Party goers are making good use of the excellent sleighing. On Tuesday evening a lively party halted at the home of J. C. Corl where they indulged in a joyous good time and an old fashioned taffy pull.

On the 22nd of February an excursion will be run from this place to Bellefonte at the rate of 25 cents the round trip. Every one should take advantage of the low rate and the turkey dinner which will be served in the G. A. R. rooms on that day. Don't forget the date and rate.

Francis Speer, of Bellefonte, was a passenger on the early train Saturday, en route to Squire Miller's at Rock Springs, where a big dinner was a feature of the day. The fattest gobbler had been killed and great were the festivities of the occasion. A good time for every one and every one for a good time.

Our people will be glad to know that the academy will be re-opened immediately after the public schools close. Prof. Jacob Rhone will teach a term of ten weeks. He is so well known that he needs no word of commendation, but in as much as he is one of the best instructors Pine Grove academy ever had we bespeak for him a good patronage.

Last week Rev. Black, conducted a series of meetings in the Bethel church, which were well attended by our people and others from Oak Hall, Boalsburg, State College and Pine Hall. Our bachelor friend Charley Smith, of Guyer, who years ago became enamored of the fair and accomplished Sadie Johnson, has succeeded at last in having the solemn words spoken. He will push the enterprise for all that there is in it, and expects to establish one of the largest concerns in Central Pennsylvania. The family will remain here during the summer after which they will take up their residence in Alexandria, Mrs. Meyer's native place.

GRANGE MEETING.—Bright and early last Thursday, Grange hall, at Rock Springs, was filled with enthusiastic and loyal members to attend the annual meeting of the Leonard and Centre granges. Among the members of other granges present, were worthy master Rhone and wife; county master George Dale; assistant steward, George Geringer; aid assistant steward, Miss Lura Stump; overseer, W. K. Alexander and James A. Keller, secretary of the Patrons Insurance Company.

At 10:30 the meeting was called to order by master George Dale. The morning session was occupied in hearing the reports of the various committees. The report of the Grange Park encampment and exhibition committee was most encouraging, as it showed that a debt of \$8100, the actual cost and improvement of the ground, had been liquidated and a balance of \$233 remained in the treasury. This was all accomplished in six years. At twelve o'clock dinner was announced and such a dinner as it was, would make an outsider long to belong to the organization. At the afternoon session secretary James Keller gave the annual report of the Patrons Insurance company, which showed that a 3 per cent. tax levied this year was sufficient to pay \$1700 of last year and all of this years losses by fire. Considerable interest was manifested in this department of the grange and it was the unanimous opinion that the organization would be perfect in time.

State master Rhone spoke intently on the cooperative plan, claiming that the time had come for the farmers to take a hand in the marketing of his produce, that is, towards securing a direct exchange between the consumer and producer. He was followed by Hon. W. K. Alexander who enumerated many methods by which the condition of the farmer might be bettered. He also stated that Providence grange at Millheim had taken in 23 members at one meeting. C. B. Hess and G. B. Campbell remarked on the flourishing condition of the Leonard grange and while they could not report so many members, the quality made up for the lack of quantity.

*Catarh and Eye Trouble Cured by Dr. Salm.* For several years, my daughter Dilla, has had a bad case of Catarh accompanied by all the usual symptoms attending the disease. Catching cold continually. At last the eyes became inflamed, they became weaker and weaker from inflammation, then we became alarmed, and brought her to Dr. Salm. After a course of treatment, she is now, thanks to his skill, entirely cured. JACOB B. MATHER, Globe Mills, Snyder Co., Pa.

*A Fearful Case of Rheumatism Cured by Dr. Salm.*

I have had a fearful case of rheumatism for over 3 years, so bad that I could not lift my arms to my head, and at every change of the weather the pains were most excruciating. Any one having suffered with rheumatism, can only appreciate what I mean. I have only had 3 months' treatment from Dr. Salm, you might almost say, I am cured, and I am happy once more. I was 71 years old at my last birthday. J. D. GARBER, Howard, Centre Co., Pa.

*After Having Tried Buffalo, Pittsburg, Greensburg and Indiana Co., Physicians, Her Suffering Greatly Worse, but Dr. Salm Cured Her at Last.*

For more than 10 years I have been leading a miserable existence, on account of illness. I had tried at least 10 doctors in Buffalo, Pittsburg, Greensburg and surrounding towns. My suffering grew worse and worse. I became thin, too weak to work, and passed many sleepless nights. Couldn't eat, my stomach was out of order, and my nerves seemed all unstrung. I don't want to live through another such a time, for anything in the wide-wide world, and when I have tried to die. After I had given up all hope of enjoying health again, I decided to consult Dr. Salm, and, thank the good Lord, that I did so. After a course of treatment, I once more enjoy fine health, eat, sleep and work once more, as heretofore. I am truly grateful to Dr. Salm. He certainly understands his business, as my case is not the only wonderful cure he has performed in this country. His skillful treatment, I am now entirely cured. Mrs. L. B. MURRELL, Tunneton, Indiana Co., Pa.

*After Having Tried 8 of the Best Doctors in the Country, Without Avail, Dr. Salm Cured Her.*

For more than 12 years I have suffered a good deal of pain, in fact, I was in distress and misery nearly all the time, particularly on starting down. The misery was in my left side, in the region of my heart. It was very seldom that I could attend to my labors. I tried 8 different doctors, so said, the best in our country, but I got worse, instead of better, at last I went to Dr. Salm, who makes regular visits to Sunbury, and thanks to his skillful treatment, I am now entirely cured. Mrs. L. B. MURRELL, Tunneton, Indiana Co., Pa.

*Every Body Ought to Know What Dr. Salm did for Me. He Cured Me of a Fearful Skin Disease.*

For more than 4 years I have had a most terrible skin trouble. I seemed to be covered, like a fish with scales all over my body, even to my face not excepting my eyes. The pain was almost unendurable, and I walked the floor many a night, on account of my agony. To work, was out of the question, nor could I wash myself. I tried 5 of our best doctors, spent money on patent medicines, such as Cuticura, Golden Medical Discovery Ointments, etc., got treatment from Pierce Medical Institute, Buffalo, but it went from worse to worse. Then I heard of Dr. Salm's wonderful cures in this neighborhood, took his treatment, and today I am a new man. No more skin trouble. I am working again, and as well as ever. Every body ought to know this. FRANK RICHARDSON, Dunlo, Cambria Co., Pa.

*Bad Case of Sore Eyes Cured by Dr. Salm.*

Ever since I was a babe, I have suffered with sore eyes. They became very painful, and with every cold I took, and that was often enough, they became worse and worse. Little scales had to be removed from the lashes every morning, and the margin of the lids began to look like raw beef; of course all this didn't enhance my eyesight, nor improve my appearance. The doctors around here didn't do any good, my eyes got worse and worse. I am now 20 years old, I went to Dr. Salm, and he has done wonderful work. No more redness, no scales forming, a renewal has almost entirely left, and my eyesight is better. I know I will be cured in a short time. GEORGE W. MARTIN, Grismer, Indiana Co., Pa.
