

Obituary.

John Bliner Leathers was born near Houserville, in what is now Jenner township, Centre county, Pa., on the 18th day of March, 1833, and closed his pilgrimage at Mt. Eagle, Howard Twp., (after a painful illness of several weeks duration) June 14, 1894, aged 61 years, 2 months and 26 days. His parents were John and Barbara (Bitner) Leathers, well known in Bald Eagle Valley, as well as other parts of the county, for their noble lives of usefulness and Godliness. On the 12th day of September 1855, deceased was united in the holy bond of matrimony with Miss A. Eliza Turner, who proved a true and devoted companion and helpmeet and became the mother of twelve children, of whom two sons, William T. and N. Haupt, and five daughters, Ella B. Cora E., Bertha Edith, Olive E., and Florence survive, the other five having preceded the father to the "Home of the South." Three brothers and two sisters together with nine grand children, remain to mingle their tears with the bereaved wife and children. Mr. Leathers was widely known and esteemed for his many noble qualities, and his demise is profoundly regretted by a large circle of friends and acquaintances among whom his long and useful life was passed. His family were especially the objects of his affection and kindness, and that they might be comfortable and happy, he was diligent in business, carrying on the pottery business as long as it was profitable after which he established a handle factory which he successfully conducted until his last illness, and so prudently did he manage his affairs that he had no debts, and his business matters are so well arranged that his sons will be enabled to continue the business without interruption.

In early life he became a Christian and united with the church of Christ at Howard, and so faithfully did he and his companion heed the divine injunction to "bring up their children in the nurture and admonition of the Lord," that all but the youngest are members of the church. His funeral services were conducted by Rev. E. N. Masley, of Howard, at the family mansion, on Sunday, June 17th, and all that remained of the beloved John B. Leathers was followed by a vast concourse of people to Sandy Ridge cemetery, near Curbin, and all that was mortal was returned to its native earth, while he has gone to dwell with the dear Saviour in one of the "many mansions." His bereaved family are Christians—they are buoyed up by the Christian's hope, and knowing that their departed loved one, having been sustained by an unflinching faith as he passed through the gates of death now "sleeps in Jesus," they know that he will be in the triumphant throng who will come with our glorious Lord, when he comes to make all things new, and to be glorified in his saints.

"There is a land immortal. The beautiful of lands. Beside its ancient portal. A silent serey stands. He only can undo it, And open wide the door. And men and women though it, Are mortals never more." I. C. M.

Mr. Frank Smith one of the P. R. R. Co's expert strippers at Altoona is visiting with his bride, his mother, Mrs. Ella B. Smith of Water St. The usual wedding festivities have been tendered them and as Frank was formerly one of our boys the callithumpians gave them a rousing reception. Thus far we have not been able to learn the bride's name but know Frank well enough to be sure that he would not take such an important step without due deliberation, and we trust that he has bettered his condition, i. e. from single blessedness to married bliss.

Last Sunday evening our M. E. neighbors had their Childrens Day services. The church was handsomely decorated with blooming flowers of which an arch was erected over the pulpit, banks of potted plants and cut flowers further beautified the sanctuary. The well arranged program was carried out by the Rev. Forrest, who told the origin and history of the observance of the day, he also made a strong plea for the educational fund to which the collection of the day is always given, hinting that it would be well to reserve the little copper headed Indian for some future occasion and to give largely of the white metal. The infant class looked especially sweet and dainty seated under the arch of flowers. Miss Maud Hepburn gave the address of welcome in a clear distinct voice and while Miss Minnie Martz did equally as well we failed to catch the subject of her remarks. Miss Mary Ward presided at the organ and with a good strong choir rendered some excellent music. The church was crowded and it is needless to say the entertainment was a success.

The venerable Amos Royer after a lingering illness from diseases incident to old age was called from time to eternity at 10 o'clock a. m. on Tuesday the 26th. For more than a half a century his cheery countenance has brightened his hospital home on the White Hall road and now the oldest man in the township is no more. He was a very intelligent man and for one of his age was well versed on the questions of the day with an inexhaustible fund of practical information. Religiously he was a Lutheran and politically a whig-Republican. He was born Sept. 12th, 1806 in Snyder Co., then a part of Northumberland Co. He married Elizabeth Frazier and was the father of four daughters and one son, Henry who was brought home dead from the army in 1864. A daughter, Mrs. David Krebs died some 10 years ago leaving a family of orphans whom the old man tenderly cared for. Mrs. Alex. Shanon, of Kansas, Mrs. Isaac Besh and Hannah the youngest daughter at home who tenderly cared for his wants in his last years and days of suffering.

ing. All that kind hands could do was done to make his last days his best days—having lived a temperate Christian life death was a relief and he is now having his reward. He was of a family who lived to extreme age four brothers and four sisters, all but one died at the age of over 80 years. Jefferson ten years his junior lives at Rebersburg but was too frail to attend the funeral which took place on the 28th inst at 10 o'clock a. m. at Pine Hall cemetery where he was laid by the side of his wife who died 18 years ago. He was a great uncle to county Supt. Gramley and had a large number of relatives the Royer, H. offers, Gramleys, and Gentzels who mourn the death of a good citizen whose work was as good as his note and who left no enemies. His minister Rev. C. T. Alken's had charge of the services. Undertaker Heberling conducted the funeral which the old gentleman had made every arrangement for even selected his grave diggers who were Frank Miller, George Grimes and Jos. Strouse.

Twenty-five Drowned. A Tug Boat Loaded With Excursionists Sinks. NEW YORK, June 25.—The tug James D. Nichols, owned by William Reeves, this city, foundered off the Atlantic highlands shortly before 1 o'clock this afternoon. As near as can be learned at this writing forty-eight persons were rescued by the steamer Algonquin, of the Clyde line, and the tug Governor. Wallace P. Flint and H. J. Moren. This leaves 25 persons unaccounted for and these have probably been drowned. The tug Nichols was chartered by an association known as the Herring Fishing club of this city. The tug, with the party on board, left the foot of Fifth street, East river, at 7:30 o'clock this morning with sixty-eight persons in all, while the tug's crew numbered five.

Inward Trouble Cured by Dr. Salm After The Best Physicians In The County Had Failed. Our daughter Agnes has been illing with some nervous trouble for over 3 years. It made her very miserable, and fit for nothing. She tried to be cured by the best Doctors obtainable here, but without success. That Dr. Salm made a correct diagnosis at his first visit the splendid results of the treatment have proved; for she is once more able to lead a helping hand. We can recommend the Doctor highly. Bellefonte, Pa. I. N. FISHER, Cross Eye Operation Made Successfully by Dr. Salm.

My little boy Clyde had Scarlet Fever when he was 2 years of age. It left him cross-eyed in both eyes. Dr. Salm operated on them and they are now perfectly straight. The boy was blind and deaf, and after an operation was cured. Fine Glenn, Pa., Centre Co. Best Bacteriologist.

A Case of Catarrh of 15 Years Standing Cured by Dr. Salm. I have had a bad case of Catarrh for 15 years. It gradually affected all of my organs. I became weaker daily, caught cold in the best weather, and became miserable generally. I tried several Doctors to get rid of the disease, but they did not help me any. I took lots of Patent Medicines, but they did me no good. I threw my money away. Since Dr. Salm treated me I grew better steadily, and am once more a man, and I am certain that the Doctor understands his business. Milesburg, Pa., Centre Co. GEORGE F. WALKER.

After 12 Years Suffering Dr. Salm Has Cured Me of a Bad Case of Catarrh. For the last 12 years I have had a bad case of Catarrh, with all its attending symptoms. For the last 6 years it bothered me a good deal, hardly being without a cold, making me miserable generally. I tried 3 different physicians, but of no avail, and I can assure you, it takes Dr. Salm to cure Catarrh, for I do not take cold any more. No scales form any more in my nose as heretofore, and I must say that I consider myself satisfied with the Doctor's treatment. Tannersville, Pa., Centre Co. JONATHAN LUTZ.

Six Physicians Did Not Do Her Stomach Any Good, But Dr. Salm Cured Her. For 5 years I have suffered terribly with Stomach trouble, and all the resulting ailments; such as headache, neuralgia, rheumatism, etc., to such a degree, that I did not care how soon I would die. In that time I was treated by 6 different doctors, but none of them did me any good. To the contrary, I grew worse and worse, to work was out of the question. I grew weaker and weaker on account of not being able to retain any kind of food on my stomach. I began treatment with Dr. Salm 3 months ago, and am now a different woman. I have never vomited once since the first treatment; and to make a long story short, I can once more with a good deal of pleasure, attend to my daily labors. Gallitzin, Pa. Mrs. MARY STREVEN.

On Account of 20 Years Continued Suffering and as Belief I Prayed to Die, But Was Cured By Dr. Salm. For 20 years I suffered the most excruciating tortures all on account of Kidney trouble. The pain in my back was terrible, and many times when I stooped I did not know how to straighten up again. Often I had to go to bed for a week at a time, and in the end could not attend to my regular work any more. Gradually all the other organs became affected, my bladder became in such a condition, that I did not care whether I lived or died; indeed I prayed for the latter often. The home doctors could not cure me, so I put myself under Dr. Salm's care and I blessed the day when I did so, for to day I am quite a different woman, willing and glad to enjoy life once more. I feel splendidly, and I am confident that the Doctor will cure me in the time he has set; and I have come to the conclusion, one should never give up hope as long as they can obtain the services of this wonderful physician. Spring Mills, Pa., Centre Co. Mrs. J. W. SPOOK.

I Could Not Walk Straight Any More, Dr. Salm Cured Me After 3 Other Doctors Had Failed. For the last 20 years I have suffered untold agonies with a pain in my back and over the region of the Kidneys. I had to get up regularly every hour at night to pass water, the pain on these occasions being almost unbearable, and almost bent me double, so that after while I could not walk straight even the movement of my limbs produced the most excruciating pains. Of course I became very much emaciated on account of having no appetite; to work was out of the question. 8 doctors who treated me, could not make out what was the matter; hence their medicines did not do any good. Home medicines and highly recommended patent medicines had no effect whatever. Dr. Salm has cured me, and although I am 71 years of age, I get along very well now, and can once more attend to my daily work. Mrs. SOPHIA HENRY, Two Lick, Pa., Indiana Co.
