Reilly, of Carlisle, and Dr. R. Armstrong, of Lock Haven, are the other members of the board. They went to Harrisburg, on Saturday, to examine Dr. H. A. Arnold, of Ardmore, who passed satisfactorily and started for Newport News, where he expected to enter the service.

-Mr. Bill Ammerman, whom everybody in Bellefonte knows because of one escapade or another, was "done" to a turn in Tyrone on Saturday night. Dressed in his best bib and tucker and armed with letters of recommendation that didn't recommend, Bill had started for Philadelphia to get a job. He stopped all night in Tyrone and shared his bed at the Pennsylvania house with W. Baker, of Altoona. clothing and had left his own ragged, dirty, tatters for the Bellefonter to wear on at 7:30 p. m. for Bellefonte and intermeto Philadelphia.

A FRIGHTFUL STORM IN NITTANY VAL-LEY.—The most destructive storm of the season passed over this section last Saturday evening and while it was severe enough for all purposes right here in Bellefonte its greatest fury seems to have swept eastward with ever increasing force.

It rained very hard in Bellefonte, a number of telephone wires were struck by lightning and the home of C. C. Shuey, on High street, was struck; Mrs. Shuev, having been in the act of lowering a window at the time, was slightly stunned. Down Nittany valley it played havoc.

While the storm was very heavy at Clintondale and vicinity there was very little rain at Mackeyville. The steeple on the Evangelical church, however, was blown over. At Loganton the rain fell in sheets and a great deal of the surface water poured into the cellars.

The house of Mrs. Roffe, at Mill Hall, was struck by lightning, the shock of which was very preceptibly felt by the in-

Near Salona the lightning struck the chimney of Isaac Reish's dwelling, and the fiery fluid ran through the rooms and over the stove. Mrs. Reish was stunned by the force of the stroke, but soon recovered

From Clintondale to Lamar seventeen uprooted trees were counted. A large pine tree was blown across the tracks of the Central railroad, causing a delay to the picnic train returning from Hecla of over an hour. An elm tree on the George J Eldred's estate, that had withstood the storms for fifty years, was blown over.

The storm's fury was all spent between the hours of 6 and 7 in the evening. It was the most frightful combination of rain, hail and wind that ever passed over the valley and its path is marked by a track of desolation four miles wide-or extending from Nittany to one mile east of Clintondale. A perfect swath of trees were felled about the old Clintondale camp meeting grounds and scores of fruit trees went down before the big blow.

Dr. Smith's orchard is completely ruined. Lightning struck his house and tore the slate from one half of the roof, leaving the rain pour in in torrents and ruining many of his household goods.

Other buildings struck were the Evangelical church, David Wolf's house, Adam Heckman's farm house, all in or near Clintondale. Jacob Krape's implement building blew down and his binder and other implements were destroyed.

Hail seriously damaged the corn and tobacco crops on Andy Hunt's farm. His loss in these alone will reach \$800. Cyrus Walker's corn crop is a total loss and many others have been nearly as unfortunate.

COUNCIL'S REGULAR SESSION.—All but one of the councilmen were present at the meeting Monday night and the following business was transacted.

A petition from the residents of the north they asked for repairs to that thoroughfare court house. It was referred to the Street committee with power to make the needed

W. H. Musser made complaint of nuisances in front of D. Garman's property on east Lamb street and also that residents of that quarter turn their slops into the surthe Nuisance committee for investigation.

The borough solicitor made a report official with neglect of duty in allowing cows to run at large on the street. Council took the matter up and demanded that he either do his duty or resign.

Wm. Hill's request that a boardwalk be laid in front of A. M. Hoover's property on north Water street was referred to the Street committee.

The request of Mrs. Mary Quinn, of Logan street, that she be exonerated from the payment of taxes because she is poor and ill and unable to make payment of same, was referred to the Finance committee.

A badly needed crossing got before council through a petition of Linu street folks. They want a crossing over Locust alley between the Reynolds and Blanchard properties and they want it bad. The crossing is needed there and the Street committee should act accordingly.

Fire marshall Joseph Wise reported on the Haag hotel fire that the loss was \$2,000, and the insurance of \$1,200, also of the bursting of several sections of hose.

The Water committee reported the cleanleak in it that cannot be located. The about one million gallons of water are being consumed daily.

The Market committee reported the collection of \$10.20 fees for two weeks.

He was barefooted when picked up by the Tyrone police and the pair of shoes that were found in the hall of the Leister house just fitted him.

-A fine barn on one of the Curtin farms at Curtin Works was totally destroyed by fire on Wednesday afternoon. The tenant, Andrew Glenn, was busy hauling in grain at the time the fire was discovered and as the men were all out in the fields very little of his stock was saved. He lost a horse, two cows, some sheep and pigs and most of his implements with all of the grain and hay in the barn. As he had no insurance the loss will fall heavily upon him. Mr. Curtin had the barn fully insured. The fire was undoubtedly caused by spontaneous combustion. The story
