

Spring Mills.

The track men on repairs for the P. R. R. are working on half time.

The Millheim telephone company have the poles in position up to our village, and are pushing ahead to Bellefonte.

The Spring Mills citizen's band is practicing almost nightly for Decoration day. This will be the first public display.

The M. E. church members of our town are making considerable preparation for children's day, June 14th. They have a very excellent program consisting of singing, recitations, dialogues, etc.

Remarkable to say, the merchants of our town report a large overstock of butter; rather a surprise to hear this statement at this time of year. Eggs, too, they tell me, are very plentiful, and worth only 9 cents per dozen.

Several attempts at burglary have been made in our village lately. The discharge of a couple of shot guns had the desired effect. So prowlers around smoke houses, doors and windows, had better give such places a wide berth.

Miss Ida Burnell and Charles Fisher attended the Sunday school convention at Bellefonte on Wednesday last, as delegates from the Sunday school at Penn Hall, and C. E. Royer and John D. Wagner, as delegates from George's Valley Sunday school.

John Durst, the young man from near Centre Hall, who met with an accident while hauling baled hay ten days since, was removed to his home on Friday last. When the accident occurred the young man was taken to the residence of Mr. Strunk, who resided near where it occurred. Mr. Durst is improving.

C. P. Long, the active merchant of our village, expects to have his brick yard in full operation by the latter part of next month, and intends burning about 150,000 bricks. He will also commence building at that time, the lumber for which is now being delivered. The brick yard will give employment to 15 men for some time.

Candidates are now summing up their chances and paying their last call. John Noll, of Bellefonte, W. M. Cronister, of Worth, R. C. Gilliland, of Snow Shoe, and G. H. Leyman, of Boggs, Democratic candidates for the nomination for sheriff, were here during the week, ascertaining if their political lines were still unbroken.

Frain, of Marion, and Daniel Heckman, of Bonner, Democratic candidates for the nomination for commissioners, were here and are very hopeful. Fred Kurtz, of Centre Hall, Democratic candidate for the nomination for treasurer, also made a visit. Mr. Kurtz has been making a very strong canvass, and is not discouraged in the least.

Tribute of Respect.

The following are the resolutions adopted by the Union Sunday school, of Axe Mann, of which deceased was a member.

WHEREAS, It has pleased our heavenly Father, in his wisdom, to remove our friend and classmate, Mrs. Annie E. Williams, from our midst therefore be it

Resolved, That through her removal our Sunday school has lost a devoted member in the prime of life, while she had by an exemplary life endeared herself to all her associates, and was submissive to the will of her heavenly Father.

FROZEN OUT WHEAT.
Heretofore the farms of Centre county, Penn'a. have produced the best quality of wheat and usually a crop of poor, wormy apples. As there will be little wheat this year, the farmers can make up the loss by protecting their apple crop. Spraying the apple trees destroys the codling moth or apple worm, after which the trees produce good salable fruit and plenty of it.
