THINGS ABOUT TOWN AND COUNTY

The National hotel, in Millheim, is being painted.

A Millheim cat recently covered itself with glory by "doing up" a large blacksnake.

The Newton Hamilton camp meeting will begin on August 10th and continue in session for ten days.

The Bellefonte Academy base ball club defeated the glass-works team, last week, by the score of 18 to 13.

The Bellefonte High school base ball team defeated the glass workers, on Monday afternoon, by the score of 31 to 14.

A "mum" sociable was held in the Presbyterian chapel, on Spring street, last evening. Of course it wasn't a very noisy affair.

The hall of State College lodge, No. 717, I. O. O. F., of State College, is reported to be one of the nicest in Central Pennsylvania.

The Undine fire company will hold a big picnic, at Hecla park, on Saturday, July 3rd. They are figuring now for a great attraction for the day.

J. S. Coxy has reopened his Bishop street grocery and is now located in the Doll building, just a few doors west of the site of his burned store.

The Millheim Journal speaks in a very complimentary manner of the concert given by the Imperial mandolin and guitar club, in that place, last Saturday evening.

Don't forget to send some flowers to Gregg post rooms to-morrow. Remember to help the old soldiers in their efforts to garland the graves of the heroic dead.

A Valentine Smith and his son Harry have returned from West Virginia where they had been in business for several years. They will probably open their grocery store on Thomas street again.

The Bellefonte mail carriers look as fine as the average Easter muffs since they appeared in their new summer uniforms. They are fine-looking fellows, however, and it doesn't take much ornamentation to set them off.

The game of ball that was to have been played, at State College, on Wednesday afternoon, between State's team and the club from the University of Maryland, did not take place because of the failure of the Marylanders to appear.

Mrs. Elizabeth Schroeder, aged 73 years, and born at Eagleville, this county, died in Lock Haven on Tuesday night, while her nurse was out of the sick room for a few moments' rest. She had been ill only a week with grip that effected her heart.

While working in Fryberger's mill, in Phillipsburg, last Saturday, John Rice, for twelve years a resident of that place, was stricken with paralysis and died the following evening. He was 65 years old and leaves a widow with four children to mourn his demise.

The Weaver evangelistic tabernacle was taken down in Lock Haven on Tuesday, and made ready for shipment to Philadelphia, where they will open a crusade against vice. The Lock Haven people raised a considerable sum of money for the evangelists.

While Mart Garman and George Beezer were driving from Milesburg to this place, on Saturday evening, their horse became unmanageable and ran away. Both were thrown out and considerably bruised. The horse ran into town and fell in front of the Exchange. As the streets were crowded with people it is a great wonder some one was not hurt.

They have an awful lot of what you might call, in a pinch, literary men over in Phillipsburg, judging from the amount of space taken up in the columns of the newspapers of that town by communications, that seem to have the parading of petty bickerings as their only motive.

Mr. and Mrs. C. T. Gerberich, of north Thomas street, this place, have sent out invitations for the marriage of their daughter Ida E. and Louis C. Wetzel, which is to be solemnized, Wednesday, June the ninth, at twelve o'clock. The wedding is to be a home affair with only the family and near friends of the bride and groom present.

The ladies of the United Evangelical church of this place will hold an ice cream festival in the basement of the church, on Willowbank street, on Friday evening, Saturday afternoon and evening. The proceeds will be for the benefit of the church. It is earnestly hoped that the festival will be liberally patronized as this is a small congregation that is trying to clear their church of debt and are ambitious to build a parsonage.

The most inhumane and brutal thing we have read of in a long time occurred near Clearfield last Saturday. Two drunken things ran a spirited horse until it fell over an embankment and broke one of its legs. Not satisfied with such brutality the fiends clubbed the poor animal and forced it to hobble on three legs and pull them to Curwensville. Now they are trying to settle their case without going to court, but if there be any humanity in Clearfield county such despicable devils will be punished as severely as possible.

CAUGHT WITH HIS PLUNDER.—The efforts of the police to apprehend the burglars who carried off the clothing from Charles McClelland's tailoring repair shop, on Allegheny street, last Wednesday evening, has resulted in the capture of one of the gang, whose guilt will hardly be questioned, since he was wearing part of the plunder when he was arrested.

The man was arrested in Williamsport, on Monday, for drunkenness and as he had a bundle containing several suits of fine clothes the officers became suspicious and telegraphed here that they thought they had one of the men the officers here were after. Col. Mullen was sent down that evening and brought the fellow up here, on Tuesday morning. He waived a hearing and went to jail to await the sitting of the August court.

He says that his name is James alias George McCormick and he is a tall, heavy set man with dark hair and swarthy complexion. A stranger here, yet he has been seen with several others, more familiar to the police, who have disappeared and are believed to have been implicated in this robbery.

When McCormick stepped off the train he looked quite natty, as he wore Joe Montgomery's coat and vest and John M. Dale's trousers. Both gentlemen identified their clothing and the burglar will have a nice time explaining how he got them.

AS TO ACETYLENE GAS.—Prof. F. C. Phillips lectured before the Pittsburg Engineer's society, on Thursday evening, on the use and manufacture of acetylene gas.

As Bellefonte is soon to have a plant for the manufacture of this new gas these few facts from Prof. Phillips' lecture will prove interesting to you:

"The subject matter was the explosive properties of this substitute for coal gas. He described it tersely as perfectly harmless in a gaseous form, but when liquefied—in other words compressed—it takes on highly explosive conditions. If stored in cylinders, should these vessels become in any way defective, so that the acetylene becomes exposed to the air, and a concussion ensue, the results would be disastrous.

An eastern firm are manufacturing a vessel for household purposes in which is placed a quantity of calcium carbide and water, then water placed upon it through the medium of a funnel. The process by which the calcium carbide is manufactured is too expensive a one to admit of its general use, but this obstacle may be surmounted at an early date."

THE OPENING OF A NEW PARK.—A new resort is now being built on the line of the Bellefonte Central railroad, near Pine Grove Mills, and when opened to the public it will be known as Pine Grove park. Present arrangements are such that this resort will be opened on Tuesday, June 22nd, when the Milesburg and Coleville bands, consolidated for the season of 1897, will hold a great picnic there.

It will be a regular musicians' day in the woods and besides the half dozen or more bands that will attend there will be hundreds of others to see the new park and enjoy the concerts, dancing, refreshments, races and everything else suited to the pleasure of picknickers.

The round trip fare from Bellefonte will be only 40 cts for adults and 20 cts for children and trains will be run to McCoy's works to accommodate the Milesburg people who will attend.

The consolidated Milesburg and Coleville bands, numbering about forty men, will make a great band for this season. They are practicing together regularly now and when they turn out you can listen to some music that will be music.

AN ATTEMPT TO BURN THE ARMORY.—An unsuccessful attempt was made to burn the armory of Co. B, 5th Reg., N. G. P., at the corner of Spring and Lamb streets, this place, early last Friday morning.

The fire was undoubtedly of incendiary origin and was discovered just in time to save the building from destruction. A portion of the glass in a door leading to the ware-rooms from the Lamb street side was broken away and a bunch of burning oiled waste was dropped inside. Frank Stewart first discovered the fire and reported it to the electric light station. Billy Desendorf, night fireman, ran up and threw a couple of buckets of water on it, before any more damage had been done than the scorching of the floor.

BICYCLE RACES TO-MORROW.—Bellefonte will not be without some amusement to-morrow as several bicycle races have been arranged and will be run over the course from this place to Axe Mann and return.

The first event will be open to colored riders only and the following prizes will be awarded: 1st, a bicycle suit; 2nd, lantern; 3rd, stockings; 4th, silver watch case.

The second event will be for all riders under 16 years of age. The following prizes will be awarded to winners in it: 1st, bicycle suit; 2nd, shoes; 3rd, golf cap.

All applications for entries should be filed with P. D. Sheffer at once.

THE WEAVER RALLY AT THE PARK.—Wednesday was a beautiful day, just a trifle cool 'tis true, but not too cold for evangelists Weaver, Vandeventer and Weedon and their enthusiastic followers who gathered at Hecla park, that day, for an out-of-door rally. Several hundred Lock Haven people and two hundred and twenty-five Bellefonters met at the park for the services that were held there. The day was most enjoyably put in and rousing services were held.

A. Tyson Shadel, of Jersey Shore, is the man who bought Shem Spigelmyer's fast pacing horse, "Billy O."

Quick consumption caused the death of George K. Balph, head of the Hawk Run, Clearfield county, public schools, on Wednesday morning.

The Lock Haven Normal school base ball team has been reorganized and will finish the season. Dissatisfaction with the management broke the club up about two weeks ago.

A representation of a Continental Congress will be given by the Addisonian literary society of the Bellefonte Academy, in their society hall, this afternoon at 2 o'clock. Friends and patrons will be welcome.

Memorial day will be celebrated at Mill Hall by a parade of various camps of P. O. S. of A. and G. A. R. posts. The line will be through Solons first, and then return to Mill Hall and decorate Cedar Hill cemetery.

A \$5,000,000 mortgage was put on record in the Centre county court house, a few days ago, by the Reading rail-road company. Under the law they have to record the full amount of their indebtedness in every county in which they hold property. The Reading owns coal lands in this county.

It might be interesting to some of our readers to know that a few days ago, away out in Gem, Idaho, two old Centre county ball players met on opposing teams. They were playing first base for their respective clubs and one was Cartwright, who will be remembered as State's crack athlete when he went here a few years ago. The other was Ike Harpster, of Centre Hall, who has played here often and is now railroading between Missoula, Montana, and Wallace, Idaho.

Among the various improvements that will tend to the comfort of those who go to Hecla Park this season, is an enormous water tank that has been placed near the mill and will hold enough water and ice to supply almost any sized crowd for a day. The tank is made perfectly tight so that when it is filled up it can be locked and no malicious persons can in any way pollute the water. Another improvement has been the placing of four foot high white letters, spelling "Hecla Park," on the terrace of the second dam breast. They were made by J. W. Ferguson, the company's agent at Clintondale.

A DELIGHTFUL CONCERT.—The Imperial mandolin and guitar club fairly delighted an appreciative house, in the Arcade hall, last Thursday evening, with their concert. The work of the members of the club was indeed very professional and was largely in the nature of a revelation to many who were there.

The violin, mandolin, flute, banjo, zither, cornet and guitar solos were pretty and the singing of Mr. Reeve highly appreciated. In concert the instruments produced perfect harmony and the selections were such as to thoroughly charm the audience.

A JOINT PICNIC ARRANGED.—The veterans' associations of Clinton and Centre counties have arranged to meet at Hecla Park for a joint picnic on Saturday, Sep't. 11th.

AN OLD, OLD MAN.—The death of Michael Gorman, which occurred at the residence of his daughter, Mrs. A. S. Tipton, in Howard, last Monday morning, removes one of the oldest residents of the county. He was 97 years old and almost to the day of his death he had enjoyed good health, having been very abstemious in his habits.

Mr. Garman at one time followed lumbering and for many years resided at Beech Creek and Salona, Clinton county. In 1828 he was married, at Mill Hall, to Miss Margaret Lovell, who was born in Stone valley, Huntingdon county, and who has been dead for the past 29 years.

Burial was made, at Howard, on Wednesday morning.

AT REST AT LAST.—'Tis sad indeed to see men cut down in death when in the very prime of man-hood, yet there is some consolation to dear friends of the late drew C. Howley that his death was a release from a life that could never have its sunshine again for him, nor its bloom, nor its usefulness.

Andrew Howley, the third son of Mr. and Mrs. John Howley, of east Bishop street, died last evening at half-past 5 o'clock. He had been ill for more than a year with consumption, contracted by sedentary habits and exposure to drafts in hotel offices, his business having been that of a clerk. Andrew was indeed an estimable character. Having graduated from the Bellefonte High school, in 1886, he entered the employ of C. G. McMillen, then proprietor of the Brokerhoff house, and so faithful, gentle and true was his nature that the friendship of his first employer grew into love and esteem the expression of which would indeed be a fitting obituary for the young man.

He was 27 years old last August and we verily believe that during his entire life he never did or said a thing to wound one of God's creatures. Gentle in his manner, noble in his character his life passes and leaves but the memory of a true son.

No arrangements had been made for the funeral up to the time of going to press.

The funeral services will be held in St. John's Catholic church to-morrow morning at ten o'clock.

THE BELLEFONTE HIGH SCHOOL COMMENCEMENT.—On Thursday afternoon and evening, of June 3rd, the annual commencement exercises of the Bellefonte High school will be held at Garman's and the class of '97, comprising eight girls and seven boys will be graduated from the public schools. THE JUNIOR DECLAMATORY CONTEST.—The junior class of the Bellefonte High school will hold their annual contest for the Reynolds' oratorical prize, at Garman's, on Wednesday evening, June 2nd. Every one is cordially invited to attend. An admission of only 10c will be charged and as the receipts are for the school library that, in itself, should be enough to crowd the house. The oratorical contest, however, will be well worth hearing and even if there were no such estimable beneficiary as the library fund you will miss a pleasing entertainment if you do not go to it.

The following program for the evening has been announced: Music, Bellefonte Orchestra. Invocation, Orchestra.

FARMERS' INSTITUTES.—The county board of farmers' institute managers will meet at the county commissioners' office on the second Tuesday of June, at 1 o'clock, p. m., to arrange for the places where institutes are to be held this season. All of our people who desire institutes ought to attend this meeting and present their claims. This board is composed of the local member of the state board of agriculture, and one representative from each county agricultural society, the pomona grange and county alliances. If you find that you cannot attend this meeting address a letter with your request to John A. Woodward, chairman of board of institute managers, care of county commissioners, Bellefonte.

Preference will be given to localities which will evince their interest in this great work by providing a suitable hall, warm and light, for the meeting, and will agree to take the state speakers to and from the station without expense to them.

JOINT C. E. AND E. L. PICNIC AT HUNTER'S PARK.—What promises to be one of the most delightful outings ever taken by a body of christian people will be the joint picnic of the Christian Endeavor and Epworth League societies of Buffalo-north valley next week. It is to be held at Hunter's park on Saturday, June 5th, and an efficient committee is at work arranging an attractive program for the day.

Among the speakers will be Dr. William A. Stephens, of Bellefonte; Rev. Chas. T. Aiken, of Pine Grove Mills; Rev. Ralph Illingworth, Warriors-mark; Rev. Robert Runyon, Stormstown, and others. Music will be furnished by the State College and Forest city bands and such amusements as baseball, boating, lawn tennis and croquet, will be furnished.

Sousa's band had a \$700 house, in Tyrone, at a matinee concert last week.

Father Edward Hephilus, a missionary of the order of St. Benedict, of Kingston, N. Y., is in Howard, this week, assisting father Saas, of Lock Haven, to conduct a week's mission.

The new engines and dynamos for the Edison electric illuminating company have arrived and will soon be in place. Both engines are of the class of the old ones that were destroyed, as they gave so much satisfaction that a change seemed undesirable. The dynamos are the latest productions of the General electric company and are exceptionally fine machines. Under the new system that will be incorporated at the plant both candescent and incandescent lights will be run on the same circuit.

WON SECOND PLACE AT THE SPORTS.—The Pennsylvania State College track team won second place at the inter-collegiate sports, held at Swarthmore, last Saturday afternoon. She was represented by only seven men but they worked hard and carried off as many points as possible.

ASCENSION DAY.—Yesterday was ascension day, and it was observed with appropriate services in the Episcopal and Catholic churches in this place.

It commemorates the anniversary of the ascension of Christ. In all the Episcopal and Roman Catholic churches the festival is kept with appropriate and elaborate ceremonies. The feast comes 40 days after Easter, and it is peculiar to observe the 40 days prior to Easter as the penitential season of lent. Advent, too, which precedes Christmas, lasts 40 days.

NEWS PURELY PERSONAL. —Mose Montgomery, assistant cashier for the First national bank in this place, spent a few days, last week, visiting his niece, Mrs. F. K. Lokenbach, in Phillipsburg.

Ed. Harris came home from Philadelphia, on Tuesday, and it is altogether probable that he will not return to the University. Ed. is not enough in love with being a saw bones to make a doctor.

Rev. Geo. W. Glenn, with his wife and children are visiting Mrs. Glenn's mother, Mrs. Sarah Gray in Half-moon township. George will return to Gettysburg, on Saturday, but the family are here for a month's stay.

Ex-county treasurer John B. Mitchell, with Mrs. Mitchell, spent yesterday in Bellefonte. They are among the foremost residents of Furgusson township and have many friends here who are always glad to see them.

Mr. and Mrs. Isaac Maitland and their family came up from Williamsport, yesterday, in hopes that a change would help Mr. Maitland, who has been seriously ill for weeks with entanglement of the stomach. They are staying with Mr. Garman, Mrs. Maitland's father.

Miss Mary A. Magill and Mrs. J. P. Gephart are going to California with the Christian Endeavorers the first of July. The excursion is one of the most attractive the railroads have ever offered as it embraces so much sight seeing at wonderfully low rates.

Miss Myra Holliday came up from her new home in Philadelphia, yesterday morning, to spend a week at her old one here. She is now a full fledged novice in the Presbyterian hospital in Philadelphia and has signed a contract to finish training for a nurse.

A. J. Graham and Mr. Thomas, of Phillipsburg, were visitors in Bellefonte, on Wednesday. While here they visited our big spring and when they beheld its clear, sparkling waters no doubt they comprehended why this town is so great in temperance.

Mrs. J. Reese Van Ormer, of Coatesville, and Mrs. A. J. Caswell and her little daughter, of Secon, were in town over Sunday the guests of Miss Ida Gerberich. They will be remembered as Lizzie and Annie Swartz and their visits here are always a pleasure to them and their friends.

Editor Claude Jones, of the Tyrone Herald, was an arrival in town, on Wednesday evening, and with him came Mrs. Jones and Benjamin Jones the 6th. Claude just came down to say good-bye to his family who expect to spend at least a month here. Mrs. Jones was Miss Stella Armor, of east Linn street.

Philip Meyer, of Boalsburg, minus those whiskers that were of about the same hue as the hair in the days of yore crowned the writer's head, was in town, on Monday, and for once in his life got through with his business in time to catch his train without having to do a 2-40 clip down High street.

Post-master Charley Meyer, of Centre Hall, drove his mother over to this place, on Wednesday afternoon, and while she made arrangements with her sister to accompany her to the commencement at Franklin and Marshall college, next week, to see John Meyer graduated, Charley spent a few moments calling on his friends about town. His term of office expires next October and already there are lots of patriots ready to jump into his shoes.

Mr. Michael Hess, who wanted to know if he had ever gotten tangled up in the streets of his greater Shingletown, was in Bellefonte, on Monday, looking the picture of a healthy, happy, prosperous farmer and that is just exactly what he is, besides being one of the pleasantest gentlemen to be found in Centre county. Mr. Hess is getting along in years, as they say, but he carries them well and looks not a day older than the day he had the honor of making his acquaintance.

Charley Hewitt, who will be remembered as a son of Rev. John Hewitt rector of St. John's Episcopal church, in this place, twelve years ago, arrived in Bellefonte, on Monday evening, and spent Tuesday looking up his old friends here. He is married and lives with his wife and one son in Elmira, N. Y., where he has charge of the city electric lighting and trolley plants, which are among the finest in the United States. Charles has changed very little since leaving here except that he has grown older and more manly.

Dr. and Mrs. J. D. Seibert, of north Allegheny street, left for Mt. Carmel yesterday, where they will remain until Monday when they will journey on to Philadelphia. Dr. Seibert is a delegate, with Dr. Musser, of Aaronsburg, from the county society, to the meeting of the American medical association that will convene in Philadelphia next week. After its sessions have concluded he will probably go on to Boston for a short sight seeing trip then back to visit his old home in Newport, Perry county. They expect to be gone about two weeks.

Master Wentworth Shortridge, who has made his home with his uncle William, in this place, for the last three years, left for Kennet Square, Chester Co., on Wednesday. There he joined his two younger brothers and the trio will sail for England, either to-morrow or June 5th. They will say good-bye to America for an indefinite period, as their father, Dr. S. C. Shortridge, is now living in Leeds and has sent for the boys. During his growing up here Wentworth has made many friends who will miss the cheerful, happy boy, whose every thought seemed to be kindness for others.

PROGRAM FOR MEMORIAL DAY EXERCISES IN BELLEFONTE.—The following order has been issued from headquarters of Gregg post, No. 95, G. A. R., of this place, detailing the conduct of exercises for Saturday, May 29th, which will be observed as Memorial day in Bellefonte.

O. Furst.

The parade will return to the Diamond and be dismissed there.

CULVEYHOUSE—BIDWELL — Rev. Dr. William A. Stephens married Vesta D. Culveyhouse and Miss Rebecca Bidwell at his home, on east Linn street, on Monday evening, the only witnesses of the ceremony having been Miss Martha Parker, of Jersey Shore, an aunt of the bride, and Mr. Henry Brown, a close friend of Mr. Culveyhouse.

The marriage was very much of a surprise to the friends of the young folks, but all unite in wishing them a life of happiness. The bride is a daughter of H. M. Bidwell, of south Allegheny street, and is a young woman of pleasing manners and careful domestic attainments. Her husband is a son of William Culveyhouse, of Dover, Del., and is a young man whose exemplary habits have won him the esteem of all who know him.

The young couple have gone to house-keeping in rooms in the Jackson block, on Bishop street.

FELL DOWN THE STAIRS.—One of Bellefonte's oldest residents, Mr. Joseph Twit-mire, met with a very serious accident at some time during Tuesday night and he is now lying at his home, on Pine street, in a partially paralyzed condition, his left side being affected.

Some time during the night Mr. Twit-mire got up and in going about the house in the dark he tumbled, head-long, down the stairs of his home. The old gentleman was badly cut about the head and his face was bruised in a painful manner. He will be confined to his bed for some time. The exact nature of his injuries can't be ascertained.
