

ment member of the Reformed church. While he is devoted to his church, he is interested in the cause of religion without regard to denominational lines. He is noted for his liberality. He has also been an active worker in the cause of education.

Socially Mr. Bower is of a retiring disposition, absorbed in his profession and his books, yet he has acquired a large circle of acquaintances and formed strong friendships. He is a representative of one of the oldest families in Centre county.

—We have an opportunity of electing a Democratic Judge to preside over our courts, if you all vote for BOWER. This is such an easy thing to do when you know he is so much better fitted for the office than LOVE. Why don't the Republicans of this district rise up against the man who has gotten himself on their ticket like the Republicans of Delaware county have done against THOMAS CLAYTON, whom they think unfit for Judge. At a great mass meeting in Chester Monday night, THOMAS V. COOPER spoke against CLAYTON and HON. SAMUEL A. CROZIER, a prominent Media Republican, introduced him with the following remarks:

"We want a man for Judge who is above local prejudices, who has no friends to reward, no enemies to punish. When we see a Judge who is willing to step down from the lofty pedestal upon which he should stand and go around begging and buying votes, it is the duty of the people to take the law into their own hands."

Johnstown's Manifest Preference.

It is a circumstance worthy of notice as an incident of the present campaign, that in no locality in the State was the SINGLER corps of speakers received by a larger concourse of welcomers, or with warmer demonstrations of enthusiasm, than in the town which HASTINGS is credited (?) with having raised from its prostrate condition, after it was devastated by its historic inundation.

Governor PATRICK, who spoke in the interest of the Democratic State ticket, was given a rousing ovation in Johnstown, while HASTINGS, who spoke there a few weeks before, had rather a cool reception. Probably the people of that place believe that DAN has no mortgage on their votes for the assistance (?) rendered at the time of the flood.

Pine Grove Mentions.

Our friend J. B. Ard is transacting business in and about Milton this week.

Mrs. Anna Fry is visiting Bellefonte friends with a view of spending the winter with them.

We are sorry to note the illness of S. F. Ishler who is confined to bed with spinal trouble.

Cards are out for the marriage of Gertrude O'Brien and Homer Decker, which is to take place on the 31st, at noon.

Mrs. Ralph Hillingworth of Rising Springs spent several days recently among her old associates, who always give her a hearty greeting.

Our Pine Hall neighbors are petitioning Post-Master General Bissell for a post office at Struble station. We suggest that it be called Corl if they succeed in getting it which we hope they will.

A Williamsport Lumber Company is erecting a steam saw mill at the base of Tussey mountain in the Shingletown gap and when it is once under way our Shingletown neighbors by listening to its steam whistle can get onto the time at last.

Last Sunday the reopening of the Pine Hall church was postponed on account of the newly ordered chairs having been misplaced. The 11th of Nov. is the time appointed and Rev. Hartman and able ministers of Altoona will preach the reopening sermon. Every person is cordially invited.

W. E. McWilliams whose illness was mentioned in our last issue has partially recovered from an attack of appendicitis. On Tuesday of this week J. C. Goben went with him to the Pennsylvania University in Philadelphia with a view of having an operation performed. It is sincerely hoped that his life may be prolonged to the enjoyment of his family. He expects to be absent about two weeks.

Miss Bertie Meek, was thrown from her cart the other day and while not seriously hurt was severely bruised and pretty thoroughly shaken up. She was driving a young horse and just at Mr. J. B. Mitchell's barn it took fright at the escaping steam of a threshing engine and turning around suddenly upset the cart and threw Miss Bertie to the ground. She was carried into the house and by night was well enough to be taken home.

On the 24th inst. just as the sun was sinking beyond the western horizon the spirit of Wm. Musser returned to the God who gave it. He had not been well for months but had been about as usual 'til several weeks ago he consulted Dr. Woods who gave him no hope as he said he was suffering from Hodgkins disease which would prove fatal on account of his advanced years. Mr. Musser was the last but Emanuel of Illinois of the once numerous Musser family. He was born on the old Jacob Musser homestead on the Branch, March 23rd, 1824, where he spent his whole active life with the exception of the last few years. He was a man of simple habits, kind manner and a most pleasant and generous host. He married on Jan. 28th, 1858 Eliza Ann Rubio who with their six children Mrs. J. Ross of Linden Hall, Curtin of Altoona, Alka, James, Wm. and Anna at home mourn the loss of one of God's noblest creations an honest man. He was buried Saturday morning at 10 in the Pine Grove Cemetery. His pastor and friend Rev. C. T. Atkins paid a most glowing tribute to his sterling worth as a member and worker in the Lutheran church of which he had been a member from early youth.

ADDITIONAL LOCALS.

—Two Marsh Creek boys went coon hunting the other night and when their dogs treed a coon they built a fire and sat down to wait 'till morning so they could see to shoot it. When dawn came the coon (?) was there, but it was in the form of a neighbor's big cat.

—The American Ax and Tool Co., ordered its works at Mill Hall shut down on Saturday for an indefinite period, owing to lack of orders. The Mill Hall works are in the trust. The suspension is posted to last ten days, but resumption at the end of that time depends entirely on whether there are any orders in.

—A singular sight can be seen in the orchard on the farm of Bilger Smeal, in Graham township, Clearfield county. A terrible hail storm stripped the fruit trees of all their foliage last July, but determined to bear fruit if not in due season, those trees sent forth another blossoming and are now laden with small green fruit.

Marriage.

BOHN-WERT.—At the Reformed parsonage, Boalsburg, Pa., Oct. 25, 1894 by Rev. A. A. Black, Miss Sarah J. Wert, Tusseyville, Pa., to Mr. David C. Bohn, Boalsburg, Pa.

UNSOLICITED TESTIMONIALS

A Case of Dyspepsia of 25 Years Standing,

Cured by Dr. Salm.

For 25 years or more my hearing has been bad. My left ear almost deaf. I have been under Dr. Salm's treatment for the past 5 months, and my hearing has been very greatly improved, in fact the change has been remarkable. I am still under treatment, and hope for an entire cure. Gratefully, Isaac Pierson, Bedford, Pa.

On account of the very vague explanation of the above, I give the history of the case in detail.

About 30 years ago, Mr. Pierson, on account of Catarrh, became so hard of hearing in his left ear, that the same might not have been there at all, for the actual services it did him. The right one, for the last 25 years became worse and worse, and it took some very loud talking for him to understand you. Now, after 5 months treatment, he can again hear with the totally useless ear, so to say deaf for 30 years, common conversation and even whispers again, and his right ear is almost as good as any good ear might be. Friends who have known him will testify to the correctness of my statement. Dr. M. SALM.

Felt like Dying Rather than to Stand the Agency Much Longer, but was Cured by Dr. Salm.

For 5 years I have had kidney, stomach and liver trouble. The fearful pains in my back and bladder, I had during that time, made me often wish for death. I could hardly work, sleep, nor rest and had to go out regularly every night four or five times to void urine. I could hardly eat, and when I tried a little of something it made me ill, and after 4 of our best physicians had failed to cure me, I thought it was about time to die. Some of my friends however, advised me to go to Dr. Salm, who had performed so many wonderful cures in this country. After I had taken his treatment 4 days, I found it did me some good. I have taken his treatment now for 5 months, and I enjoy life once more, and I would advise all of my friends to go to this eminent doctor, to get cured, after other physicians have failed. Yours gratefully, ELIAS ZERROSS, Somerset, Pa.

Given Eye sight and Relieved of Pain After 20 Years Suffering by Dr. Salm.

For over 12 years my eye-lashes have been turning in, and consequently they rubbed on the eye-ball, keeping the same always inflamed and very painful. In order to have a little relief, I had to have the eye-lashes pulled out every few days. As the result of all this, my left eye went totally blind, and the right one was going the same way rapidly. I put myself under the care of Dr. Salm, and to day I am happy to state that I am not troubled any more with the lashes, as they grow in their normal direction, and the sight of the right eye has improved to a great extent. I am wonderfully cured. JACOB ENRICH, Coburn, Pa.

Inward Trouble Cured by Dr. Salm.

I have suffered with inward and general trouble all my life, but am happy to state that Dr. Salm has entirely cured me. JENNIE DUNNIE, Manorville, Pa.

July 19, '94.

Cataarrh and Lung Trouble Cured by Dr. Salm.

For nearly 5 years I have had a bad case of lung trouble and catarrh. I was treated by 3 of our best physicians but gradually grew worse and worse, until I was compelled to try Dr. Salm, by one of his patients whom he had cured of a similar trouble. I despaired of ever getting well again. I felt so badly. To-day, treatment for 1 can enjoy life again with pleasure, and am glad that I am cured. Miss May DUNNIE, Hilliard, Pa.

Diseases of woman, such as have baffled the skill of other physicians and remedies, quickly cured. Cancers, tumor, fibroid, and polypoid growths cured without the use of the knife or caustics. No cutting, no pain, no danger. Manhood perfectly restored. Quick, painless and certain for impotence, lost manhood, spermatorrhea losses, weak and nervous debility, also for postititis, varicocele, and private diseases; whether from imprudent habits of youth, or sexual functions, speedily and permanently cured. New method Electrolysis. Epilepsy or fits scientifically treated and positively cured by a never failing method. Examination and consultation free to everybody. All eye operations successfully performed. Address all communications to Box 760, Columbus, Ohio.
