

THE INTER-COLLEGIATE SPORTS AT STATE COLLEGE.—Flaming red posters, plenty of newspaper notoriety and fine weather attracted about six hundred people to Beaver field, State College, last Saturday afternoon, to see the athletes from three colleges compete in the State Inter-Collegiate games. The weather was just a trifle too cool to be pleasant and for much comfort for the contestants.

Notwithstanding the advertisement of entries from as many more institutions as materialized only two colleges sent representatives, viz.: Lafayette and Swarthmore who, with State's men, completed the list of entries. The events were contested as follows:

100 yards dash—Won by S. C. Palmer, Swarthmore. Time, 16 1/4 seconds. Second, W. Mattison, Swarthmore; third, G. O. Barclay, Lafayette.

120 yards hurdle—Won by W. Brookes, Swarthmore. Time, 18 1/4 seconds. Second, A. Scott, Swarthmore; third, E. P. Harder, State.

Two-mile bicycle—Won by R. Manley, Swarthmore. Time, 5.48. Second, W. Ewing, State; third, C. Sprecher, State.

40 yards dash—First, J. Clark, Lafayette. Time, 5 3/4. Second, C. G. Hodge, Swarthmore; third, T. R. Gleim, Swarthmore.

Half-mile run—First, J. D. Clark, Lafayette. Time, 2:10 3/4. Second, W. Clothier, Swarthmore; third, T. Kaiser, State.

220 yards dash—First, G. O. Barclay, Lafayette. Time, 2 3/4. Second, S. C. Palmer, Swarthmore; third, M. P. Sullivan, Swarthmore.

Throwing hammer—First, B. Clark, Swarthmore. Distance, 114 feet, 1 inch. Second, C. R. Rhinehart, Lafayette; third, B. F. Fisher, State.

Putting shot—First, C. R. Rhinehart, Lafayette. Distance, 35 feet 5 in. Second, B. F. Fisher, State; third, E. Raw, State.

Running high jump—First, E. P. Harder, State. Height, 5 feet 7 1/2 in. Second, F. I. Thomas, Swarthmore; third, W. Curtis, Swarthmore.

Pole vault—First, W. W. Curtis, Swarthmore. Height, 10 feet 4 1/2 in. Second, W. S. Brooke, Swarthmore; third, C. M. Thompson, State.

Running broad jump—First, S. C. Palmer, Swarthmore. Distance, 19 feet. Second, F. L. Thomas, Swarthmore; third, T. R. Cummins, State.

220 yards hurdle—First, S. C. Palmer, Swarthmore. Time, 28 3/4. Second, A. Scott, Swarthmore; third, D. Conrad, State.

One-mile walk—First, P. Farrah, Swarthmore. Time, 8:03 1/2. Second, H. P. F. Rice, State; third, H. Brown, Swarthmore.

One-mile run—First, L. Clothier, Swarthmore. Time, 5:19 3/4. Second, F. Kaiser, State; third, W. Clothier, Swarthmore.

Swarthmore won 68 points, Lafayette 23 and State gracefully brought up the rear with 21.

The surprise of the day was the performance of Lafayette's representatives, Clarke, Barclay and Rhinehart, each of whom took a first and several seconds. They were trained for the events for which they were entered and went in to win them.

During the afternoon the State College band entertained the people with some choice music.

Possibly the best result of persistent training was seen in the performance of Mr. E. P. Harder, State's high jumper. Last year he won out by clearing 5 ft. 1 1/2 in. While his jump on Saturday gave him a record of 5 ft. 7 1/2 in.

It is thought that the State Inter-Collegiate Association has had its last meet. Its dissolution has been predicted by knowing ones, because most of its members have withdrawn and State and Swarthmore do not feel inclined to hold it together.

The poor showing of the college athletes on Saturday is explained by some as having been the result of a recent ruction in which trainer Hoskins figured.

Lack of student support has forced manager Greer of the base ball club to postpone several games on the home grounds recently.

The cadet corps has been invited to participate in the Bellefonte Centennial celebration ceremonies. It is not known whether the invitation will be accepted.

Out of a total of five Lock Haven boys who will prepare for college this summer, three intend entering at State in the fall.

The Junior engineers were in Bellefonte Monday, under charge of Prof. H. H. Stock, looking over the mines and furnace of the Valentine iron company.

The College Preps will play the Normal school ball team at Lock Haven to-morrow.

### Pine Grove Mention

Owing to the freezing weather many of our forenoon farmers are replanting their corn fields.

It is surprising to hear the great amount of business (?) our people are obliged to transact at the county seat on the 28th inst.

Mr. Levi Krebs has just received and set out six hundred choice peach trees. The continued frosts have caused them with other fruit and vegetation to have a droopy appearance.

Dr. A. R. Markle one of Tyrone's prominent men spent last Sunday with his venerable parents in this place. While here he was sizing up some of the blooded stock of which he is a great lover.

Last week, J. W. Miller, one of the P. E. R. company's standbys in the Mountain City, laid by the cares of the shop to superintend the erection of a beautiful monument to the memory of his parents James and Mary Miller in the Pine Grove cemetery.

O. F. Show has set aside his weavers-loom and is now located at Penna. State College, where he has engaged in the

ery business. We cheerfully commend Mr. Show and his excellent wife to our neighboring townsmen and hope the duceats will roll in rapidly.

Miss Jennie Yarnell, came home a day too late for her mothers funeral. During the winter she was engaged as a typewriter, but had just opened summer school when the sad message reached her. At her fathers urgent request she will remain at home to take charge of the house.

We are exceedingly sorry to note the illness of grandmother Housman. While walking across the room she fell, dislocating her left shoulder and breaking her collar-bone beside doing other injury to herself. Owing to her great age she is bearing her afflictions remarkably well and her recovery is hoped for.

Those who have friends buried in the Pine Grove cemetery are cordially invited to come next Tuesday with their trowels, grubbing hoes and spades to clean up the grave yard so that it may present a decent appearance on Memorial day and so that one may visit the "silent city of the dead" without being covered with burrs and briars.

Miss Alice Royer, who, in the early part of April, was taken to the Pennsylvania hospital in Philadelphia to have a surgical operation returned to her home last week sound and well. She was delighted with the courtesy shown her by the officials and the kindness she received at the hands of the nurses of the institution, which she speaks of in the highest terms.

Miss Minnie Kline, who has been an invalid for four years with spinal trouble, is showing some signs of improvement. For weeks her condition was not at all encouraging but now the doctors at the Presbyterian hospital in Philadelphia, where she has been since the first of Feb. have decided that she must remain where she is for several months as she is able to be propped up in bed.

Last week John Musser and family moved into their new home on Main street and on Thursday of this week P. F. Bortor and wife will leave their home on the Branch to occupy the Geo. Ard mansion on Main street. Mrs. Bortor is so much better that she is able to oversee her household duties.

To both of these retired farmers we extend a cordial welcome to our town and sincerely hope that they will be quiet law abiding citizens.

Last Saturday the industrious members of the Fairbrook M. E. congregation rolled up their sleeves and organized themselves into a regular scrubbing and whitening club, marshalled by ex-Commissioner Campbell. The new fence that encloses Meeks burying ground has been beautified by whitewash but with all the brier digging and the cleaning up the improvements do in no way make up for the magnificent old oaks which were the chief beauty of the place. We have been asked a number of times by whose authority were they cut down or why did the owner of the property allow it? It does seem too bad that our people do not realize the need and necessity of trees for every stranger that comes into the community remarks about the way the trees are disappearing and the barren and bare appearance of the country in consequence.
