

Captured a Jackpot.

Robbers Armed With Revolvers Raid a Chicago Poker Den.

CHICAGO, Nov. 22.—Two men with revolvers held up a jackpot at 1 o'clock this morning. It took place in the rooms of the Amity Club, where 16 members were enjoying a quiet game of poker. The intruders appeared suddenly and showed their hands and took every cent of the \$400 on the table.

After making the haul the robbers got away before the astounded players had time to look around. The members left the rooms penniless.

Iron Ore on the Free List.

WASHINGTON, November 22.—There is apparently no doubt that the subcommittee of ways and means has placed iron ore on the free list, and that wool, coal and salt, in conformity with the Democratic policy of free raw material, will also be found there when the bill is made public. The committee, it is understood, have agreed to the woolen schedule.

Vice President's Son Married.

BLOOMINGTON, Ill., Nov. 21.—The marriage of Mr. Lewis Stevenson, only son and secretary of the vice president, and Miss Helen Louise Davis, both of Bloomington, was solemnized to-night at 8 o'clock, at the Second Presbyterian church, of which the groom and his family are members.

Print Millers Win a Stake.

FALL RIVER, Nov. 22.—The Chase mill strike has been settled, at least for five weeks. To-day Agent Baker conceded an advance in wages, instead of taking off the extra length of print and wide goods cuts.

Pine Grove Mentions.

Master Carl Miller, son of George Miller is suffering from an attack of catarrh fever.

Mrs. Sallie Graham of Phillipsburg is spending several weeks in and about our town, visiting the home of her youth.

Merchant O. B. Krebs has taken possession of the Ard property on the corner, where he and his little family are comfortably fortified against the cold blasts of winter.

Mr. Earnest Hess, last week returned home from the West to spend the winter with his father, Michael Hess and once more tread over the hunting grounds of his boyhood days.

Mr. G. W. Ward, one of the Smokey City's best mechanics, has been called to the city for a brief visit to Centre county friends, with whom he will sojourn until after the holidays.

A number of farms have recently changed ownership—Peter Cori purchased the Bevil Cori homestead near Pine Hall at \$30 per acre. Mr. George Behers bought the J. C. Krumrine farm near the same place at \$70 per acre.

Mr. Henry McWilliams, who for the past year has been a trusted employee of the Altoona car shops, has again donned his farmer suit and gotten hayseeds in his hair to make real his vacation. We bid him welcome to our agricultural ranks.

Miss Leah Dunlap daughter of our townsman S. A. Dunlap, whose family has been proscribed by typhoid fever all the season is now sick with a bilious attack. We hope however it can be kept in subjection so that a prolonged spell of sickness will not follow.

Harvey Bowersox is now monarch of all he surveys, having bought the Jacob Krumrine farm back of the College at \$45 per acre. Adam Krumrine Jr., bought his fathers farm adjoining the College property on the West at \$55 per acre, this is one of the best farms in that section and a most desirable home.

Butcherer season commenced this season unusually early on account of the short corn crop. It is a daily expression, heard on all sides that farmers are feeding for pork and lard. Fred Ertorf led the van in the early part of this week. The fatted gobbler being in readiness as were the eight fine porkers butchered. For once Fred is ahead.

The champion hunting party, of which sheriff Tanager was marshal, and the Pleasant Gap crew composed of the Gentzels & Co. came out of the mountains last week with no game and a report that deer was scarce. While the Modocks were successful. D. W. Meyers Isaac Marx, Emil Peters were the successful nimrods, each brought down a fine deer. Thus far the Modocks are ahead.

The boss threshers, Hess, Musser & Co. passed through our town a few days ago with their machine homeward bound after an eight days run, threshing an average of four hundred and twenty five bushels per day, a very good average, considering the small crops. Frequently two moves a day were made. They are most jovial pleasant and agreeable gentlemen and thoroughly understand their business.

Mr. Warren Bailey is taking a rest after his summer's work at the Columbian Exposition where he had charge of the St. Louis Carriage Manufacturing Co's. exhibit. From his appearance the climate of the Windy city agreed with him. We wish him unbounded success as general agent of the same company a position which he is so well fitted to fill. He is the youngest son of John Bailey and is visiting relatives in Central Pennsylvania.

Well, This Simply Can't Be Beat.

The Pittsburg Post has just announced an extraordinary departure in journalism. The weekly Post has passed out of existence and its place has been taken by the semi-weekly Post at the same price, one dollar a year. Its subscribers will hereafter get two complete 8 page papers a week instead of one 12 page paper. This is certainly a wonderful stroke of enterprise, and is characteristic of the splendid management of Pittsburg's great Democratic paper. The man who cannot afford to take a high class daily like the daily Post can now surely afford to take a first-class city semi-weekly paper, such as is offered to him twice a week by the Post for only one dollar a year. This is almost equivalent to giving the paper away. We do not see how the publishers of the Post can afford it, but we presume they know their business; anyhow we do. know their word is as good as their bond, and that when they say the semi-weekly Post will be in every respect as good as the weekly Post, their statement is to be fully believed. The semi-weekly Post will be continued in the semi-weekly, in addition to the late news and market reports, specially prepared for it. One dollar a year for 104 papers, less than 1 cent each. Send to the Post for a specimen copy.

Books, Magazines Etc.

Worthington's Magazine for December comes to hand filled as usual from cover to cover with good things. If one dips into this charming Magazine on any one page he will not willingly lay it aside until the last page has been read. No greater compliment could be paid to its highly entertaining quality. It is a pleasure to review it, an inspiration to read it. Its publishers aim to give that which is best in literature, and that they have succeeded in pleasing the public is evidenced by the very large circulation it has obtained during the first year of its existence. It is brilliant, clear, instructive, eminently readable, and every number is rich with beautiful illustrations. It has made giant strides the past year and is now an established favorite in thousands of homes. It always offers something suited to the special needs and tastes of each member of the household. Indeed, its whole idea is centered in the home. There is no other Magazine just like it.

In this respect it stands alone among its competitors, for it appeals to all from oldest to youngest as no other Magazine does. Its illustrated papers, charming stories, delightful essays and novel departments make it unique in design and especially interesting from the first page to the last.

The leading article for December is written by Hon. S. G. W. Benjamin, upon the Life Saving Service of the United States, from which no other institution of the Nineteenth Century more emphatically displays the humane and philanthropic spirit of modern civilization. The story of peril and disaster, of heroic effort and success is vividly told by Mr. Benjamin. Many of the illustrations which accompany it are from instantaneous photographs taken of the crews in active service in the summer of the present year.

In this number Mary A. Livermore begins a new serial story entitled "One of the Forty-niners." It promises to be of marvelous interest. It is a tale of those exciting days when gold having just been discovered in California, men left their farms and shops, abandoned their homes and families, ignored their obligations, and regardless of everything but the impelling greed for gold, poured, a living tide, into the new land of Ophir.

John H. Whitson contributes an interesting article entitled, "A Day with the Pueblos at Nambe," which is fully and beautifully illustrated. Mr. Whitson gives delightful glimpses of Indian rural life and describes the manners and customs of the natives of New Mexico. The striking illustrations are from photographs taken for this article. The short stories and essays of the December number are remarkably good. The new department is a notable one, conducted by the brilliant essayist Walter Blackburn Hart, and is entitled "In a Library Corner."

In "Knots to Untie," in the current number, is to be found a most intricate and perplexing puzzle of the variety known as a Maze. For the solution of this the publishers offer prizes amounting to \$100.00.

The prizes are not limited, as is usually the case. A new volume, the third, begins with January. The Magazine will be better than ever in 1904. Mary A. Livermore, Helen Campbell, Edgar Fawcett, Rev. Francis E. Clark, D. D., Kate Sanborn, Lillian Whiting, Oliver Thorne Miller, Anna Fuller, Knute Gaustad, Wells, Sarah A. Underwood, Junius Henri Browne, Prof. G. Frederick Wright, Walter Blackburn Hart, Thomas W. Higginson, and scores of other famous writers will continue to contribute to "Worthington's" the choicest and best in American literature.

For this month the publishers offer to send a specimen copy of a recent number for four cents in postage stamps, \$2.00 a year; A. D. Worthington & Co., Hartford, Conn. Subscriptions \$2.00 for this choice Magazine will be received and forwarded by the publishers of this paper.

We couldn't decide to have the eye taken out, so we brought him to Dr. Salm. He said today there isn't the least sign of an inflammation and he can see as well as ever. WAS REDUCED TO A WRECK AFTER 10 YEARS PAINFUL RAVAGES OF CATARRH AND CHRONIC BRONCHITIS. DR. SALM CURED ME.
For 10 years I have suffered terribly with Catarrh of Bronchitis. The disease gradually extended to every other organ in my body. I became a physical and mental wreck. Have tried our best Drs. in the county, but I grew worse and worse until as a last resort I gave my case to Dr. Salm and I am glad to say that under his treatment I began to improve from the very first month. That distressing cough and fearful pain in my chest has left me, I need not grieve for breath any more and feel as strong as ever. The most wonderful of all is that I have not taken a single cold since the first month. **Gallitzin, Pa. JACOB VOGEL 54 years old.**

For the last 15 years I have been suffering very much, have been treated by 7 different Drs. nearly all of them gave my ailment a different name and gave me medicine accordingly. The result was that I became worse and worse, until at last I went to Dr. Salm who pronounced my disease to be the Bladder, Kidneys and Stomach and treated me accordingly with the most splendid result, he did me more good in one month than all the others for 15 years, and feel once more like I did 15 years ago feeling of age and weakness and fatigue as heretofore, I can do my work and enjoy what was an impossibility heretofore. **Mileburg, Pa. Now after a course of treatment I must confess that I am very pleased and can hear as well as ever and have no more aches nor pains nor running of ears. **Pittsburg, Pa. L. A. REESE**
82 YEARS OLD AND MADE TO SEE AFTER TOTAL BLINDNESS BY DR. SALM.
I have been blind in my right eye for some years with Catarrh. I had heard a good deal of Dr. Salm. So I went to him years ago last June and he operated on me without pain and discharge. He removed my eye and I can see as well as ever. I can safely recommend him to all suffering humanity. I am now 82 years old. **Roaring Village, Pa. DANIEL COOLY**

WAS REDUCED TO A WRECK AFTER 10 YEARS PAINFUL RAVAGES OF CATARRH AND CHRONIC BRONCHITIS. DR. SALM CURED ME.
For 10 years I have suffered terribly with Catarrh of Bronchitis. The disease gradually extended to every other organ in my body. I became a physical and mental wreck. Have tried our best Drs. in the county, but I grew worse and worse until as a last resort I gave my case to Dr. Salm and I am glad to say that under his treatment I began to improve from the very first month. That distressing cough and fearful pain in my chest has left me, I need not grieve for breath any more and feel as strong as ever. The most wonderful of all is that I have not taken a single cold since the first month. **Gallitzin, Pa. JACOB VOGEL 54 years old.**
