Sec. Meyer read the minutes of the meeting held last August at the picnic and they clined to act on the committee owing to his devolving on him at his time of life. The resignation was accepted and O. E. Miles, of Milesburg, who was present as his substitute, was elected a full member of the committee. Owing to the death of and John I. Olewine, present as a substi-

tute, was regularly elected to fill the place. John D. Sourbeck was received as a substitute for T. A. Shoemaker and then a letter was read from L. G. Furst, of Mill Hall, who had evidently gotten mixed between the business men's picnic and that of the veteran's association, as he wrote that he couldn't take part in this one because he was already interested in the veteran's picnic for Clinton county.

With this done the committee got down to work and upon motion of P. P. Rittman selected August 18th as the day on which made the picnic day.

Upon motion of Mr. Rittman the mayor of Lock Haven and the burgess of Bellefonte were appointed a picnic advisory committee.

Mr. Warfield then appeared on behalf of the central R. R. A FLAG RAISING AT THE HOTEL HAAG. -Proprietor D. C. Keller of the hotel to raise a flag as an evidence of their personal patriotic impulses. Though Bellefonte has been in gala attire ever since the war began there has been no such a pretentious flag raising by any individuals as these gentlemen had on Saturday night. Immediately in front of the hotel a 6x12 flag floats proudly from the top of a 661ft. band was there to contribute the musical numbers. C. M. Bower Esq., was master of ceremonies and introduced Col. D. F. Fortney, Clement Dale Esq., and Cap't. Hugh S. Taylor, of Co. B, who made fitting talks and were frequently cheered.

Cap't. Taylor happened to be home spending Sunday with his family. His presence was possible because of his having been in the State mustering in the four new companies to fill out the Fifth's full complement under the regular army standing. His talk was particularly well received, inasmuch as his statements regarding the superiority of Co. B were so gratifying to their friends at home.

The flag was hoisted in honor of our home company and at the conclusion of the ceremony three rousing cheers were given for landlord Keller, who gave the pole, and Mr. Haag, who contributed the flag.

HELD FOR COURT FOR ASSAULTING ELIZA WALKER .--- Charles Baney, a hostler at Baum's livery, had a hearing before justice Keichline at 9 o'clock Tuesday morning, charged with having made a brutal assault on Mrs. Eliza Walker, a widow who lives in the "Brown Row."

According to Eliza's story it was about as follows: On Saturday night about 10 o'clock two men knocked at the door of her home. On her opening the door they forced their way into the house and after insulting her proceeded to beat and abuse her shamefully. She was all by herself and her cries for help finally frightened the villains away. Both her eyes were blackened and she was badly bruised about the body. One of her assailants was identified as Baney and he was arrested. but set up the claim that at the hour he was reported to have been at the Walker house, he was actually calling on his girl.

Justice Keichline held him in \$200 bail for court. V. J. Bauer went on his bond and he will have his liberty until that time, as least. Stories seem to be very different about this affair for while Eliza says it was a few minutes after ten that he was out at her house, Charley says he was calling on his girl at that time and the WATCHMAN can produce evidence that he was drunk and crossing the "Diamond" at a few minutes after ten that night. Of course it all depends on what different people estimate a "few minutes" to be.

TWO OF OUR SOLDIERS AT HOME .- On last Friday morning two of our soldiers arrived home from Chicamauga on sick leave and both will remain here until they regain some of the vigor they have lost in the southern camp. Dr. Hayes has been a very hard worked man while in camp and the rest he relatives live here, so that even though he has is taking was an absolute necessity. The most complimentary reports have come from Chicamauga as to his indefatigable attentions to the sick soldiers and it is a matter of gratification that he has come home before his health became so seriously impaired as to render further service to the army impossible. N. B. Spangler Esq., clerk for our own Co. B, is home looking anything but well. He is suffering with an abscess near the base of his spine.
