

MARRIAGE LICENSES.—Following is the list of marriage licenses granted by orphans' court clerk, G. W. Rumberger, during the past week:

Lyman Bickle and Hannah Piercb, of Walker township.

LEWISBURG FAIR.—Union county fair will be held at Brook Park, near Lewisburg, Sept. 24th to 27th, 1895. For the benefit of visitors, the Pennsylvania R. R. Co., will sell excursion tickets from Williamsport, Bellefonte, East Bloomsburg, Mt. PITTSBURG TO PLAY AT PHILIPSBURG.—On Tuesday, October 1st, the Pittsburg National league baseball club will play with the Phillipsburg team at the driving park in the latter place. The home management is making preparations to put a strong team in against the "Pirates" and it is likely that a nice game will result.

It will be an inducement for many to go when it is announced that Billy Stuart, of State College, who played in many an old Mountain league game, is with Pittsburg and will probably play short in the game with Phillipsburg.

The *Pittsburg Times* of yesterday announces that all of Pittsburg's exhibition games had been canceled, so that it looks as though the above game will not come off.

"Where'er a duty waits for thee,
With sober judgment view it,
And never idly wish it done—
Begin at once and do it."

Things That Have Happened at State College.

Prof. Benj. Gill will give his entire time to the department of Latin and Greek.

Mr. H. K. Munroe has been appointed assistant in the Department of English.

Mr. I. L. Foster has been appointed assistant in the Department of Languages.

W. C. Kene has assumed charge of the new shoe department at I. N. & Krumrine's store.

A fine new porch has been erected in front of the State College Supply Co's store, which greatly improves the corner.

Prof. Carl D. Fehr will assume the professorship of Modern Languages made vacant by the resignation of Prof. Wm. C. Thayer.

Dr. W. S. Glenn moved back into his remodelled home during the past week, and the mechanics are putting on the finishing touches of a mighty fine improvement.

Charley Atherton, whose game at full back on The Pennsylvania State College football team last fall, set enthusiasts to many a great howl is coaching the Greensburg athletic club's team this fall.

Billy Young will not coach Bucknell at football this season. His law practice in Williamsport precludes his being away so much and Bucknell has secured a man from Oberlin, Ohio. Williams of the U. of P. is an Oberlin man.

Pine Grove Mention.

—Miss Clara Walker is visiting her sister, Mrs. Henry Myers, in Virginia.

The venerable Andrew Housman is lying at death's door with diseases incident to old age.

Mack Rossman is boasting of another young democrat at his home. He says it is a very nice boy.

Mrs. Wm. Sausserman, of Altoona, is a most welcome guest at her father's, Mr. Reuben Harner on Main street.

P. F. Bottorf and Ike Martz have returned from their southwestern cattle exploring expedition and report feeders scarce and high. They made no purchases on account of present prices.

Mrs. Lizzie, widow of Rev. Dr. Gibson, looking the picture of health is at present visiting her sister, Mrs. J. B. Mitchell. Before leaving for her home in Washington county, she will visit many of her friends in Centre county who are always glad to meet her.

At last the long drouth has been broken. In this valley many of our farmer's plows stuck fast in the hard soil, while other fields are so rough and cloddy they could not be seeded successfully. The grain that was sown some ten days ago came up spindly and needs rain. Pasture is short and streams are low.

The breeze is blowing in the upper end of our quiet peaceful (?) little burg all because Constable Eckley has ex-Justice Archey in charge. It appears that Ed. Bubb went down to Squire Archey's on an errand and found him engaged in the blacksmith shop. Mr. Archey advised Ed. to stand back, out of the way or the sparks would burn him, which they did while some little altercation took place. For several days the subject rested quietly and then much to the surprise of every one Mr. Bubb swore out a warrant in Bellefonte and placed it in the constable's hands. Mr. Archey waived a hearing and gave bail for his appearance at court being confident that he could prove it an accident. Their little misunderstanding is regretted by all their acquaintances in this section as they have always been the best of friends and the Squire has always been Mr. Bubb's advisor and friend.

The Thompson family held quite a pleasant reunion on last Thursday. Nearly fifty of them met and enjoyed themselves for two days and a night. They came from different parts of this State and the State of Ohio.

There is a water famine in this town, but one well that is holding out, however, we have a fine spring on the Daniels lot, or else we would have to take to drinking beer, and this would go mighty tough with some of us, "in your mind."

Port Matilda Pointers

Our community was visited with quite a heavy frost on last Sunday morning killing the grape and tomato vines.

Mr. S. T. Gray, one of Patton townships most esteemed citizens, was in town on Monday looking after some of his business interests.

There was a tough looking show passed through our town on last Sunday on its way to the Granger's picnic to pick up what loose change is not needed to run the picnic.

Mr. W. H. Minnick owner and proprietor of the Warriors Mark foundry was transacting business in town this week. He reports the foundry business to be very good at present.

John Young, the boy who had the misfortune to have both of his legs broken a few days ago, is improving very rapidly and will be able to be around before all the good skating will have disappeared next spring.

We had another wedding last week in our thriving burg. The contracting parties being our obliging Ticket Agent and Miss Mary Miles. The ceremony was solemnized by Rev. Downing, of Altoona, who is the pastor of the Baptist congregation of this place. After the ceremony had been performed and a sumptuous dinner partaken of at the residence of Mr. Alex. Books, Magazines Etc.

Appropriate to the election season is an article written by Mr. Edward J. McDermott, of Louisville, for the October number of *The Century*, entitled "Fun on the Stump; Humors of Political Campaigning in Kentucky." Mr. McDermott has gathered many anecdotes of amusing experiences at the polls, but he laments the decline of public speaking, which he declares is by no means up to the old-time standard in Kentucky.

The Hon. Charles S. Fairchild, Ex Secretary of the Treasury, has written for the October number of *The Forum* an article entitled "The Present Condition of the Silver Question in the United States." In his opinion there are no more advocates of the free-silver policy today than there were a year ago; he thinks that the sound-money cause is rapidly gaining ground.

The following letters remain uncalled for in the Bellefonte P. O. Sep. 16, 1895. When called for please say advertised.
