FELL INTO A CISTERN AND WAS DROWN-ED .- A shocking accident occurred at the home of Emanuel Noll, on North Allegheny street, early Monday morning, whereby Annie the little five year old daughter of Michael Lamb lost her life in the presence of several people whose distressing predicament it was to be within a few feet of her, yet powerless to render as-

The child had practically become one of the Noll household as ever since its infancy it had been the object of the deepest affection from both Mr. and Mrs. Noll. The Lambs lived near their home and in consequence Annie had become almost a part of it. On the fatal morning the child was playing about in the kitchen, where the girl was washing. To secure water for washing without going outside to the pump, Mr. Noll had a small trap door put in the floor which covers a portion of the cistern. Through this opening it was customary to draw water on wash days, as was being done on Monday. Annie had just asked Mrs. Noll for a drink of water and the latter was getting it for her when, while both women for a moment had their attention drawn from the child, it evidently toppled into the opening in the floor. Not a scream or sound was heard and had it not been for the splash of the body in the water below the women would not have known where they did of the awful fate of their little girl. They called for assistance and John F. Potter, of Milesburg, who was passing at the time, ran to be of service, but try as they would they couldn't get a ladder through the opening in the floor. No one seemed to think of the eistern seat just outside the building which could easily have been lifted. After they had tried every means known to them under such excitement Mr. Potter got a rake and grappled the clothing of the little girl and drew her body out.

Life was extinct, for Drs. Harris and Dobbins worked for an hour over the body with the hope of rekindling any spark of life that might have been left.

The father, mother, two sisters and two brothers survive her. Funeral services were held in St. John's Episcopal church Wednesday morning at 10 o'clock.

MRS. MOLLIE MINSKER FOUND DEAD IN BED.-Mrs. Mollie Minsker was found dead in bed in her flat over McCalmont & Co's. store, on High street, on Monday morning. The circumstances surrounding her sudden death were particularly distressing as her little daughter made the shocking discovery and was all alone with her dead mother in bed. The child got awake early in the morning and upon looking at her mother discovered that there was something unnatural and upon touching her found that she was cold in death, having evidently died early in the night. The little girl's cries aroused other occupants of the building, but it was too late e do anything for the woman.

The remains were taken to the home of Mrs. Minsker's father, David K. Hoover, near Roopsburg, just as soon as possible and interment was made from there on Wednesday afternoon at 2 o'clock.

Coroner Locke made an examination of the body and decided that death had occurred from heart failure. She was known to have been almost a continual sufferer with heart trouble

Mrs. Mollie Minsker was the daughter of David K. and Mary E. Hoover, of near Roopsburg. She was born in Penns valley, Feb. 14th, 1867. She was married to Girard Minsker, who was for many years in the employ of P. B. Crider & Son of this place. Her husband preceded her to the grave about ten years ago. She leaves two children, Verna who lived with her and Rachel now in an orphan school in Philadelphia. She is also survived by her father and mother and the following brothers and sisters: Frank, Robert and David, of Altoona; William, of Axe Mann; Mrs. Cornelius Hazel, of near Bellefonte, and Katie, who resides with her father near Roopsburg.

PHILIPSBURG'S WELCOME TO HER SOL-DIERS.—The citizens of Philipsburg gave the soldiers who went to the front from that place a great reception Friday evening. It was a regular home-coming jubilee in which thousands of people participated and our sister-town rang with the patriotism of an enthusiastic and happy populace.

The parade was led by chief marshall Thomas G. Emerson and J. H. Eskridge and Frank Hess as aids. It was in two divisions. The first was made up of members of Cos B, E and L under command of Capt. Hugh S. Taylor, of Co. B, and Capt. J. E. Harder, of Co. L; the Grand Army men and Sons of Veterans. The day of atonement is the tenth day of the seventh month of the Hebrew calendar. The month is called Tishri, and is observed in accordance with the divine command ed from Tyrone on Monday morning. They had and found throughout Pentateuch, especially in the twenty-third chapter of Leviticus, wherein it is declared that the day shall be one of the most holy convocations. At dark of the second day the four sounds of the ram's horn announce the conclusion of the fast. Yom Kipper, as the fast is known to the Hebrews, means total abstention from food and drink and a continuous exercise while it lasts. During this period all kinds of festivities are avoided which might in any way reflect on the observance of the feast. Weddings, however, can be celebrated as usual.

All classes of Hebrews, the reformed as well as the orthodox, join in observing the day of atonement, and it is more popular to-day, especially in the United States, than it has been at any former period. There is on this holy day a general cessation of secular labor among the Hebrews.
