The skin of Cleveland has been saved and will be kept as a souvenir of the terrific combat.

We are in receipt of a communication from Downs, Kan., bearing the sad news of the very serious illness of Mr. Edward Sample oldest son of our farmer towns. man J. C. Sample. Ed is known at his home as the boy orator and is a great favorite in the town, but for the last six weeks has been suffering so intensely with an abcess on his liver that little hope of his recovery is entertained. Ed was soon to have graduated and it was his desire to return to his native home here and view the plains of Penns Valley from the heights of old Tussey mountain. His many friends here hope to hear of his speedy recovery and that his life will be spared and his desire gratified.

Last Saturday was a gala day in base ball circles. The Centre Hall boys cama up to do our boys brown and for the time being it was done effectually but for which side you will see by reading on. Errors were plenty on both sides and outside of the terrific batting down by the home boys the game was featureless. Kopee's pitching for the bome club seemed very effective. Keeping the "hits" well scattered and having a record of 15 strike outs while the others only got 4. The home boys took very easily to the slow curves of the Centre Hall pitcher securing 16 base hits. As we are not acquaint. ed with the technical lore of the base ball scorer we will conclude by saying the game resulted 16 to 25 in favor of the Pine Grove, which was quite a victory (?) for our boys.

AMOS CLEMSON CANED .- At his own home on the evening of the 2nd a large party gathered at the mansion home of A. E. Clemson to show their appreciation and to join in making a celebration of the fiftieth anniversary of his Bible class teaching and Sunday School work. Over sixty members of his class, who have had the pleasure and profit of his teachings during the last half century, were presen t and enjoyed immensely the delicious and royal repast that was served. W. E. Mc-Williams presented the near silver banded cane which Mr. Clemson received graciously and easily with a very nice address, but the unfortunate part was that he tendered his resignation as teacher of the class at the same time. There are few men that have the Sunday school work at heart as Mr. Clemson has. For 35 years he served as Sunday School su perintendent of the Gatesburg Sunday school and walked from Baileyville, his home, across the ridge to Gatesburg 3 miles away every Sunday unless sickness prevented. In our next we shall endeavor to give our readers a brief history of his Sunday school work. The school last Saturday celebrated its 50 anniversary at Gatesburg.

Woman of Her.-For over 5 years I have been suffering with Heart trouble and a bad case of Dropsy. We went to 4 of the best Doctors in the County for relief, but all of them said a cure was im-possible. At times I felt so bad that I was certain I had to die. A Peculiar Affection of the Legs Cured by Dr. 39-12 6m Salm .-

Salm.— For the last 10 years our son had the most peculiar affection of both legs. They became covered with scabs and scales. They oozed out considerable secretion, and the disease troubled him constantly, even interupted his sleep on account of the terrible itching. We tried the best Doctors in our County and near by, without any results. None of them made the correct diagnosis, until we brought him to Dr. Salm, who diagnosed the disease as a scrofulous affection; and as a result of his treatment he has succeeded in making a per-fect cure in the time he stated. We believe he understands his business, and hence we do not hesitate to recommend him to our Citizens. Myndman, Pa. FRED S. Cook.

My bowels were always in a bad condition, so I concluded that I would call in Dr. Salm of whom I had heard so much. He diagnosed my disease as being a result of Kidney, Stomach and Inward trou-ble, I had not taken his medicines a week be-fore I telt the benefit, and to day after a course of treatment I can do my own work, after not having been able to hardly move about.
