THE HERITAGE.

The rich man's son inherits lands...

What doth the poor man's son inherit?

Q. Poor man's son! scorn not thy state!

Both, heirs to some six feet of sod...

How the Deaf are Taught Speech.

The System of Manual Signs Being Supplanted by the Oral Method.

A woman, who is assistant editor of one of the great magazines...

The impulsive words which this woman more or less intelligently...

Conservative authorities reckon that there is one deaf person to every 1500...

Various plans have been proposed for educating the deaf.

Methods in use. Of all these four methods only two have virtually survived...

GRADUAL DISUSE. But it has come to pass that just as the conventional signs of savages...

But it has come to pass that just as the conventional signs of savages have everywhere disappeared...

A Wonderful Thing in Religion.

From the New York Sun.

Our enterprising Jewish contemporary, the Tidings, prints a report of the ceremonies at the dedication of the new and grand synagogue in Cleveland...

The oral system teaches the deaf to speak. The steps to this result consist primarily in accustoming the eyes of the pupils to distinguish and remember the movements of the lips...

But when the child has grown able to articulate sounds and words by watching the movements of the instructor's lips...

After these deliverances, Rabbi Moses Machol brought an end to synagogical ceremonies which had been opened by Rabbi Moses Gries.

Thus pleasantly and pleasingly spoke the six Protestant clergymen in the presence of the two rabbis...

It seems to us that the thing here told of deserves to rank among the wonders of the nineteenth century...

Every mother should know that deafness can be prevented. The first symptom of true deafness is hoarseness.

—People who are disposed to grumble about high prices should be thankful that they do not live in the town of Forty Mile Creek...

—In many cases, the first work of Ayer's Sarsaparilla is to expel the effects of the other medicines that have been tried in vain.

—The best medical authorities say the proper way to treat catarrh is to take a constitutional remedy like Hood's Sarsaparilla.

No Trouble to Ask. He—Do you see that disagreeable looking person across by the window?

She—No, I don't see any one there.
