

**Pine Grove Mention.**

Mrs. Confer, of Milesburg, a well preserved old lady for one of her years, is this week visiting her daughter Mrs. D. C. Krebs.

Mr. and Mrs. D. G. Meek and Mr. and Mrs. Charley Smith leave Monday for Newton Hamilton, where they have camped for several years.

Grandmother Lutz, of Bellefonte, to whom our farmer friend Fred Meyers is still indebted for a good wife, is now visiting in this part of the county.

Mrs. Cyrus Goss, of Altoona, is at present visiting her mother on Water street, before going home she expects to visit Boalsburg, Centre Hall and Bellefonte friends.

The two Misses Myers, Mary and Edna, are paying their yearly visit to their uncle W. J. Myers. They are having a social good time with associates formed before moving to Alexandria.

Saturday August 17th the Reformed and Lutheran Sunday schools of Pine Hall will hold an all day picnic and festival on the old picnic grounds. Brocny speeches good music and everybody is invited to come, listen, eat and be merry.

Last Saturday Mr. Oscar Heckman accompanied by his best girl came up from Spring Mills to let Mr. and Mrs. Bloom see just how well they did look in a bran new road wagon behind a splendid bay Morgan stepper. We wouldn't be surprised they would call it a go.

Last Saturday a telegram was received from Potlers Mills announcing the serious illness of H. R. Smith at that place. He is suffering from a second stroke of paralysis; but it is sincerely hoped that he may recover sufficiently to be brought to his home on Main street, in this place.

Messrs Mattern and Hutchison, two of Altoona's hustling business men, circulated among old acquaintances this week. While here they were the guests of ex-post master Heberling. Had they been here earlier in the campaign we would have listed them in the "Hog Combine," but they are for Matt. now since he is sure of winning.

Prof. G. W. Weaver principal of the Curwensville high school and Clearfield county's next superintendent, with his estimable wife, took the advantage of the cool wave last week and drove over the towering Alleghenies for a few days off. While here he was especially interested in the crops and blooded stock of which he is a great admirer and somewhat of a breeder in Jersey and Guernsey breeds.

Miss Emma Shultz, of Missouri, last week, in company with Miss Hunter of State College paid a brief visit to the home of her youth. While here they were entertained at the home of Mr. J. B. Mitchell. The lady found but few of her old acquaintances of forty years ago. Her father Samuel Shultz was a prominent merchant lived in and owned the W. J. Myers property. He kept store on the front corner and was post master many years ago.

A former Pine Grove girl Mary Sample, now Mrs. John Fleming, of Connelville came up from Harrisburg this week where she was visiting her cousin Mrs. D. H. Hastings. Mrs. Fleming is just as gracious and pleasant as ever and is the very picture of health. Wednesday Mrs. John G. Bailey gave a tea in her honor and a number of social gatherings have been arranged so that she may meet as many friends and relatives as possible during her stay.

Dr. Ira C. Ward, of Chicago, more familiarly known as Tod in company with his big brother Dr. Ed, of Bellefonte spent Sunday under the old parental roof. The visit was a surprise and was doubly appreciated as his venerable father, Joseph Ward, was suffering with sciatica and heart trouble until the family are much alarmed. We are glad to know that Tod has met with success and that his work in his dental rooms in the Windy City brings in not only money but commendation.

Last Sunday a crowd of people attended the Harvest Home services at the Lutheran church at Pine Hall. Indeed so many attended that there were enough to have had a bush meeting of those who could not get into the church. The pulpit was covered and banked with sheaves of all kind of grain, fruit and flowers. The program consisting of responsive reading, recitations and music was carried out to the letter and reflected much credit on Rev. Aikens and his committee whose untiring efforts made the service a complete success.

On the evening of Aug. the 1st a most enjoyable lawn party was given at the home of Michael Hess, our next county commissioner. Early in the evening a stream of carriages and buggies were seen going toward that notable and his- torical spot known as Shingletown. Once there it did not require hand boards to point out farmer Hess' broad acres and hospitable home, where every comfort was in readiness for the guests. A complete program of amusements was carried out and no feature of the evening was more appreciated than the excellent refreshments that were served so abundantly. The guests, who feared the moon's rays and the dew gathered around Michael and thoroughly enjoyed the reminiscences of his youth and the yarns he told for their entertainment. The evening was so enjoyable that every one of the guests were most reluctant to leave.

**DEATH OF MRS. MARKLE.**—On Friday Aug., the 2nd the death of Mrs. Eve Markle, who was known to many of our people occurred at her home near Roopsburg, in the ninety sixth year of her age. Until recently she had been able to thread a needle and do light house work but recently she had suffered from dropsy and her death was not unexpected on account of her age. Grandmother Markle was born of German parentage in York county 96 years ago. Sixty-six years ago she moved with her husband John Markle, her six sons and two daughters to Boalsburg and afterward to this town, where her husband died in 1874. He was a stone mason and will be remembered as an expert oven builder. After his death she moved her home with her son John near Roopsburg. For eighty-two years she was a faithful member of the Lutheran church and she will ever be remembered as a kind good woman. Of her eight children four are living. Jacob of this place, Samuel near Bellefonte, Mrs. Rebecca, wife of W. Henry Kustaborder of Kansas and John of Roopsburg. On Saturday she was brought to this place and buried from the Presbyterian church. Rev. E. Hoshour of the Bellefonte Lutheran church officiating.

**THE SCOTIA PICNIC.**—Evidently our Scotia neighbors consulted the weather bureau for they had a perfect day for their picnic as well as a big crowd. The works were all closed for the occasion and the town was well decorated with flags and bunting for the welcoming of the people who were in full possession of the town by ten o'clock.

Under the auspices of the P. S. of A., the parade was formed with Stewart Heberling, on a prancing steed as marshal of the day. And although he got along splendidly no one took him for a West Pointer. The first halt was made and a square formed around hundred foot flag pole, on the top of which the national emblem was seen to float. After the flag was raised, the Scotia band played the Washington Post-march and three good hearty cheers were given for old Glory. The column moved on to the Park a mile distant. On the way W. F. Heberling, the old veteran, who was not able to join the ranks, was seen standing in his doorway in full G. A. R. attire with his musket, cartridge box and an old WATCHMAN across the threshold typifying indeed the faithful alert watchman. The grand stand at the Park was reached just at noon. Rev. Sarvis offered a prayer, the program for the afternoon was read and a grand rush was made for dinner. The P. S. of A. and the J. U. A. M. were so hospitable that many of the visitors, baskets were not unpacked.

Rev. Sarvis was the first speaker on the program. His address was a brief history of the P. S. of A. and the J. U. A. M. both of which he urged to stand side by side in protecting and honoring the old flag which had never been trampled in the dust. Rev. Young, who came second on the program, gave an excellent talk to the young people on the need of knowing how and being willing to work as well as to join organizations. Rev. Ott, who followed took up the same theme and especially urged his hearers to be faithful to the laws and institution of the country. Rev. Singer added some good words of advice and Deacon Lever, the last on the list, warmed up on the subject until we almost heard the eagle scream. The band played some good music and everybody enjoyed the fantasies led by J. C. Johnstonbaugh.

Many of the younger people staid for supper and took in the dance; but the older people had had so many good things during the day that they could digest no more and therefore they did not stay for the festival, which brought into the P. S. of A. treasury a very nice sum to start the organization.

**Investments.** ON SMALL INVESTMENTS.

Returning prosperity will make many rich, but nowhere can they make so much within short time as by successful Speculation in Grain, Provisions and Stock.

FOR EACH DOLLAR INVESTED can be made by our SYSTEMATIC PLAN OF SPECULATION

originated by us. All successful speculators operate on a regular system. It is a well-known fact there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 to \$100,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers, ALL FREE. Our Manual explains margin trading fully. Highest references in regard to our standing and success.
