Hook and ladder company No. 1 have held their election of officers and the result is as follows: President, Lew L. Wallace; vice president, Frank Baldrige; secretary, Wm. Shope; financial secretary, Alvan Smith; treasurer, Claud Fulton, foreman, James Noll; 1st assistant foreman, Hamilton Reed; 2nd assistant foreman, Samuel Swann; trustees, Frank Baird, John Johnson, and Joseph Charles.

The Bellefonte High school ball team and the Academy team were to have played a match game on Saturday on the Central City ball ground. For some cause the High school did not put in an appearance, the Academy boys waited until after three o'clock when rather than let them go home disappointed, without a game, a picked nine was taken from Milesburg and vicinity and the game then started off in good shape. All through, the game was water and mud and full of fun. The score stood 13 to 15 in favor of Milesburg.

PHYSICIANS ENDORSE IT.

Physicians have been for years interested in cycling and they pronounce it beneficial. There has only been one drawback and that has been the saddle. There has been but one perfect saddle on the market which they could recommend, that is the

CHRISTY ANATOMICAL SADDLE.

The base is made of metal that cannot warp or change its shape. It has cushions where cushions are required to receive the pelvic bones and a space so that there can be no possibility of pressure on the sensitive parts and positively prevents saddle injury.

COLUMBIAS, CLEVELANDS, STERLINGS, STEARNS, SPALDINGS,

and all other high grade bicycles will come fitted with the CHRISTY SADDLE if you ask for it. High grade makers have adopted and will furnish the CHRISTY without extra charge.

WHY? Simply because upon careful examination they have come to the conclusion that it was necessary to offer to their buyers a Saddle that would not prove injurious—and hurt cycling—and their decision was without hesitation in favor of the
