The subject of our obituary is Emeret Shuey Kuhn, the only child of Charles and Maggie Kuhn. He was a very precious and spritely little boy, beloved by all that knew him. Just three weeks from the time he became the vic tim of disease, his Heavenly Master took him to his home in glory. He was three years, 6 months and 21 days old. The bereft parents have the sympathies of many friends and neighbors. May the grace of Christ be sufficient for them in their bereavement.

-With the third part of "Omega," the work of the French astronomer Flammarion, which appears in The Cosmopolitan for July, the reader is able to grasp something of the great purpose of the author. "Omega" is declared by those who have read the entire work to be one of the most remarkable writings of the century. While pretending to be a novel, it is a work having a deeply philosophical purpose, as is more fully developed in later chapters. It is something that no fairly intelligent person can afford not to read, and is surely destined to become a classic-

In a recent number of The Cosmopolitan a story was published, entitled "The House of the Dragons" which received wide criticism because of the importance of the life problems involved. A daughter of Bishop Potter, who was for some time connected with important mission work among the working girls of New York, has undertaken to reply, and discusses another side of the question in the July num

CURED BY DR. SALM AFTER HAVING SUFFERED FOR YEARS WITH STOMACH, BLADDER AND KIDNEY TROUBLE.

I have been suffering with very severe stomach, bladder and kidney trouble, and on account of that felt all broke up, couldn't follow my daily labors on account of great pains, weakness and headache. But now after a course of treatment with Dr. Salm, can once more attend my daily labors with pleasure, and consider myself hale and hearty again.

DEAFNESS CURED BY DR SALM AFTER A GREAT

For quite a time I have been almost totally deaf from Catarrh, particularly in my left ear which seemed dead, and the right one got worse daily. I was very despondent, and almost desperate, on account of not being able to hear what went on around me, felt always tired and lost all energy. Now I am quite a different man and feel happy once more, all this, thanks to Dr. Salm's skillful treatment. I had been to three other Doctors. Nobody can imagine how good and young I feel since I can understand common conversation once more without an effort. MICHAEL STEGER. Johnstown, Pa., April 25, '93,

This wonderful piece of work was done by Dr. Salm.

For more than four years I have had a bad case of stomach trouble, had to be very cautious about my diet, as anything would give me a pain and throbbing in that organ, and it was seldom that I could get a night's rest, as my nerves were almost completely wrecked, irequently I had sick spells which wore me out, but now after a course of treatment, I consider myself entirely cured and feel as well as ever. I want people to know that Dr. Salm did that wonderful piece of work. Greatfully, Indiana, Pa. Mes. Martha Carney.

DEAFNESS, CATARRH AND GENERAL TROUBLE URED BY DR. SALM.

In July I put myself under Dr. Salm's treatment for catarrh, ear and general trouble, at that time my strength was below par. appetite bad, and weighed only 150 lbs. to-day after six months treatment, I weigh 170 lbs. am pretty strong now, and feel like a different man altogether and I am certain Dr. Salm understands his business.

Offensive smell of catarrh of eight years standing cured by Dr. Salm.

Our little daughter Katie has had a bad case of catarrh for more than eight years, her breath was something terrible, and her general health was very much undermined, but now after a course of treatment with Dr. Salm we consider her entirely cured.

ASTHMA AND BRONCHITIS CURED, CAN ENJOY LIFE ONCE MORE, THANKS TO DR. SALM.

For more than six years, I have had a most terrible case of asthma, and it was seldom indeed when I could rest for a night, on account of coughing, closeness in chest and panting for breath with huge drops of cold perspiration breaking out all over me. I was indeed tired of life, I had tried all the best physicians in the neighborhood and nearly all patent medicines I heard of but grew worse rapidly. After I had given up all hopes of ever deriving benefit to my terrible malady. I was obliged to go to Dr. Salm and I thankfully bless the day I went to him, he has done me more good in the short time he has treated me, than all others in six years. I don't cough or wheeze, but sleep all night and can breath with ease enjoying life once more, and consider mysel' almost entirely cured. I write this so that sufferers from any chronic disease may know where to go and get cured.
