

Speedy Termination of Strike Expected.

PITTSBURG, January 16.—Following the acceptance of the tin workers' compromise wage scale by the Cuzco practical Tin Plate company, several other manufacturers have notified President Garland, of the Amalgamated Association, that upon receipt of the new scale they will sign the wage agreement and resume operations at their plant. Mr. Garland expects a speedy termination of the strike at the terms acceptable to both sides of the question.

Two Persons Burned to Death.

UNIONTOWN, Pa., January 16.—Last night Sarah Folan, a domestic employed by Mrs. Ellis Bailey, tripped and fell down stairs while carrying a lighted lamp. An explosion followed and the girl was horribly burned, dying two hours later. At the house of George Todd, near Greensburg, last evening Samuel Todd, aged 5 years, was burned to death by his clothing igniting from a grate fire. Mrs. Todd was badly burned trying to save her child.

Books, Magazines Etc.

Unlike too many periodicals which seem to exhaust themselves with their Christmas issue, *The Art Amateur*, maintaining its steady level of excellence, opens the new year with every indication that during the 1895 the artist, art student, and art lover will find as useful a teacher as ever in this always practical magazine. Eight pages of practical and not too difficult working designs as usual are given for Wood-Carving, Embroidery, China and Glass Painting, Pyrography, etc., with practical articles on "Drawing for Reproduction," "Drapery upon the Human Figure," "Pen Work for Photo Engraving," "Flower Drawing in Pen-and-Ink," "Flower Painting," "The Value of Criticism," "Figure Painting," "Designing for Lithographers," "The Abuse of Color," "Glass Painting in Vitrifiable Colors," numerous articles on China Painting, "Painting on Tapestry Canvas," "Hints for Amateur Metal-Workers," "The Care and Framing of Pictures," "A Mother's Bed-room," "Notes and Hints for Art Workers," "A Useful Book Case," and "Talks on Embroidery." All these articles are practically illustrated. Price 35 cents. Montague Marks, Publisher, 23 Union Square, New York.

Killed by an Explosion.

The Entire Fire Department of Butte, Mont., Wiped Out While Fighting a Fire.

BUTTE, MONT., January 15.—A fire occurred in Butte Hardware Company's warehouse to-day, in which a giant powder was stored.

The Fire Department were at work on the fire when an explosion took place, killing a number of people.

While efforts were being made to remove the dead and wounded a second explosion occurred.

The entire Fire Department was wiped out, including the chief and all the horses.

Three policemen were among the killed, who number at least seventy-five. Plate glass was broken all over the city, and the damage to property is enormous.

It is impossible to get details at present. All the ambulances are rushing to and from the scene of the explosion.

The relatives of the killed are frantic and the city is in consternation.

The powder in the warehouse was in violation of law. It was the greatest explosion in the history of the West.

Some Senators Chosen.

DOVER, Del., January 16.—The vote in the assembly to-day for United States Senator showed no change from yesterday's. The Higgin's and Addick's men are still dead locked.

AUGUSTA, Me., January 16.—The election of William P. Frye to the United States senate was formally announced in joint session of the legislature to-day.

BOSTON, Mass., January 16.—In joint session of legislative bodies this afternoon George F. Hoar was declared elected United States senator to succeed himself.

DENVER, Col., January 16.—The house and senate met in joint session at noon to-day and re-elected Edward O. Wolcott to be United States Senator.

HELENA, Mont., January 16.—Lee Mantle, of Butte, and T. H. Carter, of Helena, were to-day elected United States senators in joint assembly. Both are Republicans. Mantle gets the short term and Carter gets the long one.

Where There is Much Destitution.

St. JOHN'S, N. F., January 13.—The officers of the mail steamer, Virginia Lake which arrived here to-day, report intense destitution along the northern coast of Newfoundland. The steamer recently carried five hundred barrels of flour to the north for distribution among the needy families, but as this amount is totally inadequate to meet the wide spread starvation existing there, the government will dispatch her off again to-morrow with another supply, this being the last opportunity for sending relief to the inhabitants of these parts until next April. From now until then they will have to support themselves as best they can.

A Case of Dyspepsia of 25 Years Standing

Cured by Dr. Salm.
For 25 years or more my hearing has been bad. My left ear almost deaf. I have been under Dr. Salm's treatment for the past 5 months, and my hearing has been very greatly improved, in fact the change has been remarkable. I am still under treatment, and hope for an entire cure.

ISAAC PIERSON,
Bedford, Pa.
Sept. 19, 1894.

On account of the very vague explanation of the above, I give the history of the case in detail.

About 30 years ago, Mr. Pierson, on account of Catarrh, became so hard of hearing in his left ear, that the same might not have been there at all, for the actual services it did him. The right one for the last 25 years became worse and worse, and it took some very loud talking for him to understand you. Now after 30 years, common conversation and an even whisper again, and his right ear is almost as good as any good ear might be. Friends who have known him will testify to the correctness of my statement.

DR. M. SALM.

It is simply enormous.

For 5 years I have had kidney, stomach, and liver trouble. The fearful pains in my back and bladder, I had during that time, most often wish for death. I could hardly work, sleep, nor rest and had to go out regularly every night four or five times, as they could hardly eat, and when I tried a little of something it made me ill, and after 4 of our best physicians had failed to cure me, I thought it was about time to die. Some of my friends however, advised me to go to Dr. Salm, who had performed so many wonderful cures in this country. After I had taken his treatment 4 days, I found it did me some good. I have taken his treatment now for 6 months, and I enjoy life more now, and I would advise all of my friends to go to this eminent doctor, to get cured, after other physicians fail.

Yours gratefully
Somerset, Pa. ELIAS ZERFOS

Given Eye-sight and Relieved of Pain After 20 Years Suffering by Dr. Salm.

For over 12 years my eye-lashes had been turning in, and consequently they rubbed on the eye-ball, keeping the same always inflamed and very painful. In order to have a little relief, I had to have the eye-lashes pulled out every few days. As the result of all this, my left eye went totally blind, and the right one was going the same way rapidly. I put myself under the care of Dr. Salm, and to day I am happy to state that I am not troubled any more with the lashes, as they grow in their normal direction, and the sight of the right eye has improved to a great extent. I am wonderfully cured.

Catarrh and Lung Trouble Cured by Dr. Salm.

For nearly 5 years I have had a bad case of lung trouble and catarrh. I was treated by 3 of our best physicians but gradually grew worse and worse, until I was recommended to try Dr. Salm, by one of his patients whom he had cured of a similar trouble. I despaired of ever getting well again. I felt so badly. To-day I am thankful that I put myself under the Dr. Salm's treatment, for I can enjoy life again with pleasure, and am glad that I am cured.
