IRA C. MITCHELL ESQ., IS DEAD. - Ira committee of ten of the members accompanied C. Mitchell Esq., at one time brilliant as a the remains to Howard. north Spring street, about sunset on Sun-

A rugged, physically strong man he had never known a day's confinement prior to last fall, when he suffered an attack of grip. It was right in the heat of the great presidential campaign in which he broke down and returned to his home, from Clarence, thoroughly exhausted. He was never well afterwards and his death was the result of the gradual decline that seemed to be stealing his remarkable vitality away, day by day, ever afterwards.

He battled against the inevitable as well as one of his years could possibly have done, but when gastric fever developed, a few weeks ago, his physicians realized that there was no hope for him.

Services were held at his late home at noon, on Tuesday, and the remains were taken to Howard for burial in the cemetery so near the place of his birth. Dr. Laurie, of the Presbyterian church, officiated and addresses full of warm consolation to the bereayed were made by Nathaniel Atwood Esq., of Girard, Pa., an old school-mate, and Rev. M. S. Blair, the Disciple minister at Eagleville. The pall bearers here were Clement Dale, Ellis L. Orvis, L. A. Schaeffer, D. F. Fortney, M. I. Gardner and

At Howard the body was met by a large concourse of friends of the deceased's boyhood days and it was conveyed to the Woodward cemetery for burial. There Rev. Blair offered a simple prayer and the service was ended. The pall bearers were B. Weber, A. W. Gardner, Ira C. Leathers, Abe Weber, H. A. Moore, William Heberling and W. R. Gardner.

The following sketch of Mr. Mitchell's life was written by his school-mate and life long friend, N. L. Atwood

Ira C. Michell was born at Howard, Pa., April 16th, 1833. His ancestors on his father's side were of Scotch-Irish blood and moved from Cumberland county, Pa., in the early part of this century to Belmont county, Ohio. The family were devout Methodists. His grandfather, on his mother's side, was

James Packer. His maternal grandmother

was Charity, daughter of Hezekiah Bye, who

was an emigrant from Half Moon township, in this county, to a point near New Lisbon, Ohio. About the same time his father's ancestors went to Belmont county. Both the Packers and the Byes were of the Quaker persuasion. His grandfather Packer owned and occupied the farm opposite Howard. which is still owned by his decendants and on which the Hon. John A. Woodward now lives. Here was born then Hezekiah Bye, William Fisher, John Pettie and Sarah Bye Packer. William F. was the last Governor of this State before the war of the rebellion. The boys were all in good health, menced to practice law in Bellefonte about but report having had a very trying time the year 1853. His eminent abilities and pleasing manner and address brought him rapidly into favor, and his prospects were bright for a large and lucrative practice. He, however, preferred the profession of his father. And after a very few years abandoned the practice of the law and devoted

his life to the ministry of the gospel. His intimate knowledge of the scriptures eminently fitted him for the work. The government of the church was congregational. His eloquence and ability soon brought him into prominence, and he labored with great zeal and earnestness in Illiginia, Alabama and Prince Edward Island. As a speaker and a writer in this cause there are few who stood higher in the estimation of the church.

Mr. Mitchell was married three times. His first wife was Melissa Edgar, of Ken-Sophia Elliot, of Bradford, Pa., by whom he had one child, Nathan J., now residing in New York city. DEATH LOVE'S A SHINING MARK .- The sad death of Dr. S. E. Noll, which was announced in this place Wednesday afternoon, was quite as much of a shock as this community has experienced for some time. Young, robust and meeting with success in his profession he failed to give serious consideration to his own condition, his health having been impaired ever since an attack of jaundice about eight weeks ago. Ambitious for the honorable place he would undoubtedly have gained among physicians of this section he was untiring in his work and exhaustive in his study, but of what avail, for in the devotion to it he lost his

Dr. Noll became ill about eight weeks ago, but it seemed not of a serious nature and he was loath to give up his growing practice long enough to eradicate it. Keeping at his work he failed to improve and the latter part of last week his condition became really alarming. It was at once decided to remove him to the Medico-Chirurgical hospital, in Philadelphia, and his brother Abner accompanied him to that institution on last Monday. When they left here the doctor thought he was suffering with enlargement of the liver and when he reached the hospital the physicians there thought he had catarrhal clogging of that organ, but the doubt remained only for a day and a half when the doctor died and it was found that an abscess that had formed in the cavity between the liver and stomach had broken and the hemorrhages that followed caused his death

The remains were brought here, yesterday morning, and taken to his mother's home, at Pleasant Gap, where services will be held to-morrow at 9:30. Rev. Dr. R. L. Gerhart, of the Reformed church, will officiate and interment will be made at Zion.

Dr. S. E. Noll was born at Pleasant Gap, August 18th, 1868. He was the fifth son of the late W. H. Noll, Esq., who died About the year 1820 began the religious May 28th, 1895. MRS. UNDERWOOD DIES SUDDENLY .-Though she had been ill a long time, the dregs of an attack of grip contracted last diphtheria. January having caused her almost continued suffering, the sudden dissolution of Mrs. Z. Underwood, early Friday morning, was in the nature of a surprise to her many friends in this place. She had retired the evening before, apparently no worse than she had been for some time, and just a few moments before she expired she wakened her husband with the startling information that she thought she was dying. He tried to reassure her, but started at once to arouse his two eldest children. When he returned to her room he found that her thought had been only too true. She was dead.

Deceased was nearly 38 years old and was born in Milroy, Pa. She was a daughter of Daniel Miller, of that place. She leaves seven children to mourn their loss. They are: Jesse Miller, Maggie Bell, Robert Bruce, Wallace Blaine, William Charles, Frank C., and Martha Blanche.

The funeral took place Sunday afternoon at 4 o'clock, from her late residence, on Howard street. Rev. E. E. Hoshour conducted the services. Interment was made in the Union cemetery.

Deceased is survived by six children among whom are Mrs. Ida Bechtel, of Blanchard, and Robert Traister, of Howard. Mr. Traister was a veteran of the late war and was attached to Co. A. first regiment eight artillery.
