con-

gresses of the religious denominations and the strictly scientific associations will be of peculiar interest.

Both the general congresses, planned acts quickest and surest of all remedies on the lungs. The oldest and best approved standard for every lung trouble. Dr. Schenek's Practical Treatise on Diseases of Lungs, Stomach and Liver, mailed free to all apfor the people, and the special congresses, planned for the advancement of great special interests, may thus be made highly successful. "Gentlemen: It is Thanksgiving day, and I have one thing to be thankful for to-day, and that is for Hood's Sarsaparilla; for by its use I have enjoyed better health the past year than at any time since I left the army at the close of the war. During the war I contracted typhoid fever, which was followed by fever and ague, leaving me with malarial and mercurial poisoning, from both of which I have suffered ever since, and which manifested itself by neuralgia, rheumatism, nervous prostration and general debility of the whole system

Much of the time I have been UNABLE TO DO ANY WORK and of what I did earn, I have paid a good part and moral exposition to be made in the to doctors who did me no good. But thanks HOOD'S SARSAPARILLA CURES
