-----We always know when the goose berry season comes around, for every year, as regularly as the fruit ripens, old Mr. Charles Brown, who keeps a green grocery on Pike street, brings us a sample of the kind he raises in his little truck patch. Last year the branch of a bush he brought in was fairly breaking under its weight of berries and they were as large as Robin's eggs but this year his bushes have done still better and the brar ch that lies before us now is sticking full of gooseberries everyone of which is as large as an ordinary plum. Mr. Brown takes great pride in his gardening and though past eighty years of age you can find elegant green groceries at his store and you will be sure of their being tresh and good for he raises them himself.

Upholds Mr. Cleveland. Ex-President Harrison's View of Using Federa

Troops. INDIANAPOLIS, July 10 .- Ex-President Benjamin Harrison, having been quoted as saying that "President Cleveland has established a new precedent in sending federal troops into a state without a request from the governor of the state and over his protest," said to-

day : "I have neither said what I am quoted as saving as to the use of the United States troops by the president, nor do I think that the president has transcended his power. On the other hand I believe that there is no spot in the United States where the United States troops may not go under such orders without asking anybody's consent, and that the enforcement of the laws of the United States is the sworn duty of the president, and the army an appropriate instrument to use in the enforcement of those laws where they are violently resisted and the civil officers are unable to deal with the situation. If the posse comitatus law limits the president's constitutional power at allwhich is very doubtful-it requires only the proclamation to precede the use of

Woman of Her.— For over 5 years I have been suffering with Hearttrouble and a bad case of Dropsy. We went to 4 of the best Doctors in the County for relief, but all of them said a cure was im-possible. At times I felt so bad that I was certain I had to die, I fainted away very often and my friends told me afterwards that they thought every moment would be my last. And I hereby affirm that had it not been for the splendid treatment received from Dr, Saim, who has entirely cured me of that great trou-ble, I would have been under the sod long ago. SADEL Ross. Leechburg, Pa., Armstrong Co. Attested by her Husband, Henry T. Ross.

A Peculiar Affection of the Legs Cured by Dr. Salm .-

Salm.-For the last 10 years our son had the most peculiar affection of both legs. They became covered with scabs and scales. They oozed out considerable secretion, and the disease troubled him constantly, even interrupted his sleep on account of the terrible itching. We tried the best Doctors in our County and near by, without any results. None of them made the correct diagnosis, until we brought him to Dr. Salm, who diagnosed the disease as a scrofulous affection; and as a result of his treatment he has succeeded in making a per-fect cure in the time he stated. We believe he understands his business, and hence we do not hesitate to recommend him to our Citizens. Hyndman, Pa. FRED S. COOK.

Oancer Cured by Dr. Salm .-

Cancer Cured by Dr. Salm.-For some time I have suffered from an ugly looking cancerous growth on the chest. Doc-tors here pronounced it Cancer, and said they could not do me any good. Dr. Salm has cured me in short order, without using the knife or caustics and only an insignificant scar is all that is left of the heretofore ugly and painful growth. Somerset, Pa. ELIZABETH MUELLER.

I Could Not, Nor Would I Have Wanted to Live Much Longer in the Plight I was In.— For some time I have suffered terribly with Kidney and inward trouble 6 different Doctors treated me for inflammation of the Bowels &c. I grew worse and worse, had to get up about every half hour to void urine. The pain was most excrutiating and I am certain I could not nor would not wanted to have lived much longer in the plight I was in, Particularly as there did not seem a spot on my body that did not ache most terribly. My bowels were always in a bad condition, so I concluded that I would call in Dr. Salm of whom I had heard so much. He diagnosed my disease as being a result of Kidney, Stomach and Inward trou-ble, I had not taken his medicines a week be-fore I telt the benefit, and to day after a course of treatment I can do my own work, after not having been able to hardly more about. Suffered With Catarrh, Bronchitis and General Trouble for 16 Years But was Cured by Dr Salm .-

For the last 16 years I have been suffering with Catarrh, Bronchitis and general trouble. I took cold very easily then I became choked up in my chest and I could hardly breathe. My lungs became badly affected, lost flesh rapidly, and altered in looks amazingly. In fact it went from bad to worse continually. Tried different kinds of medicines, but with-out effect. After a course of treatment with out effect. After a course of treatment with out effect. After a course of treatment with Dr. Salm I am once more a well woman, do not take cold any more, and can rest and eat splendidly. In fact my neighbors tell me that I look 10 years younger, and I can assure you I feel that way, thanks to the Doctor's wonder-ful eure of my case. Wilmore, Pa. MARY M. FRASIER.

Spinal and Brain Trouble Cured by Dr. Salm (A Wonderful Case.)-

Our boy became suddenly affected with Spinal trouble, and it was but a short time be-fore he had lost almost the entire use of his legs. Of course we became very much alarmed and worried about him, particularly legs.
