Mr. L. T. Eddy, Milesburg's sweet singer, will have charge of a musicale which is being arranged for Thanksgiving evening in the Methodist church in that place. The proceeds will be devoted to paying for the new music books recently purchased by the Sunday school.

At a meeting of council Monday evening, Gen. Beaver presented an ordinance, that was passed, requiring a regulation curbing to be set all along Curtin street and to prohibit the further laying of any boardwalks on that street. The ordinance is a good one, but like the frame building one will be forgotten ere it is a year old.

The Pennsylvania State College football elevens started west on mail last evening. The boys play Washington and Jefferson college, at Washington to-day and Oberlin University, Oberlin, Ohio, to-morrow. Robison, the crack half back, and J. Danmore, the big guard are not with the team. Being back in their grades the faculty would not let them go.

**THE CURTIN MONUMENT FUND STARTED.**—Last week's issue of the WATCHMAN contained an article suggesting that Gregg Post of this place take the initiative in the Curtin monument fund and as a result the Post, at its regular meeting the next evening, appointed a committee consisting of Gen. Jas. A. Beaver, John C. Miller, S. H. Williams, Jas. Harris and William Fitzgerald who will have the matter in charge.

At the last reunion of the Centre county Veterans' Association the amount of \$500 was voted to form a basis on which a fund of \$10,000 should be raised for the purpose of building a monument to Centre county veterans, but now it is proposed to erect a far more imposing one to cost at least \$25,000 to the memory of the late Andrew G. Curtin and the dead soldiers of the war. The committee will meet to effect an organization soon and begin the work of soliciting subscriptions to the fund. There should not be much trouble in raising the desired amount since so many organizations, the Loyal Legion, G. A. R., P. R. C., Soldier's Orphans Sixteeners, and U. V. L., have all expressed a desire to help.

**OUR BOROUGH DADS MEET.**—On Monday evening council met in its chamber on Howard street and transacted the little business that came up for consideration.

A committee from the Undine fire company asked for better light in its engine house, the request being granted; the Street committee reported work at many points; the Water committee reported that the laying of the new 12 in. main on High street increases the pressure in the northern parts of town by 5 lbs. Many leaks were reported being attended to.

Gen. Beaver then introduced an ordinance, which was adopted, to the effect that hereafter no boardwalk dare be laid on Curtin street and that all property holders must put in a conformable curbing along the entire street.

A motion authorizing the Street committee to advertise for bids for lighting the streets of Bellefonte, which must be handed in by the first Monday in December, carried and council adjourned after ordering the payment of bills to the amount of \$604.44.

**THE MATTERN FAMILY TO HOLD A REUNION.**—Last Friday afternoon a few of the representative members of the Mattern family that is scattered so numerously over Blair, Centre and Huntingdon counties, met in the Herald hall at Tyrone to discuss the project of having a grand family reunion. The meeting was organized by the election of the Hon. John W. Mattern, of Huntingdon, president; John B. Mattern, of Buffalo Run, first vice president; Jerry C. Mattern, of Hollidaysburg, second vice president; Dr. W. H. Fenner and C. S. W. Jones, of Tyrone, secretaries. It was soon decided that a reunion of all branches of the family would certainly be a very enjoyable occurrence so the second Thursday in June, 1895, was selected as the time and Warriorsmark the place for holding it. Committees on arrangements, history, correspondence, program, and invitation were appointed.

Warriorsmark is centrally located for such a reunion and is only a short distance from Seven Stars the old Mattern homestead. It is estimated that there are now two thousand direct descendants of the three original Mattern brothers and an attempt will be made to confirm the belief that the family is of Swiss extraction.

**THE COUNTY TEACHER'S INSTITUTE.**—The forty-eighth annual session of the teacher's institute of Centre county will be held in the court house in this place during the week of Dec. 17th to 21st.

Among the instructors who have been engaged for the week are: Henry Houck, deputy superintendent of public instruction; Dr. A. S. Draper, president University of Illinois; Dr. A. E. Winship, editor of the Journal of Education, Boston, Mass.; Dr. George W. Atherton, president of Pennsylvania State College; Professor Charles A. Albert, State Normal school Bloomsburg; Professor C. J. Swift, ex-superintendent of Elk county; Hon. Stockton Axson, representing the American Society for the Extension of University Teaching, and Professor Charles Rose, of Philipsburg. Lectures have been arranged for.

**HAAG'S HOTEL THE PLACE TO GO.**—Gottlieb Haag's hotel, on Bishop street, is always a scene of unusual activity during court week. Many persons who come in from the country to attend court find their way to that popular place because they are always sure of plenty of substantial to eat, a good bed to rest in and all for a small price. Haag's hotel is popular because of the excellent stable and yards attached. Though fire destroyed the stables about six weeks ago there is now a fine new building standing on the burned site, where all can find good comfortable stabling for their horses.

—Will F. Holt, of Philipsburg, killed two big bucks on Panther run, one day last week.

The Millheim band's festival last Saturday night netted that organization only \$15.

—Harry Hay and his father, of Millheim, are anticipating building a creamery at Coburn.

—Mary Garrity, a Lock Haven girl, was operated on for appendicitis on Sunday and is improving rapidly.

—Alfred Liveright has been admitted to the practice of law in the courts of Clearfield county. He is a son of Henry Liveright, of Osceola Mills, and is said to be a very bright young man.

—The Ariel concert company gave a delightful entertainment at Garman's, on Friday night, for the benefit of the High school library fund. There was a fair house and a thoroughly appreciative.

—The Undine Fire Co. No. 2, will hold its annual Thanksgiving ball next Wednesday evening. You should not fail to be there as it is going to be the nicest dance the firemen have ever given.

—A Mill Hall man who was digging a foundation for a cellar in that place found a curio in the shape of an old piece of pottery the other day. It is 6 in x 3 in x 3 in and presents an appearance as if used as a crucible long ago.

—Mr. Shelley A. Reeser, the elocutionist will give an entertainment in the Presbyterian church at Milesburg, this evening. Mr. Reeser's readings before the W. C. T. U. in this place a week ago were said to have been highly entertaining.

—A. M. Cogan, of Port Matilda, is of the opinion that oil and coal both can be found in paying quantities in the vicinity of Port Matilda, Martha Furnace or Hannah. He has been prospecting on some land he owns near the former place and is encouraged by the indications.

The Thanksgiving Assembly at The Pennsylvania State College will be given Friday evening, November 30th. The class committee is composed of Messrs. D. L. Patterson, Jr., W. J. Moore, J. F. Rodgers, R. L. MacDonald, E. H. Harris, B. F. Williams and H. L. Wishart.

—Mrs. Harriet Bunce and her daughter Emma, were married at the same place, by the same person and at the same time, at Gearhartsville, Clearfield county, on Monday. John Roberts and Arthur Goodall were the benedictors who thus took the Bunce family into matrimony.

—This evening Bates' Humpty Dumpty company appears at Garman's. It is a laughable pantomime with plenty of clever acrobats and trick scenery. Though "Humpty Dumpty" is old on the stage it is still a delightful entertainment, especially for the little folks, when presented by a good company.

—Howard's new fire company had its first call for service last Thursday afternoon when a spark from a fire under a kettle set fire to some pine fagots piled against the kitchen of Mrs. H. C. Holter, in that place. The boys responded promptly and though the fire was under control before they were called their work was convincing proof of the good they may do in more disastrous conflagrations.

The venerable Miss Fannie Jacobs, who made her home with her niece Mrs. J. A. Aikens, at the corner of Bishop and Allegheny streets, died on Tuesday morning of ailments consequent on advanced age. She was a grand-daughter of Capt. Jacobs, of revolutionary fame, who settled in Juniata county, and had been living here for eleven years. Deceased was buried at Allenville, Mifflin county, yesterday afternoon, services having been held at the Aikens home here the previous day.

—On Monday night about 11 o'clock the smoke house attached to Seibler's slaughter house along the old dam flat was discovered to be on fire. People who live nearby promptly organized themselves into a bucket brigade and soon had the flames under control without turning in an alarm to the fire department. There is little doubt but that for the prompt work of the residents out there the slaughter house would have been burned. It was on fire several times, but was promptly wetted. The smoke house was considerably damaged.

**STATE DEFEATED BUCKNELL.**—On last Saturday the football elevens of The Pennsylvania State College and Bucknell University met at Williamsport and the former came off victorious after seventy minutes of play. Score: State 12, Bucknell 6.

From a disinterested standpoint the game was as fine an exhibition as could be wished for, but to the admirers of the blue and white it was a great disappointment. They fully expected to score twice as much as they did and would have done so had not their winning fast game been frustrated by Bucknell's having a man fight injury after every scrimmage. Bucknell was the heavier team by an average of nearly fifteen pounds, but would have been easy victims for State, notwithstanding, had it not been that there was repeated confusion on her line owing to a crossing of signs after Captain Fisher had once given them. This last many opportunities to score in the first half. Then when the ball was forced to Bucknell's fifteen yard line the signal was very foolishly given for Atherton to try a goal from the field, which he failed to make, and Bucknell procured the ball. Just what such an attempt should have been made for when State stood in no danger of losing the ball on downs is a wonder to all who saw the play. The half ended without a score for either side.

In the second half both teams took a brace and in less than five minutes after play had begun State had scored a touchdown from which a goal was kicked. It came Bucknell's turn then and she ran the score to a tie by making a touchdown and goal. State then made another, just before time was called and won the game. For her Suter, Robinson, McCaskey and Hoskins played superbly while McGargee and Wolf carried off the honors for Bucknell.

There were about 1500 people to witness the game, the crowd being extremely enthusiastic and scraps of frequent occurrence. A special train over the C. R. R. of Pa., carried the State College contingent to Williamsport, while the Lewisburg's, 300 strong, arrived via the P. R. R.

**THE NEW ARMORY TO BE DEDICATED NEXT MONTH.**—The new armory which will be the home of Co. B. 5th Reg. N. G. P. at the corner of Lamb and Spring streets, will be dedicated on Friday afternoon, December 14th. In the evening a grand military ball will conclude what is destined to be an eventful day in the social history of the regiment.

Invitations have been issued to Governor Pattison and staff, about twenty in number; Gen. Snowden, Gen. Wiley, Gen. Gordon and Gen. Shaw, all with staffs; Col. Theodore Burchfield and staff and all the line officers of the Fifth Regiment; Lieut. Paxson, of the 15th U. S. Infantry; Lieut. McCaskey, of the 21st U. S. Infantry, and a number of others. Most of them have already accepted and will make quite an assembly of military dignitaries. The 2nd Brigade band of Pittsburg will be here to furnish the music for the dedication and the ball.

Committees on finance, ball, reception and arrangements were appointed at a special meeting of the Co. Friday night. The latter being made up of Mrs. W. F. Reber, Mrs. W. F. Reeder and Miss Bess Muffley, Capt. W. F. Reber, Lieuts. W. F. Reeder and Gao. L. Jackson, C. W. Barkett, James Harris, Beverly Potter and G. W. Rees. This committee will have in charge the preparing and arranging the program for the entire day, the music, the refreshments, the issuing of the invitations for both dedicatory and ball. The ball will be given in military full dress, all privates and noncommissioned officers wearing the white duck trousers.

It is reported that Mrs. Gov. Pattison, Mrs. Gen. Greenland and Mrs. Gen. Wiley have already accepted invitations to act as patronesses.

**DELICIOUS BON BONS.**—On returning to our desk, Tuesday afternoon, we found a box of the most delicious candies lying here waiting for some one to devour them. On the top of the box was a card marked "with compliments of John D. Sourbeck." This explained everything and we fell to tasting the different kinds of chocolates, candied fruits, creams and other dainties it contained with a relish. They were all the product of Sourbeck's Bellefonte store and we venture the assertion that neither Huyler's nor Whitman's bon bons are any better than these were.

Have you been to Sourbeck's lately? Well now, if you haven't why just drop in the read see what a fine looking store it is. Mr. Sourbeck has employed a professional candy maker of many years' experience and every day a fine lot of fresh dainties is turned out. A visit to the place will surprise you.

**BARN BURNED AT MILESBURG.**—In some unknown way the barn at the rear of Kohlsbecker's hotel in Central City, Milesburg, caught fire on Saturday night and burned to the ground. All the stock and vehicles in the barn were gotten out, but twelve tons of hay and at least eighty bushels of corn and oats were burned. There was no insurance.

**THE MINERS WILL NOT STRIKE.**—The miners of the DuBoise and Reynoldsville region held a mass meeting at the latter place last Friday night to decide whether they would accept the reduction in the tonnage price of mining coal. The Bell, Lewis & Yates Co., large operators, had posted a notice that they proposed reducing the price for mining from 40c to 35c per ton, making a corresponding reduction in wages for all other work. The miners appointed delegates who decided to report to the mass meeting in favor of accepting the reduction. This was done and the meeting ratified the report. They determined to accept the cut for the time being.

It is altogether probable that trouble will arise ere long in the coal fields.
