of Comrades.

SHENANDOAH, Pa., March 12 .- A group of miners witnessed a horrible fatality in the Boston Run colliery today. The men were being boisted in a wagon from the shaft, which is 400 feet deep.

When they had almost reached the top, Anthony Horan a middle-aged man, was caught by a projecting wire The hoisting wagon could not be stop-ped and Horan could not tear his clothing loose from the fatal hook. He was dragged from the car before his compaulons realized his awful doom, and plunged down the black pit. His body tound crushed and teartully mangled.

Estimates Cut Down.

Army Appropriation Will Be Much Less Than Those of Last Year.

WASHINGTON, March 12 -The army appropriation for 1895 has been completed by a sub-committee of the Committee on Military Affairs, and will be laid before the full committee to-morrow. The appropriation on account of the army for the fiscal year 1894 was \$24,225,639, and the bill prepared by the sub-committee it is understood car ries \$750,000, in sound numbers, less than the appropriation for this year. The estimates submitted by the Secre tary of War for 1893 were \$25,332,918.

Vassar Girls as Salvationists.

NEW YORK, March 13 .-- As a result of addresses to the pupils of Vassar college by Mrs. Ballington Booth, head of the Salvation Army in America, and Adjutant Edith Marshall, fifteen young women students have enrolled as members of the Salvation Army Auxilliary league. Mrs. G. R. Kendricks, of the executive staff of the college, has joined the league, and it is said that others are expecting to join. The new members of the league are daughters of wealthy and aristocratic families.

ADDITIONAL LOCALS.

-Judge Bell, of Blair county, has ordered that cigar store slot machines are gambling devices and must be stopped.

-Constable William Benner, of Philipsburg, was brutally assaulted while on his way home last Monday evening. The constable recognized his assailants as three young toughs of that place. Richard and Martin Riley and Alfred Devine have been arrested, charged with the crime and will have a hearing next Tuesday. Benner was too badly injured to appear against them this week. It is thought that their arrest will lead to the discovery of the miscreants who have committed several assaults and robberies on the streets of Philipsburg recently.

My ears gradually became affected to such a degree that the hearing in one year was almost totally gone and bad in the other one. I became very much alarmed, so I went to Dr. Salm for treatment and im-provement was rapid from the beginning. It's now very seldom that I take a cold and it must be a very faint sound that I cannot hear win either ear. I feel better all around and confess myself satisfied with the treatment. Ebensburg, Pa. FRANK MULLEN, For Eighteen Years Totally Blind-Dr. Salm Through His Wonderful Skill Gave me Sight.

Through His Wonderful Skill Gave me Sight. For more than eighteen years I have been totally blind in my right eye, caused by a piece of wood striking the same. I was told I could never be made to see again out of the could never be made to see again out of the eye, but Dr. Salm told me that the injury had produced cataract and that he wou d guarantee to make me see. I gave hum my case and produced cataract and that he wou d guarantee to make me see. I gave him my case, and bless my stars that I did so, for to day, al-though it is wonderful to relate, I can see once more out of the heretofore blind eye after more than 18 years darkness. Friends and those who know me will bear witness to the above and think there is no discount on Dr Salm's wonderful skill. 1 yrone, Pa. JOHT MORNINGRED,

Dr. Salm. For more than eight years I was troubled with Dyspepsia and intestinal indfgestion. I suffered untold agonies only ate enough to keep me alive, and toward the last I must have taken a wagon load of different Patent Medicines and tried five of our different Dr's in the County but grew worse and worse. None of them made the correct diagnosis, until I went to Dr. Saim at Tyrone. He told me at once what alled me, and he was correct for to-day I feel like a new woman. Sandy Ridge, Mas. CARBIE PEOHT. Was treated by sever-al of our best Dr's and took a gcod deal of patent medicines, but gradually grew worse and worse. Then I heard of Dr. Salm's won-derful cures.
