

TELL YOUR FRIENDS ABOUT IT.

If every reader of the WATCHMAN would tell all of his friends that it is a paper worth reading and that its news is always reliable they would be doing them a great favor by starting them in the right direction toward getting a paper that is up to date in editorial, local and general news departments.

Though the WATCHMAN is a STRICTLY DEMOCRATIC JOURNAL, it publishes all the news without bias and spends lots of money to get it to its readers in the most presentable manner. It is always reliable and carefully edited, so that it has gained the reputation of being the cleanest weekly paper in Pennsylvania.
