#### A Letter From Starving Nebraska.

[We take the liberty of publishing the following letter, inasmuch as it comes from a resident of a State which is just now being looked to with sympathy from all parts of the country. Starving Nebraska.—Ed.]

Grand Island, Nebraska, Jan. 19, 1895.

EDITOR DEMOCRATIC VEATCHMAN: Dear Sir-Inclosed please find money order for which amount give me credit on my subscription to the WATCHMAN, for we can't think of being without your valuable paper. Although the times are hard we are looking forward to their early improvement. The very low prices that our grain has brought has led us to inquire of the Republicans for the cause. They promised us better prices after their victory but we haven't gotten them yet.

The cry for the past three years has been of fover-production." We don't hear much of it this winter in Nebraska, we are all consuming our surplus and such farmers as had no grain in reserve are in a very bad way, especially those who live in the western part of the State and in the newly settled districts, where they have not had time to accumulate anything. In Hall county there are some renters who came here with nothing but a team and did not raise a crop, consequently they are in a destitute condition. Though some are receiving aid from the various charitable organizations which are doing wonderful good here.

The causes of the crop failure in this State have been drought, frost and the hot wave that struck us just when the corn was in blossom and scorched the pollen so much that it did not ear at all. The harvester, threshing machine and corn sheller have all been si lent; the toot of the little iron horse drawing the threshing outfit from barn to barn has no been heard as in other seasons and instead of hearing the rattle of the corn sheller on a cool frosty morning you can hear the squeal of a starving pig, or the saddening moo of the gen-tle eyed cow that must die because she has nothing to eat. The poor dumb animals, too, doubtless wonder why in this supposed land of plenty they are left to starve and possibly in their dumb submission blame it on the

party in power. The winter has been very mild so far with no snow. Cattle and horses have "rusled" on the prairies. Although the grass was short it cured on the stalk and is very good feed and as long as the snow keeps off the stock will survive, wherever they can get it.

We are all expecting a bountiful harvest next year from the fact that everything has had a rest, and since 1894, was a continual Sabbath for Nebraska we are all waiting for the Spring to come to begin anew, though it looks as if corn planting is to be an infant industry out here and will need protection. Yours very truly,

#### W. H. HOUSER. Ex-Governor Pattison Accepts.

PHILADELPHIA, Jan. 23 .- In accepting the Democratic nomination for mayor of Philadelphia ex-Governor Robert E. Pattison calls attention to the fact that the "entire expenses o the state of Pennsylvania aggregate \$12,000,000 annually, while the expenses of this city for 1894 were \$32-, 190,000, an average of \$150 tor each voter, for which no adequate return has been received." He pledges himself it elected to oppose the granting of municipal privileges and franchises, and demands a strict accounting from all departments.

#### Terrible Earthquakes.

One Hundred Women Killed in One Bunch.

London, Jan. 20 .- The Times correspondent in Tehren, Persia, telegraphs under yesterday's date: The city of Kuchan, which an earthquake destroyed fourteen months ago, and which was immediately rebuilt was again destroyed on January 17. Many were killed. A hundred women were crushed in

one batch. The extent of the damage and the number of deaths are unknown as yet. The bitterest cold increases the suffer-Four distinct shocks were felt in Meshed in the last three days, but no damage was done."

#### Has a Faithful Sweetheart.

WILKESBARRE, Pa, Jan. 23 .- The old saying, that "The most worthless man often has the most faithful sweetheart," has just been exemplified in this At the last term of court in this city. At the last term of court in this city William P. Bowman, a young man, was convicted of the murder of an Arabian peddler. During the trial be was constantly attended by Miss Florence Hoffman, his sweetheart. Bowman's attorneys are now endeavoring to secure him a new trial. As the prisoner is without money, Miss Hoffman has disposed of all her personal property, dresses, cloaks, jewelry, etc., to provide the necessary funds.

Case of Dyspepsia of 25 Years Standing Cured by Dr. Salm.

For 25 years or more my hearing has been bad. My left ear almost deaf. I have been under Dr. Salm's treatment for the past 5 months, and my hearing has been very greatly improved, in fact the change has been remarkable. I am still under treatment, and hope for an entire cure.

Bedford, Pa.

Isaac Pierson. Sept., 19, 1894. On account of the very vague explanation of the above, I give the history of the case in

of the above, 18 detail.

About 30 years ago, Mr. Pierson, on account of Catarrh, became so hard of hearing in his left ear, that the same might not have been there at all, for the actual services it did him. The right one for the last 25 years became worse and worse, and it took some very loud talking for him to understand you. Now, after 5 months treatment, he can again hear ter 5 months treatment, he can again hea with the totally useless ear, so to say deaf fo with the totally useless ear, so by day day. So years, common conversation and even whispers again, and his right ear is almost as good as any good ear might be. Friends who have known him will testify to the correctness of my statement

Dr. M. Salm.

Felt like Dying Rather than to Stand the Agony Much Longer, but was Cured by Dr. Salm.

For 5 years I have had kidney, stomach, and liver trouble. The fearful pains in my back and bladder, I had during that time, made me often wish for death. I could hardly work, sleep, nor rest and had to go out regularly every night four or five times to void urin. Could hardly eat, and when I tried a little of something it made me ill, and after 4 of our best physicians had failed to cure me, I thought it was about time to die. Some of my friends however, advised me to go to Dr. Salm, who had performed so many wonderful cures in this country. After I had taken his treatment 4 days, I found it did me some good. I have taken his treatment now for 6 months, and I enjoy life once more, and I would a tyise all of my friends to go to this eminent doctor, to get cured, after other physicians fail.

Yours gratefully

Given Eye-sight and Relieved of Pain After 20
Years Suffering by Dr. Salm.

For over 12 years my eye-lashes have been turning in, and consequently they rubbed on the eye-ball, keeping the same always inflamed and very painful. In order to have a little relief, I had to have the eye-lashes pulled out every few days. As the result of all this, my left eye went totally blind, and the right one was going the same way rapidly. I put myself under the care of Dr. Salm, and to day I am happy to state that I am not troubled any more with the lashes, as they grow in their normal direction, and the sight of the right eye has improved to a great extent. I am wonderfully cured.

For nearly 5 years I have had a bad case of lung trouble and catarrh. I was treated by 3 of our best physicians but gradually grew worse and worse, until I was recommended to try Dr. Salm, by one of his patients whom he had cured of a similar trouble. I despaired of ever getting well again, I felt so badly. Today I am thankful that I put myself under the Drs. treatment, for I can enjoy life again with pleasure, and am glad that I am cured.
