

THE VETERANS AND THEIR PICNIC.—Saturday, September 1st, was an auspicious day for the Veteran club reunion and thousands of people journeyed to Hunter's park to enjoy it with the old soldiers. Every train was crowded and by noon those who had feared the attendance would be less than in previous years had every reason to reconstruct their ideas concerning the love Centre contains must have for picnics. It was labor day, however, and that fact helped swell the crowd quite materially.

After dinner a business meeting of the club was called. Gen. Beaver, presiding, appointed the following committees for the ensuing year:

Officers—S. H. Williams, chairman; Wm. Eminizer, Thos. Taylor, C. Dale, Jr., A. V. Miller, Geo. Martz, W. H. Fry, Andrew Gregg, J. I. Curtin, D. Burrell, M. M. Musser, W. J. Thompson, W. S. Williams, S. H. Benson, Simon Sellers, Geo. Long, W. E. Tate, J. A. Daily, James Kribbs, J. G. Heberling and D. F. Fortney.

On place of meeting—Dr. T. S. Christ, chairman; W. H. Musser, H. C. Holter, Wm. Resides, V. C. VanValin, W. C. Patterson, Lot Struble, J. D. Long, John W. Stuart, Wm. Grenoble, Simon Bathgate, George Roal, J. I. Condo and C. P. Stonerode.

The former committee reported the selection of the following officers: President, Gen. James A. Beaver; vice presidents, Geo. M. Boal and Wm. C. Patterson; secretary, John C. Miller; treasurer, John Hamilton. The president to have power to name the executive committee.

The committee on place of meeting for next year reported Hunter's park, which report was adopted.

Treasurer Curtin read his report which was as follows:

Balance in treasury Sept. 1892 \$510.92
Receipts up to Sept. 1893 - - - 21.75

Total amount \$532.67
Expenditures 21.65

Balance in treasury Sept. 1893 \$511.02

Under the head of miscellaneous business David F. Fortney read the following resolutions which were adopted:

WHEREAS, The citizens of Centre county and our Veteran Club have, at sundry times heretofore, made efforts looking toward the erection of a monument to commemorate the part taken by Centre county in the war of the rebellion,

And whereas, In consequence of more pressing concerns crowding upon the attention of our people, the desire and the thought of many has not heretofore been consummated,

And whereas, The Veteran Club of Centre county now has in its treasury over \$300 which could be devoted to that purpose and citizens of the country closely connected to our club are desirous of contributing toward such a fund, provided the movement be commenced and carried to completion at once.

And whereas, Centre county owes to the memory of her dead and to the commemoration of the efforts of those who live to see that a suitable monument is erected at a central place which will commemorate the part taken by her sons and especially by her eminent citizen, Hon. Andrew G. Curtin, then the governor of this commonwealth, in the great struggle for supremacy of law and the maintenance of the union. Now, therefore be it

Resolved, By the Veteran Club of Centre county, in annual meeting assembled.

First—That the balance in the treasury amounting to \$51.62, as shown by the report of the treasurer, be and the same is hereby appropriated to the erection of a monument to commemorate the part taken by the soldiers of Centre county and the war Governor of the commonwealth in the suppression of secessionists, provided that a fund of at least ten thousand (\$10,000) dollars be bona fide subscribed for that purpose.

Second—That a committee of twenty-five of the members of this club and of an equal number of citizens, not connected with the club, be appointed by the president of the club, representing all parts of Centre county, to solicit subscriptions and carry forward the work of erection of a monument as herein set forth to final consummation.

Third—That, in the judgment of the Veteran Club, the monument should embody as one of its prominent features a statue of Hon. Andrew G. Curtin, the war Governor of the commonwealth, so that his services to the State may be perpetuated in connection with the monument to our dead heroes.

This ended the regular business of the day, but before the meeting adjourned addresses were made by Capt. William Hayes, of Clinton county; Prof. E. J. Sparks, of State College; F. J. Small, of Clinton county; Capt. William Michaels, of Lock Haven; and Aaron Williams Esq., of Bellefonte. In addition to these patriotic talks Miss M. Thomas recited a poem of her own composition which pleased the veterans immensely. The meeting then adjourned.

AND THE CYCLOPS RACES ON THE ATHLETIC FIELD BEGAN.

The Bellefonte Wheelmen's club had called a meeting for that day and all the racers of this county, with several from a distance, were there to compete for the valuable prizes offered by the club. The events were run as follows:

One-fourth Mile Open—Finished in order: Shafer, Andrews, Williams, Sebring. Prizes, 1st bicycle lamp; 2nd bicycle shoes.

Two Mile Open—Finished in order: Andrews, Wetzel, Sebring, Shafer. The latter fell off while sprinting in the last lap otherwise the finish between him and the winner would have been exciting. Prizes, 1st diamond pin; 2nd sweater.

The best pulse to indicate the condition of trade is the railroads of the country. Already they are beginning to report marked increases in freight traffic and one day last week the Pennsylvania railroad made the largest movement of freight ever recorded on its middle division. On that day five thousand six hundred cars were hauled, east or west, between Altoona and Harrisburg.

Must Name Two Candidates.
Judge Bucher Withdraws from the Democratic Ticket as Candidate for Congressman-at-Large.

HARRISBURG, Sept. 4.—Ex-Judge Joseph C. Bucher, of Lewisburg, filed to-night with the Secretary of the Commonwealth his withdrawal as a candidate for Congressman-at-large on the Democratic State ticket. This makes it necessary for the Democratic State convention, which meets next Tuesday, to nominate two candidates for Congressmen-at-Large. No one knows who will be selected, but Edwin Grav Flannigan, of Philadelphia; Henry Meyer and William Weihe, of Allegheny, and Col. James Ellis, of Schuylkill are being mentioned as possible nominees.

Tom Platt Favours Morton.

NEW YORK, Sept. 4.—The Mail and Express to-day publishes an interview with Hon. T. C. Platt in which he says his favors Levi P. Morton's nomination for governor, because he believes him to be the strongest candidate with the people. As to the question of age, John A. Dix was five years older than Mr. Morton when first nominated for governor. As for Mr. Fassett, Mr. Platt would like to see him governor, but desires party success more. Mr. Fassett's later, he says, however, will surely come later.

A Blind Eye Made to See by Dr. Salm Making a Wonderful Operation.

For over ten years I have been badly cross-eyed. Dr. Salm operated upon me without giving me chloroform, nor causing pain or loss of blood. My eyes are straight once more, and the eye that heretofore was almost totally blind can again see splendidly with Somerset, Pa. MARY E. LONG.

Four of the Best Doctors in the County Said She Was Incurable, But Dr. Salm Made a Healthy Woman of Her.

For over 5 years I have been suffering with Heart trouble and a bad case of Diphtheria. We went to 4 of the best Doctors in the County for relief, but all of them said a cure was impossible. At times I felt so bad that I was certain I had to die, I fainted away very often and my friends told me after attending to me that my treatment would be my last. And I hereby affirm that had it not been for the splendid treatment received from Dr. Salm, who has entirely cured me of that great trouble, I would have been under the sod long ago.

A Peculiar Affection of the Legs Cured by Dr. Salm.

For the last 10 years our son had the most peculiar affection of both legs. They became covered with scabs and scales. They oozed out considerable secretion, and the disease troubled him considerably, even interrupting his sleep on account of the terrible itching. We tried the best Doctors in our County and near by, without any results. None of them made the correct diagnosis, until we brought him to Dr. Salm, who placed him on the diet and a sororine affection and as a result of his treatment he has succeeded in making a perfect cure in the time he stated. We believe he understands his business, and hence we do not hesitate to recommend him to our Citizens.

Cancer Cured by Dr. Salm.

For some time I have suffered terribly with Cancer of the rectum. I consulted different doctors treated me for inflammation of the Bowels &c. I grew worse and worse, had to get up about every half hour to void urine. The pain was most excruciating and the cancer I could not move would not want to have lived longer in the plight I was in. Particularly as there did not seem a spot on my body that did not ache terribly. My wife were always at my bed side, so considerate that I would call in Dr. Salm of whom I had heard so much. He diagnosed my disease as being a result of Kidney, Stomach and Inward trouble. He took me into his office and worked before I left him the next day, and to day after a course of treatment I can do my own work, after not having been able to hardly move about.

Suffered With Catarrh, Bronchitis and General Trouble for 16 Years But was Cured by Dr. Salm.

For the last 16 years I have been suffering with Catarrh, Bronchitis and general trouble. I took cold very easily, then became chocked up and obstructed and I could hardly breathe.

My lungs became badly affected, lost flesh rapidly, and altered in looks amazingly. In fact it went from bad to worse continually.

In different stages of malady, but without effect.

After a course of treatment with Dr. Salm I am once more a well woman, do not take cold anymore, and can rest and eat精神饱满. I am now in full strength and look 10 years younger, and I can assure you I feel that way, thanks to the Doctor's wonderful cure of my case.

Spinal and Brain Trouble Cured by Dr. Salm.

Our boy became suddenly affected with spinal trouble, and it was but a short time before he had almost entirely lost the use of his legs. Of course we became very much alarmed and worried about him, particularly as the 4 physicians we consulted told us there was no help for him, but Dr. Salm has again given us hope. He has again given us hope and again used his limbs as well as ever, and he is cured of a terrible disease by this wonderful physician after 4 of our best Drs. had pronounced his case incurable.
