This seemed to be an incentive to others that they had as yet failed to give proper recognition to the honor which their band had brought to the town and consequently, while the musicians were preparing for the baton presentation, the council took action on the matter and a banquet for the band

was proposed. This found its consummation last Friday night when there was a great gathering in the O. U. A. M. hall, where sixteen members of the band, with their honored director, the members of the town council and many prominent citizens sat down to a sumptuous feast, which had been spread on two long tables that reached the entire length of the hall.

In order that the whole affair would be a surprise to 'Squire Bierly he was fooled up to Bellefonte by Frank Wetzler, the band's leader, and as they did not return until a late train the band was at the station to meet the pair. A good joke was played on the 'Squire when he got off the train. A policeman arrested him and thus detained him until the carriages, in which were seated the councilmen had been formed

THE LATE HUGH TAYLOR. - Deceased was born in county Monaghan, Ire-

land, Nov. 27, 1844 and died at his home in Bellefonte, September 25th, 1894, being just 49 years, 9 months and 29 days old. When a boy of seventeen he left his home in Ireland to visit his brother James, who was then a farmer in Canada. He never returned, for being taken with the charms of this country he spent five years in traveling over it, finally settling in Bellefonte, where he later married Anna, a daughter of Francis Starr. This union was blessed with fourteen children, all but one of whom are living and were about the bed-side of their loved parent when he died.

With the exception of a one year's residence in Tyrone the Taylors have lived here ever since 1866, Mr. Taylor, having been an industrious man, found employment, as a boss quarryman, in the lime kilns here, but of late years he had been attached to the steam heat works. He had been ill only about ten days with acute neuralgia of the brain when hemorrhages of the brain caused death. Funeral services were held on Wednesday, Rev. Dr. Laurie and Rev. Wright, of the Presbyterian church officiated.

Deceased's oldest son, Hugh, is an attorney at the Bellefonte bar and the Democratic collector of the town.
