THE BURGLARS BURGLED AGAIN.-It seems that Bellefonte is a safe, if not particularly profitable, field for burglars to work in. They run from house to house with impunity, eat meals, hunt for money and do everything with such sang froid that people here are coming to look for the nocturnal visitors with a kind of twitching of those involuntary muscles of the scalp that

have something to do with raising the hair. There is no fake about these burglars. They are the real, bona fide thing. They carry dark lanterns, and shoot off revolvers and run away whenever the brave wom-

en of the households go to catch them. The night before the election, that was Monday night, you know, the burglars took advantage of the great political demonstration down town and visited Linn and Curtin streets. From the most reliable information that can be learned there were two men doing the work. Tracks about all the houses showed the imprints of feet encased in pointed toed shoes and feet without any shoes at all. From these tracks it it supposed that one fellow watched outside, while the bare footed individual went in. It is thought that the fellows started in on Curtin street, for L. A. Schaeffer's dog made such a fuss up about his house Roopsburg brewery, was made happy on that that gentleman got up and discovered Monday, by the arrival of his wife and two men running down the alley toward Linn street. The home of W. W. Montgomery, on the latter street, was the next scene of operation. There a window on the east side was pried open with a flat chisel, the same way in which every entrance has been forced, and a plant was taken from the sill and the burglar entered. After ransacking everything down stairs he passing between her and it wakened Mrs. by touching her, but the latter screamed. Then the intruder blew out the light and Mr. Montgomery and Joseph ran to the

could have winged the burglar had he been able to see. As he fled down the stairs the fellow turned and fired a shot, presumably to stop his pursuers, as the cartridge was a blank one. Nothing was

secured there. Charley Cruse's home, four doors below, was next entered from a porch window. After everything down stairs was explored the hall doors were set open to make an easy escape in case the trip from the second story would have to be made quickly. In opening the vestibule doors, their creaking awakened Charley, and he got up and lighted the gas, then he threw open the door

and heard the burglar run out. He acknowledged that it was some time before the quarterly conference in this part of his | he went down to close up his house again. Jack Dale's house, two doors below Cruse's, was not forgotten and there everything was easy until the man entered Mrs. Dale's room. She had not been sleeping soundly, owing to Mr. Dale's illness, and in a half caused a great commotion for a while out aroused condition realized that some there. Fourteen chickens and another stranger was in her room. She called for and Anna May Bistline, of Ferguson townher husband and the burglar fled.

> Woodcock's house, just across the street, was the next place visited. Lee Woodcock had come home from Philadelphia to vote and left his clothes in a room adjoining his bed room, when he retired. The burglar secured them and a gold watch and chain and \$5 in cash. This was the only place where the inmates were not aroused. Lee's trousers were found, the next day, in the alley near Orvis' house.

BUCKNELL WON .- Of course it was a dissapointment for the white and blue rooters, on Saturday, to see State's team go thought, at first, that they had cholera, but down before Bucknell, but the game was a good one and the Lewisburgers were robbed of much of the glory they might otherwise have had over the victory by the announcement, made before the game, that State did not expect to win.

State's men looked like pigmies when lined up against the strapping wearers of the orange and blue. They didn't act like pigmies after the play had commenced, however, for they repeatedly broke up the Bucknell interference and tore holes through ing he started for his home and stepping on their line, with an ease that encouraged the porch, fell backward, was the only those along the side lines to think that she were against her. Bucknell got around State's right end twice in the first half. Once for 45 yards and later for 20 yards

and a touch-down. No goal resulted. In the second half State kicked off and Bucknell returned the ball to the 35 yard line; there Heckle caught it and carried it back 10, then State lost on downs and Bucknell secured it and by successive plunges sent Bunnell over the line for another touchd-own. Goal resulted, 10 to 0.

Though State did not score three quarritory and three times Bucknell's goal line fairly had to bend out to keep from being crossed, but fate was against a score States 5th. and it was not made.

There were many reasons why State was not expected to win on Saturday, but now the west of Rockies country by close of that the game is over it can be seen that a 5th, the great central valleys 6th to 8th. very little changing might have made her the eastern States 9th. This disturbance

-The Director of Institutes, Hon. John Hamilton, has secured representatives of the School of Agriculture of The Pennsylvania State College to assist at every Farmers' Institute to be held in the State during the coming winter. One representative will accompany each of the three sections into which the Institute force has been divided. He will carry with him specially prepared charts and diagrams illustrating the composition of feeding stuffs, the manure value of farm products, the results of experiments with fertilizers, etc, etc., which cannot fail to add greatly to the interest and profit of the Institutes. Copies of a spray calendar and of a bulletin on the computation of rations for farm animals, prepared by the State Experiment Station, will also be carried for free distribution.

The special representatives of the College are, for the northern counties, Colonel John A. Woodward; for the southeastern counties, Dr. Wm. Frear; and for the southwestern counties, Mr. E. H. Hess, all of whom are experienced Institute workers. Other members of the School of Agriculture and of the Experiment Station will also attend when their other duties will permit.

COUNCIL IN SESSION.—There were seven members in the chamber when the council meeting was called to order, last Monday night, for the transaction of the following business.

The Street committee reported that a dressing of crushed stone had been put on the north end of Spring street; that the new crusher is being run daily with satisfactory results. The bad condition of Dunlop street from Gerberich's mill to the Bush House was referred to the committee. The Water committee reported the pumps running fourteen hours a day and the extension of the water pipes to the site of Wetzel's house, on east Linn street. After authorizing the payment of bills to the amount of \$1,317.11, in which is included McCalmont & Co's bill for the crusher, \$779.29, council adjourned.

SATURDAY NIGHT'S MEETING. - All hail to the Democrats! They were scarce in some wards on Tuesday but at the demonstration, Saturday, they did show up spendidly. Prancing and dancing were the sixteen white and one dun horses that led the cavalcade, colored lights and banners waved in the air and the whole was inspiring, triumphal and grand. Nearly a thousand men were in the four divisions which followed, many carrying transparencies, banners or mottoes of the campaign. Ten bands played and the aids were wonderful in their dignity and showing. Dr. Alexander was general like in its trappings. Mr. Sechler looked solemn and the dignity of the others was impres-

The floats were especially good for a political parade. John Q. Miles, as the 'genuine simon pure Hanna'', was seated high up on a china barrel well covered with dollar marks. Another wagon hauled a load of full bags labeled Hanna's boodle.

The two little Achenbach's were posed as the "The Gladiators" on another wagon. Of course the silver one was victorious but long before the parade was over he tired out and laid down by his gold brother.

Albert Brisbin was Columbia chained with fetters of gold and Jim Cornelley's Democratic rooster leading the G. O. P. elephant caused much cheering and laughter. Uncle Sam 16 to 1 and the millionaire bond holder were all well represented and called forth much praise.

The court house proved too small for the great crowds that eagerly listened to ex-Congressman James Turner, of Michigan, Hon. James Kerr, of Clearfield, Col. J. L. Spangler and Hugh S. Taylor, Esq., who were the speakers. An over-flow meeting was held in the Diamond and the enthusiasm aroused by the speakers has never before had a parallel at such a gathering in this place.

MISS MARTHA THOMPSON. --- The funeral of the late Miss Martha Thompson, of Stormstown, Penn'a., eldest daughter of ex-Sheriff John Thompson, was held Oct .. 27th, 1896, at 2 p.m. from the old Thompson homestead now occupied by Mrs. A. J. Thompson. The services were conducted by Dr. H. A. Thompson, of Dayton, Ohio, a brother of the deceased and Rev. Mr. Singer, of Stormstown. The remains were borne to the grave by six of her nephews where she was laid to rest by the side of her father and mother in the Friend's burying ground.

The deceased for the past four years made her home with her only sister, Mrs. George Horlacher, of Montoursville, but at the time of her death was visiting her niece, Mrs. W. A Everett, of Bloomsburg, Pa.

Her death, which occurred at 5.50 p. m. Friday, Oct., 23, 1896, was a very sudden one and a shock to all who knew her. Paralysis of the heart was the cause of death. She had been in her usual health to the time of her death, and the last words she said were, "I feel better than I did last week."

Her earlier years were spent in school teaching, which she often said she liked better than anything else. She had been a consistent member of the Tyrone Presbyterian church for a number of years, and her life had been a benediction to all.

Deceased was aged 72 years, 5months and 23 days.

JOHN P. RILEY .- A former resident of Boalsburg died, on Wednesday afternoon, in a Philadelphia hospital where he had been operated upon for cancer of the stomach. At the beginning of the war he enlisted

in Company G, 148th regiment where he

served until the close of the struggle. Afterwards he removed to the West, where he followed his trade, that of a painter, in summer and taught school in the winter. Eleven years later he returned East. After the great flood at Johnstown, where he resided at the time, he removed to Altoona where he has lived and kept store ever since. In 1886 he was married to Miss Mary Keifer, of Birmingham, who with one son, Joseph K., survive him. He was a brother of ex-Judge Thomas F. Riley, Calvin Riley, Mrs. Sarah Rankin, and Mrs. J. T. Irvin, of Boalsburg, Mrs. Kreamer, of Johnstown, and Mrs. Everhart, of Altoona, He was a member of the Knights of the Golden Eagle, Knights of Pythias and the Royal Arcanum. His funeral was held. from his home in Altoona, on Saturday.
