

FARM NOTES.

If sheep are to be well cared for during the winter, they should have a well drained yard kept as dry as possible...

The most expensive royal regalia in the world are said to be those of the maharajah of Baroda, India. First comes a gorgeous collar containing 500 diamonds...

The largest price ever offered or asked for a single diamond was \$2,150,000, which the nizam of Hyderabad agreed to give...

The biggest price ever paid for a horse in America was \$125,000, given by J. Malcolm Forbes, of Boston, for Leland Stanford's Arion, a trotter.

The costliest building of modern times is the state capitol of Albany, N. Y. Over \$20,000,000 has been expended on it.

A Buff Leghorn pullet, exhibited at a New York chicken fair in 1892, was valued at \$100.

In the year 1635 a tulip bulb was sold in Holland for \$2,300. It weighed 200 grains.

The Shah of Persia has a tobacco pipe worth \$400,000.

A Girl With 8000 Warts. The most hideous-looking human being that has ever been seen in Germany is Barbara Blattner, a young woman, of 17...

Healthy and contented. An abundance of pure water to which cows are given each at least twice a day.

Provision for washing and sterilizing or scalding all utensils which come in contact with milk.

Especially great cleanliness in regard to everything connected with the dairy. The atmosphere of the stable should be pure and free from dust when milking is being done.

White wash is a good disinfectant, and should be seen in many more stables, and hand plaster should be sprinkled about to absorb moisture and odors.

The pasture lot is the most valuable plot on the farm if it is permanent and well adapted for the purpose, and its future usefulness depends upon its treatment during the winter as well as during other seasons.

Enterprising farmers never neglect the pasture, and manage to keep the grass in good condition year after year, but the pasture is treated by some as a source of supply which is expected to produce until it "runs out."

Again grasses differ for some other crop. Again grasses differ for some other crop. Again grasses differ for some other crop.

Mrs. Maria S. Saxton, an aunt of Mrs. McKinley by marriage, has been invited by Major and Mrs. McKinley to make her home in the White House...

My wife's mother is coming round to spend the winter with us. "Has she sent you word?" "Yes; a barrel of apples and two tubs of butter arrived yesterday."

The Reverend Mr. Longnecker (solemnly) "Man is made of dust." Young Skiffington—"So the girls think, anyhow."

The budget of estimates for the expenses of the New York city government next year reaches a total of \$50,000,000, the highest ever known there.

"They say that women can always pick out goods that will wash. "True enough; but why do they always pick out children who won't?"

Robert Love, colored, killed his father and seriously injured another man with a shotgun at Emporia, Kan.

Tours to Florida.

No district in America presents, during the winter season, so many varied attractions as the State of Florida.

Here also the most enthusiastic hunter finds satiation. Deer, turkeys, panthers and wild cats roam at large through the more sparsely settled regions...

With its matchless climate, its orange groves, its rivers and lakes, its boating and bathing, its fishing and hunting, and its extensive forests, Florida presents unrivaled attractions for the valetudinarian...

To this attractive State the Pennsylvania railroad company has arranged four personally conducted tours during the season of 1897...

Just before leaving these shores which yielded so magnificently in box office receipts, the Rev. Dr. John Watson, better known as Ian MacLaren...

It is generally understood, of course, by these Englishmen who have not traveled in this country that our conductors and brakemen wear guns and bowie-knives...

Dr. Watson's surprise was undoubtedly genuine, but in his tribute to these men he might have gone much further and said that they are the most intelligent men of their employment anywhere.

The magnificent facilities of the Pennsylvania railroad make this line the favorite route to the national capital at all times, and its enormous equipment and splendid terminal advantages at Washington make it especially popular on such occasions.

The most remarkable thing in the politics of Pennsylvania for many a year is the profound silence that pervades the editorial columns of the Philadelphia papers on the senatorial question.

The fact that doctors—frequently advise change of air and climate to those suffering from catarrh is proof that catarrh is a local and climatic disease.

Black Hills (Dak.) gold mines expected to turn out this year \$10,000,000 in bullion.

Hart of Hearing for 35 Years, Cured by Catarrh, and cured by Dr. Salm. Rev. J. D. Leister, Swales, Pa. Replying to your inquiry, as to testimonial with my signature, published by Dr. Salm, will say, that I was under his treatment for 10 months for my hearing. It was catarrh of the middle ear, and like yourself, could hear better some days than others, could hear better in noise. My hearing was very much improved by the treatment, and have no doubt, but that he can help you. Dr. Salm appears to be a honest man, and he will tell you the truth, whether he can help you or not. If I were you, I would certainly consult him. I was longer afflicted than you. My hearing was bad in one ear for 35 years. Hearing that your hearing will be entirely restored. I remain, Ben Bedford Co., Bedford, Pa. Isaac Pierson.

Case of Catarrh Cured by Dr. Salm. Rev. J. D. Leister, Swales, Pa. Yours came to hand today. Dr. Salm treated me 15 year old boy for catarrh in the head, and cured him in 4 months. I don't know whether he can cure you or not, but on examination he will tell you the truth. I know a man here, and he examined, and he told him that he could not be cured. I know other people, that he has done a great deal of good in other cases. Ben Libbert, Malonsburg, Centre Co., Pa.

After the Country Doctors Had Given Him Up as Incurable, Dr. Salm Cured Him. I must truly say that Dr. Salm has treated me well and I have improved wonderfully under his skillful treatment, even after our country doctors all gave me up as incurable. J. F. Weidenmeier, Paxtonville, Snyder Co., Pa., Aug. 24th, 1896.

Case of Catarrh Cured by Dr. Salm. For 7 years I have had a bad case of catarrh, took cold continually and almost always had headaches; a bad stomach, as well as too many accompanying troubles to mention. But now, after only a short treatment of Dr. Salm, I am almost a new man. Henry Froon, Sunbury, Northumberland Co., Pa., Sep. 9th, 1896.

Received Great Benefit. I have received great benefit from the 2 months treatment, I have taken from Dr. Salm, for which I feel very grateful. P. F. Porter, Butler, Butler Co., Pa., Aug. 1st, 1896.

Dr. Salm Snatched Her From Her Grave. Mr. Secretary:— You asked me why I did not come back last month. The medicine Dr. Salm gave me helped me so much, that I thought it was not necessary to return at present, but however, if I need any further treatment, he is my physician. He cured me of scrofula, about one year ago, snatched me, you might say, from the grave. This is saying a good deal, but it is true. Mrs. A. E. Meyer, Linden Hall, Centre Co., Pa., July 14th, 1896.

Cured of Stomach, Liver and Nerve Trouble by Dr. Salm. For more than 7 years I have had a bad stomach, liver and nerve trouble. Became so weak that I couldn't work any more. For 6 and one half years I have tried the best doctors in the country but got worse and worse, but now, after a short treatment with Dr. Salm, I am able to attend to my daily labors again, putting in a good days work. Eat splendidly and have gained greatly in weight. Philip F. Elders, Dalmatia, Northumberland Co., Pa., Sep. 9th, 1896.

Nobody Has Done More for My Health Than Dr. Salm. I have only taken a half month's treatment and in that time, I dare say, no one could have done more for my health than Dr. Salm, as I feel a great deal better. Mr. Henry Keithan, Troxville, Snyder Co., Pa., Aug. 3rd, 1896.

Catarrh and Bronchitis Cured by Dr. Salm. For some years I have been in bad health. Suffered very much from catarrh and bronchitis, lost flesh continually, coughed a great deal and there didn't seem to be a spot about me that didn't ache. So I went to Dr. Salm, who comes here every four weeks, for treatment. I am so much pleased with the improvement that I want everyone to know it. I can eat finely, feel a good deal stronger, and I know I will soon be myself again. Mr. Henry Keithan, Sunbury, Northumberland Co., Pa., Sep. 9th, 1896.
