Walking Around the World.

Baron von Levetzow and Baron von Sack-

Mitzlaff, two lieutenants of the German guards, from Berlin, Germany, passed through Philippsburg last week on their tramp on foot around the world.

They started on their long journey from New York city on Wednesday, June 9th, at about noon. They came by way of Morrisstown, N. J., from there to Easton, Allentown, Sunbury, then to Bellefonte, when they crossed the mountain to Philippsburg, where they tarried a few minutes, when they resumed their journey, headed for Cleveland, and going by way of Clarion to Cleveland, Ohio, from there to Chicago, then to Salt Lake City, San Francisco, where they will take a steamer across the Pacific to Japan; from there over to Southeast Siberia, then to Russia and then to Germany, when they will return to New York. They have two years in which to make the trip. They will have about 14,000 miles to foot it, but considering they are fine, well built young men, we have no reason to doubt but that they can easily accomplish their task.

Stray dogs are killed by Tyrone police and their carcasses incinerated at the Tyrone paper mill.

Archibald Allison's Logan Machine works received a contract, last Thursday, to put four individual heating plants in at State College.

John Thompson, of Nittany Valley, purchased last Friday of farmer Kinley, of Sugar Valley, two heavy weight steers. The combined weight of the steers was 3,300 pounds.

An interest in the Philipsburg Ledger has been purchased by H. K. Grant and that journal is now a straight-out Republican organ. It had been independent in politics before.

At a meeting of the Mattern family reunion committee, held at Tyrone a few days ago, it was decided to hold the next reunion of that connection in June, 1897. Dr. W. H. Flemmer, of Tyrone, was elected family historian.

When evangelists Weaver, Wharton and Weeden move their gospel tabernacle to Lock Haven it will be erected on the railroad commons above Second street. At a recent Sunday evening service, in Williamsport, there were 2500 people present, twelve of whom stood up for prayer and one professed conversion.

At the recent tournament of the band association of Northern Pennsylvania and Western New York, held at Clearfield there was so much rain that much of the anticipated great time was spoiled. The prizes were awarded as follows: First, volunteer, DuBois; second, Philipsburg; third, National Military, of Oseola; fourth, Houtzdale; fifth, P. O. S. of A. Oseola. There was some wrangling about the award of the prize to DuBois, as a protest had been entered against one of the players. The protest was disallowed, however and it was generally conceded that upon merit first place properly belonged to DuBois.

RAN AWAY FROM HOME—Wm. Hassard, who lives at Clarence, near Snow Shoe, is anxious as to the whereabouts of his 15 year son, Thomas, who left home unexpectedly on May 15th. The boy is of medium height, weighs 126 pounds, has light hair and florid complexion. He has a scar on both cheeks and is lame in left ankle.

Any information concerning him would be thankfully received by his father.

PROMPT People.

BITTEN BY A SNAKE.—We are genuinely sorry to hear of a misfortune that befell Mr. George Jacobs, of Roland, one of our oldest readers. He was out picking buckberries on the 18th ult and, busy trimming a well laden bush, he was suddenly stung by what he supposed was an insect.

Continuing at his work he began to experience a strange shooting pain in his arm. It became so severe that he finally started home, but did not reach there before his hand and arm were swollen almost to bursting. Dr. Hensel, of Howard, was summoned and pronounced it a snake bite. Mr. Jacobs is now in a serious condition.

The doctor was a native of Vernon, N. Y., where he was born about sixty years ago. He read medicine and graduated from Hahnemann Medical college of Philadelphia. His life study had largely devoted to cancer and diseases of the eye and ear. He had been a resident of this city twelve years and enjoyed the respect of a large circle of acquaintances. He was identified with the National Union Royal Arcanum and Knights of Honor, carrying full policies of insurance in each.

"Neath the last rays of the setting sun yesterday afternoon all that was mortal of Dr. R. D. Tipple was laid to rest in Woodlawn cemetery."

The funeral will be held from the family residence at 10 a. m., Saturday, and the interment will be made in Woodlawn cemetery.

The shock was distinctly felt throughout the town. At Coke Bell's, on the upper end of Bishop street, the doors and windows rattled as though shaken by a great wind. At Col. W. F. Reeder's, corner of Allegheny and Curtin streets, Harry Williams was so rattled that his paint bucket fell off the ladder on which he was working, causing considerable of a spill. Mrs. John Noll, of Allegheny street, who was sick in bed at the time, is quite positive that her bed shook for several seconds. At several other houses in the northern part of the town the inhabitants were so frightened that they still declare it was an earthquake.

WHAT WAS IT.—Last Wednesday morning about nine o'clock an unusual commotion was caused by the earth shaking and trembling for several seconds. At first it was supposed an explosion had occurred at the lime kilns but upon investigation it was found that there had not even been any blasting done at that hour.

The shock was distinctly felt throughout the town. At Coke Bell's, on the upper end of Bishop street, the doors and windows rattled as though shaken by a great wind. At Col. W. F. Reeder's, corner of Allegheny and Curtin streets, Harry Williams was so rattled that his paint bucket fell off the ladder on which he was working, causing considerable of a spill. At several other houses in the northern part of the town the inhabitants were so frightened that they still declare it was an earthquake.

A BRIGHT, JUNE WEDDING.—

"Haste thee, nymph, and bring with thee Mirth, and youthful jollity."

Surely the nymph had heard the call and all the gods of pleasure were lending their aid during the beautiful day of the seventeenth of June. And kind dame nature laid aside her work of watering her vast garden plots, took a holiday, and wore her bright smile on the occasion of the marriage of Miss Sam Miller, of Halfmoon, to Mr. Merritte J. Johnson, of Penfield, Pa., at the residence of the bride's mother, Mrs. Maria Miller.

Guests to the number of nearly ninety

were present, from Tyrone, Benzie, Asbury Park, Bellefonte, Altoona, Pennfield, Philipsburg, Petersburgh, Stormtown, and other towns.

In the room prepared for the marriage ceremony were festoons of the graceful ground pine and roses from the center of the ceiling to the walls, and at one end of the room these formed a canopy over the marriage altar.

Promptly at the hour of noon the strains

of the wedding march Mendelssohn were heard, Miss Blanche Miller, of Tyrone, being the organist, and the bridal party descended the stairs. First came the ushers, G. Wood Miller, of Halfmoon valley, brother of the bride, and John Gates, of Tyrone, her nephew. Next came two tiny flower girls, strewing flowers in the path of the bride. The maid of honor, Miss Jean Miller, sister of the bride, followed.

The bride then entered, leaning on the arm of her eldest brother, J. Watt Miller, of DuBois, Pa., who led her before the officiating clergyman, Rev. Samuel Ham, of Muncey valley, formerly pastor of both bride and groom in Penfield.

Last came the groom with his best man, Ellis Miller, of Penfield, also the bride's brother. The service was the ring ceremony of the Methodist Episcopal church, beautiful and impressive.

Mr. and Mrs. Johnson then received congratulations from their numerous friends.

The bride wore white lansdowne trimmed with satin, lace, and chiffon, the dress was made with a short bodice beautifully trimmed, satin stock collar with a chiffon ruffle falling softly over the upper edge, short sleeve puffs met above the elbow

by the gloves, the skirt falling in rich folds into a court train. The maid of honor wore white over pale blue, her dress made much in the fashion of the bride's, but without the train. Both carried beautiful white bridal roses.

The little flower girls were Salome and Barbara Corle, of Altoona, both in white with baskets of white flowers. These dainty maidens formed a pretty party in the service.

After the congratulations Mr. and Mrs. Johnson, the bridegroom and groomsmen, the mother of the bride and the mother of the groom, Mrs. David Johnson, of Benzie, and Mrs. M. P. Johnson, of Asbury Park, the groom's aunt, with Rev. Samuel Ham retired to the bride's table, while the guests were seated in the parlors and under the trees in the grounds. The next hour and a half were devoted to refreshments.

The remainder of the afternoon was spent in happy sociability. At five o'clock Mr. and Mrs. Johnson, with the maid of honor and best man, were driven to Tyrone and from there started on their wedding tour. After their return they will reside in Penfield.

The Shakers of Mount Lebanon know more about anybody else, is the use of herbs and how to be healthy.

They have studied the power of food.

They nearly all live to a ripe old age.

The Shaker Digestive Cordial is prepared

by the Shakers from herbs and plants with a special tonic power over the stomach.

It helps the stomach digest its food, and digested food is the strength-maker.

Strong muscles, strong body, strong brain, all come from properly digested food.

A sick stomach can be cured and digestion made easy by Shaker Digestive Cordial.

It cures the pausea, loss of appetite, pain in the stomach, headache, giddiness, weakness and all the other symptoms of indigestion, certainly and permanently.

Sold by druggists. Trial bottle 10 cents.

A more deadly agency than the patriot's machete has confronted the Spanish soldiers in Cuba. Yellow fever has broken out and a feeling of panic prevails in the garrisons.

THE VOICE OF THE PEOPLE ON WINE.

It is a well known fact that wines above all other liquors are grossly adulterated, but when a pure article is placed on the market and people find it out to be pure, they all with one voice recommend it. The Port Grape Wine from the vineyards of Alfred Speer, of Passaic, N. J., has received the unqualified endorsement of the medical faculty and of thousands of invalids who have been won back to health by their use.

For sale by druggists.

—An alcoholic bath oftentimes cholera infantum when nothing else will. Saturate a flannel cloth with alcohol and bind it around the child's bowels.

WHY NOT YOU?—When thousands of people are taking Hood's Sarsaparilla to overcome the weakness and languor which are so common at this season, why are you not doing the same? When you know that Hood's Sarsaparilla has power to cure rheumatism, dyspepsia and all diseases caused by impure blood, why do you continue to suffer? Hood's cures others, why not you?

Hood's Pills are prompt and efficient.
