

MARRIAGE LICENCES.—Issued during the past week taken from the docket. James McDermott, of Clearfield, and Anna C. Johnson, of South Philipsburg.

W. F. Harrison and Catharine Ross, both of Pleasant Gap.

THE INCOME TAX LEVY.—Deputy revenue collector, John F. Brosius, of Lock Haven, has sent out the following circular concerning the levying of the new income tax. As the tax won't affect us we are not much worried about it, but many of our readers will doubtless come under its requirements.

Taxes on incomes received from January 1st, 1894, to December 31st, 1895, inclusive, under the provisions of the Act of Congress, in effect August 28, 1894, there shall be assessed, collected and paid upon the gains, profits and incomes, received from all sources in the calendar year ending December 31st, 1894, by every citizen of the United States, whether resident at home or abroad, and from every person residing in the United States a tax of two per centum on the amount so received over and above \$4,000.00. There shall also be assessed collected and paid a tax of two per centum on all the net profits or incomes, for the said calendar year, above actual operating and business expenses, of all corporations, associations, etc., doing business for profit in the United States.

Returns to be made to collectors on or before the first day of March 1895. Penalty of 50 per cent added for returns made after the first day of March 1895. Blanks for making said returns can be obtained from John F. Brosius, Deputy Collector, at No. 211 Water street, Lock Haven, Pa., by mail or otherwise, or by addressing Grant Herring Collector of internal revenue, at Scranton, Pa. Unless returns are made before the first day of March 1895, the penalty will be assessed. Taxes due and payable on or before July 1st, 1895. Full instructions for making out the blank forms or returns are printed on blank forms.

Miss Anna E. Clemson sister of the venerable A. E. Clemson is seriously ill with pneumonia at his home at Valleyville.

Mrs. George Eckel, who has been quite ill for some months with inflammation of the bowels, is getting better slowly and it is hoped surely.

Masters Claud Aikens and Lesley Krebs, whose lives were despaired of a few days ago, on account of a complication of pneumonia and whooping cough are both now on a fair way to recovery.

Major J. N. Everts proprietor of the Hazlett hotel Spruce Creek was the guest of J. B. Ard. The Major intends quitting the hotel business at Spruce Creek he expects to return to Centre county and go into business at State College.

Mrs. Sarah Homan widow of the late John Homan is suffering from an attack of paralysis which effected her tongue and limbs. She is visiting her son-in-law Jacob Ketch near Rock Spring, where she is being well cared for.

Last Friday p. m. during the great storm the dwelling house of Moore Hewitt near Mooresville with most of its contents went up in flames. Some of the family took shelter in the barn that night, and his daughter Mary just blooming into womanhood had both her limbs frozen so that they had to be amputated at the knees.

Our oldest citizens freely acknowledge that last weeks blizzard goes ahead of anything they ever witnessed or experienced. Many people narrowly escaped freezing. For seven days our town "blads" have spent their time carrying water, hunting feed and flour, which was no easy task for the mill and all the freight trains were frozen up, and shoveling paths. Sheriff Eckley enlisted a shovel brigade and by his skillful manipulations succeeded in digging a way that traveling through the fields is possible.

Snow banks mountain high give added weight to the ground hogs, weather prediction. Seven days is probably the longest time that this town has ever been shut off from communication from the outside world. Even when the old four horse stage coach carried the mails from Lewisburg to Spruce Creek, then everybody in town carried water from the well with "the old oaken bucket which was directly in front of the present Presbyterian parsonage." The post office across the street, where Dr. Wood's office now is, distributed the mail twice a week for snow or shine the coaches came that often.

DEATH OF THE VENERABLE JOHN SUNDAY.—Through a private letter we were apprised of the death of John Sunday, which occurred near Berrien Springs, Mich. Jan. 23th, Mr. Sunday, a former Centre countyman, was born in Potter township June 15th 1819, he came to this township in 1863 and farmed the now C. B. Hess farm at Tadpole. In 1869 he took Greely's advice and went West locating in Berrien Co., Mich., where he became a prominent and well-to-do citizen and better still was respected and loved by all his neighbors. He was known as honest John Sunday and his word was as good as his note. In 1841 he married Miss Sarah Bringer of Union county, to whom was born 3 sons and two daughters. His wife, Emanuel of this township, Mrs. Ephraim Gates and Mrs. Jacob Gephart lament the death of this old father in Israel. He was a life long member of the Evangelical church, and in his dying hour, told those about his bedside, the saving power of God's grace. He was exceptionally kind and generous and no one ever enjoyed his great hospitality without feeling perfectly welcome to do so again. Politically he was a Democrat without deceit or guile.

**Books, Magazines Etc.**

Reference has been frequently made to the enterprise and excellence of The Pittsburgh Times as a newspaper. Just at this time another feature worthy of mention is noticed. That is the consistency of The Times in adhering to its policy of giving all the news in concise form. The American people are so busy that it is an imposition to ask them to wade through a column article when all the facts may be given in a few lines. When you get The Pittsburgh Times, you find all the news of the world in such form that the busiest man can keep fully informed concerning the events of the day. If you are not now a reader, subscribe at once. The cost is only one cent a day; sample copies free.

UNSOLICITED TESTIMONIALS

Given Eye Sight and Relief of Pain After 20 Years Suffering by Dr. Salm.

For over twenty years my eye-lashes have been turning in, and coming very rubbed on the eye-ball, keeping the same always inflamed and very painful. In order to have a little relief, I had to have the eye-lashes pulled out every few days. As the result of all this, my left eye went totally blind, and the right one was going the same way very rapidly. I put myself under the care of Dr. Salm, and to-day I am happy to state that I am not troubled any more with the lashes, as they grow in their normal direction, and the sight of the right eye has improved to a great extent. I am wonderfully cured.

Coburn, Centre Co., Pa. JACOB EMBRECK. After Having Tried Five Different Doctors and a Wagon-Load of Different Patent Medicines, I Grew Worse and Worse, and was at Last Cured by Dr. Salm.

For more than 8 years I was troubled with Dyspepsia and Intestinal Indigestion, I suffered untold agonies; only ate enough to keep me alive, and toward the last I could not keep on my feet any more. During all this time I must have taken a wagon-load of different patent medicines and tried of our different doctors in the county, but grew worse and worse. None of them made the correct diagnosis, until I went to Dr. Salm at Tyrone. He told me at once what ailed me, and he was correct, for to-day I feel like a new woman. Mrs. CARRIE PEHRIT, Sandy Ridge, Centre Co., Pa.

Once More Hale and Hearty For more than 5 years I have had a bad eye trouble, etc., miserable case of Dyspepsia, felt generally very bad, became very thin and pale and never had any appetite. But now, after only a few months treatment with Dr. Salm, I have gained very much in flesh, my Dyspepsia is cured, and my eyes are as well as anyone's, and I consider myself, thanks to the good Doctor, once more hale and hearty.

Snow Shoe, Centre Co., Pa. MISS KELSEY, Attested by her Mother. SARAH KELSEY. Suffered Untold Agonies for 15 Years—Tried 7 Different Doctors But Grew Worse.

For the last fifteen years I have been suffering very much; have been treated by seven different doctors. Nearly all of them gave me ailment a different name and gave me medicine accordingly. The result was that I became worse and worse until at last I went to Dr. Salm, who pronounced my disease to be of the bladder, kidneys and stomach, and treated me accordingly with the most splendid result. He has done me more good in one month than all the others in fifteen years, and I feel once more like I did sixteen years ago; no feeling of tiredness and fatigue as heretofore, I can do my work and enjoy it; that was an impossibility heretofore.

Milesburg, Centre Co., Pa. MRS. NETTIE POORMAN. Ailed for Twelve Years, and, Though Seven Different Doctors Failed, Dr. Salm Cured Me.

For more than twelve years I suffered tortures with liver, stomach and kidney trouble. Occasionally I had to go to bed for a week at a time, and was unable to work for years; but now, after only a few months treatment with Dr. Salm I feel better than I ever did before. I used piles of patent medicines, and had seven different physicians, but gradually grew worse. However, since I put myself under Dr. Salm's treatment I improved gradually, and now can do good a day's work as any one. I can certainly recommend the Doctor to those suffering from chronic diseases of any kind.

J. A. GRAMLEY, D. S. Rebersburg, Centre Co., Pa. Offense Small of Catarrh of 8 Years Standing Cured by Dr. Salm.

Our little daughter Katie has had a bad case of Catarrh for more than 8 years; her breath was something terrible, and her general health was very much undermined; but now, after a course of treatment with Dr. Salm, we consider her entirely cured.

Nittany, Centre Co., Pa. MRS. ALICE ROBB. Diseases of woman, such as have baffled the skill of other physicians and remedies, quickly cured. Cancers, tumor, fibroid, and poly-poid growths cured without the use of the knife or caustics. No cutting, no pain, no danger. Manhood perfectly restored. Quick, painless and certain for impotence, loss of manhood, spermatorrhea, loss of strength and nervous debility, also for postititis, varicocele, and private diseases; whether from imprudent habits of youth, or sexual functions, speedily and permanently cured. New method Electrolysis. Epilepsy or fits scientifically treated and positively cured by a never failing method. Examination and consultation free to everybody. All eye operations successfully performed. Address all communications to Box 760, Columbus, Ohio.
