

Port Matilda Pointers.

As our few items in last weeks paper were eagerly read by many in this vicinity, and even by some who had not read a county paper in years, we are encouraged to try it again and let you know of the doings in and about Port Matilda.

George R. Price had a very close call last Saturday. While putting the harness on one of his horses the animal kicked at him, splitting his chin open. Fortunately he was too close to it to get the full force of the blow, else he would not have been living to have told the tale.

Mr. J. H. Patton, one of our live hucksters, met with quite a loss last week. He was returning from a trip to Philipsburg and as he was crossing the bridge over Cold stream, on the outskirts of that place, one of his horses' shoulders became dislocated. Impossibility to get the joint in place again necessitated the shooting of the animal. The loss is a serious one to Mr. Patton as he is a poor man, though he has the determination to go ahead and try to replace it.

One of our neighbors having sent his wife and children on a visit to her child hood's home, in a distant county of this State, his bachelorhood was invaded last Sunday morning, by some boys, who took advantage of his temporary absence from home to play a joke on him. They set the table, as if for breakfast, and put chairs all around. They then dressed up two broom sticks; One in the man's clothes, the other in his wife's and left them sitting at the table. When the bachelor came in he forgot that his wife was away and is said to have really embraced the inanimate broomstick girl thinking it was her. Keep in good heart Orie they will return to you ere long.

Quite a pretty wedding service was solemnized at the home of Mrs. S. E. McKinney, on the morning of the 15th inst. It was the occasion of the marriage of her daughter Gertrude Stetler to Mr. Z. I. Woodring, a successful school teacher and upright young gentleman of this place. Rev. G. P. Sarris performed the ceremony at 5 o'clock in the morning and after a wedding breakfast that would surpass the chief of course of a Delmonico the bride and groom departed on an early train for a tour to Philadelphia, Reading and other cities. They received many handsome presents. Upon their return they will go to house-keeping in Philipsburg where the groom will begin a nine month's school term.

Investments.

BIG PROFITS

ON SMALL INVESTMENTS.

Returning prosperity will make many rich, but nowhere can they make so much within short time as by successful Speculation in Grain, Provisions and Stock.

FOR EACH DOLLAR INVESTED can be made by our —SYSTEMATIC PLAN OF SPECULATION—

originated by us. All successful speculators operate on a regular system. It is a well known fact there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 to \$100,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. ALL FREE. Our Manual explains margin trading fully. Highest references in regard to our standing and success.

Deafness, Ringing Noises and Catarrh Cured by Dr. Salm.

For a long time I noticed that I became gradually harder and harder of hearing. Ringing noises came in the ear after a while, and I became very much alarmed. So I went to Dr. Salm and put myself under his care and today I am grateful to state, and for the benefit of those who may suffer in a like manner, that I can hear once again as good as ever, and those infernal noises have disappeared, although I am nearly 60 years old. Dr. Salm said all of it was caused by catarrh. M. B. Beck, Spring Mills, Centre Co., Pa.

A Lady 60 Years Old Cured of Catarrh and Deafness.

Some years ago I contracted catarrh and it went to my ears. Gradually I became worse and my ears began to trouble me very much. My strength began to give out, and I became weaker and weaker so that I was not able to work. I took treatment from several of our doctors in the country, but somehow they couldn't do me any good, so I went to see Dr. Salm. He promised to cure me, and I dare say, he kept his word, for to-day I am again stout and healthy as could be expected of any one of my age, 60 years, and I find that I got value received for the money paid to the doctor. Mrs. JACOB D. FINLEY, Brush Valley, Indiana Co., Pa.

Thought His Time Had Come but was Cured by Dr. Salm.

For some years I have been suffering very much with various ailments and broke down at last. I suffered most excruciating pain from head to foot all the time. My stomach troubled me a good deal, liver and kidneys as well were out of order; in fact, I thought my time had come. The doctors couldn't do me any good; patent medicines had no effect; so I went at last to Dr. Salm, and after a course of treatment, I am now again as hale and hearty and strong as ever. F. L. CONTER, Warriors Mark, Huntington Co., Pa.

Scrofulous Limb of 8 Years Standing Cured.

For the last 8 years I have had fearfully sore limbs; they would swell and break open and run; giving me a world of trouble, and making me unfit for my daily labor. I have had four Doctors trying to cure me, but they couldn't do it. At last I went to Dr. Salm, who made a perfect and complete cure, and I feel as if I could enjoy life once more. EDWIN V. GUTHRIE, Kittanning, Armstrong Co., Pa.

Growth Removed from the Eye-Ball by Dr. Salm.

For 10 years my wife, Susanna, had something growing on the eye-ball, and she was almost blind. Dr. Salm performed an operation, and made a perfect success, as she can now again thread the finest needle, and read the finest print, and her eyes do not give her the least trouble. It was a fine piece of work. JOHN BECKEN, Holsapple, Somerset Co., Pa.

Granulated Lids Cured by Dr. Salm.

For the last 4 years I have been troubled very much with granulated eye lids; it partly blinded me. Doctors here did me no good, it also seemed to affect my general health. Dr. Salm has cured me. I can again see splendidly, and feel better than ever. BESSIE THOMAS, Indiana, Pa., Dec. 5th, 1894.

After Total Blindness Made to See by Dr. Salm.

About 1 year ago my brother accidentally hit me in my left eye, with a long-gun. I began to get blind rapidly in that eye, and in a short time, couldn't see anything out of it; total blindness was caused by the hurt. I heard so much of Dr. Salm's wonderful success in his eye operations, that I went to him, and he has once more proven his wonderful skill on my eye. For to-day, after having been totally blind, I can see splendidly out of the same again. JOHN HENRY, Stulton, Somerset Co., Pa. March 28th, 1895.

Case of Stomach and Inward Trouble Cured by Dr. Salm.

For some months I have been feeling miserably, on account of stomach and private trouble. I was always afraid to eat, and the pain in my stomach and chest was terrible, but after a term of treatment, I feel now, once more, as good as ever. I can again see splendidly, again, without trouble, thanks to Dr. Salm's wonderful treatment. THERESIE DEYBACH, Dunlo, Cambria Co., Pa.
