An interesting case, made so by a pe-

property controllers at Harrisburg last

week. The land in controversy is a strip lying along Elk creek, in Miles township, Centre Co. It embraces some sixty acres

was made by Nathan Hough that it was

not included in their survey and there-

by him to the department of internal

affairs for a warrant to the land. He

based his claim on the supposed fact that the line tree was not the birch tree

long understood as the true tree, but

that it was a hemlock tree standing fur-

ther north, although surveys showed

Among the witnesses was county survey J. H. Reifsnyder, of Millbeim

who had made a survey and brought with him the witness who was present

at the notching by the surveyor. Squire Reifsnyder had cut a section from the tree and laid it before the board for ex-

amination. The section had in it the

marks of the axe, which were very dis-

tinct, and showed by count of the rings

that 108 years of growth had been add-

ed to the tree since it was notched, May

20, 1788. At the time of marking it

A Silent Witness.

The Difference.

We came across the following lines the other day They amused the wri-ter and ended in an advertisement which we leave as it appeared in the original, as the advertisement is so cleverly drawn as to be worthy of its own reward.

"Tennyson could take a worthlese sheet of paper, write a poem on it and make it worth \$65,000-that's genius. and dyspepsia. Vanderbilt can write a few words on a sheet of paper and make it worth \$5, 000.000-that's capital. The United States can take an ounce and a quarter and is part of the John Smell tract, of gold and stamp upon it an "Eagle surveyed in 1788. For a number of Bird" and make it worth \$20-that's years it has been in the ownership of money. A mechanic can take ma-Thomas and Reuben Stover. The claim | terial worth \$5 and make it into watch springs worth \$1,000-that's skill. A merchant can take an article worth fore vacant and application was made 75 cents and sell it for \$1-that's bueiness. A lady can purchase a 75 cent hat, but she prefers one that costs \$27 -that's foolishness. A ditch digger works ten hours a day and handles several tons of earth for \$3-that's labor. The printer of this could write a check for \$80,000,000, but it wouldn't be worth a dime-that's rough. Any one can go to see Robert Hilliard and his clever company in 'Lost-24 Hours,' and thoroughly enjoy an ex-

cellent performance of oue of the brightest comedies ever written-that's common sense."

Personally Conducted Excursions to California.

"Oh, doctor !" exclaimed the hor r, if you are married, the alienation of rour wife's affections. To dream that you have refused alms get better, and I have sold all his clothes !"

> THE FLY IN AMBER .- In one of the European museums may be seen a piece of amber, in which is deeply embedded a perfect fly. Now, neither the amber nor the fly are curiosities, but the curiosity consists in how the fly got into the amber. An equally wonderful curiosity may occasionally be seen in country

drug stores, in the shape of huge drastic cathartic pills, put up in cheap wood on pasteboard boxes. The curiosity with these "jokes," consists in knowing who asks for them, when it is generally known that Dr. Pierce's Pleasant Pel lets, sugar-coated, and put up in glass bottles, always fresh and reliable, but little larger than mustard seeds, are an efficient cathartic, regulate the liver, and cure sick headache, constipation

Weather Bureau.

THE TIME FOR BUILDING-Up the system is at this season. The cold weather has made unusual drains upon the vital forces. The blood has become impoverished and impure, and all the functions of the body suffer in consequence. Hood's Sarsaparilla is the great builder, because it is the one true blood purifier and nerve tonic. Hood's pills become the favorite

cathartic with all who use them. All druggists. 25c.

-"Trilby" couples are what they call the tall girl and the short man nowa-days.

EARACHE .- Salva-cea is a prompt and complete cure for this most troublesome complaint. Place a lump of it in the ear and cover with a wad of cotton or wool; then put your head on a hot water bag with the painful ear next the bag. The pain will cease immediately and will not return. It is also the best remedy for cold in the head, in fact the only one, that will cure this distressing
