**A WOMAN'S BURDEN.**

*This is a story of a woman addressed to women. It is a plain statement of facts too strong in themselves to require embellishment, too true to be doubted, too instructive to be passed over by any woman who appreciates the value of good health.*

The woman of to-day are not as strong as their grandmothers.

They are bearing a burden in silence that grows heavier day by day; that is sapping their vitality, clouding their happiness, weighing them down with the woe of ill health.

Mrs. Alexander B. Clark, of 417 Michigan Avenue, Detroit, is a typical woman of to-day. A wife with such ambition as only a loving wife can have. But the joys of her life were marred by the existence of disease.

Suffering as thousands of her sisters have suffered, she almost despaired of life and yet she was cured.

To-day she is well!

She wants others to profit by her experience; to grow well; to enjoy health; to be as happy as she is.

"For five years I suffered with ovarian trouble" is Mrs. Clark's own version of the story. "I was not free one single day from headache and intense twitching pains in my neck and shoulders."

"For months at a time I would be confined to my bed."

"At times black spots would appear before my eyes and I would become blind. My nerves were in such a state that a step on the floor unsettled me."

"Eminent doctors, skillful nurses, the best food and medicine all failed. Then I consented to an

operation. That, too, failed and they said another one was worse than ever and the world was darker than before.

"It was then I heard of Dr. Williams' Pink Pills for Pale People."

"I heard that they had cured cases like mine and I tried them."

"They cured me! They brought sunshine to my life and filled my cup with happiness."

"The headache is gone; the twitching is gone; the nervousness is gone; the trembling has ceased, and I have gained twenty-six pounds."

"Health and strength is mine and I am thankful to Dr. Williams' Pink Pills for Pale People for the blessing."

Dr. Williams' Pink Pills have proved a boon to womankind. Acting directly on the blood and nerves, they restore the requisite vitality to all parts of the body, creating functional regularity and perfect harmony throughout the nervous system.

The pallor of the cheeks is changed to a delicate blush of health; the eyes brighten; the muscles grow elastic; ambition is created and good health returns.

Dr. Williams' Pink Pills are sold by all druggists, who universally consider them the most important remedial agent they have to dispense.
