

ADDITIONAL LOCALS.

A new iron roof is being put on the Bush house.

H. E. Bierly, of Rebersburg, who has been a member of the faculty of the Virginia Woman's college, at Roanoke, has resigned to accept the chair of biology at the State College of Florida, at Tallahassee.

The Bellefonte Academy and Williamsport High school foot ball teams will play on the glass works field to-morrow afternoon at 2:30. Last Saturday the two elevens played a tie game at Williamsport and a fine contest can be looked for to-morrow. 25c. admission will be charged.

Samuel Thompson Neving, of Buffalo, N. Y., and Miss Grace Edmonds Dornaux, of Wellsboro, Tioga county, were married at one o'clock Tuesday afternoon. The ceremony was performed at the home of the bride. After December 1st Mr. and Mrs. Neving will be at home, at 544 Ashland Ave., Buffalo. The groom is very well known here in Bellefonte, his former home, and it was while employed in the First National bank here that he was offered a similar position in Buffalo.

WHOSE BABY WAS IT?—A startling discovery was made by a brakeman on a west bound local freight on the Bald Eagle valley, Wednesday afternoon. When the train reached Port Matilda a baby was found in one of the box cars. It was plainly a new born child and had no clothing at all on; being merely wrapped up in an old shawl.

As the train was a local freight and had made a number of stops between Lock Haven and Port there was no way of telling where the babe had been placed on the car, or whether it had been alive when it started on its journey.

Such a case needs police attention, for it might possibly have been one of the most cruel forms of infanticide.

GREAT REFORM GATHERING HERE NEXT WEEK.—Next Saturday night, October 29th, there will be a great gathering of Democratic voters in this place to hear the Hon. Geo. A. Jenks, Congressman Sowden and the other candidates on the state ticket. Two meetings will be held here that evening; one in the court house, the other in the opera house. At the latter place seats will be reserved for ladies.

Special return trains will run from here over the Bellefonte Central to State College and Pine Grove Mills; over the C. R. T. of Pa. to Salona and over the L. and T. to Coburn after the meetings are over. On the two first named roads a one way fare for the round trip will be given, but on the L. and T. the rate will be two-thirds regular fare.

AN EAST LAMB ST. HOUSE BURNED.—Between twelve and one o'clock Tuesday morning the frame dwelling house occupied by the Misses Margaret and Jennie Laughlin, on east Lamb street, caught fire from a defective flue and was burned to the ground.

The fire was seen by several people about the same time and when they arrived at the scene the front door of the house had to be broken in before the ladies could be aroused. Chas. McClelland, John Laurie and Calvin Pifer were on the scene early and as the fire burned very slow they were able to save most of the household goods. The fire had gained such headway before the arrival of the companies as to make it impossible to save the Laughlin house, so all of their energies were directed to saving adjoining property, some of which was on fire several times.

There was \$500 insurance on the furniture and \$800 on the building. The property belonged to the estate of the late Martin Laughlin and will hardly be rebuilt.

THE THIRTY DAY FURLOUGH EXPIRED.—The furlough of the soldiers of the Fifth, U. S. Vols., expired at eleven o'clock on the morning of the 18th and the companies reported at their various armories for duty.

A company located in this place has naturally been the object of greatest interest to Centre countians and its future always a matter of conjecture. Seventy-two of the boys were on hand when Capt. Taylor called them back to duty in the armory at eleven o'clock Tuesday morning, four fell in before the inspection was over and the fifteen Phillipsburg members arrived on an afternoon train. About ten of the men are still at their homes or in hospitals where they are confined by illness.

In his speech to the men Capt. Taylor announced that their time of final mustering out had been extended until November 7th and that they would be expected to hold themselves in readiness for duty at any moment. That meant that none of them dare work, they must all wear their uniforms constantly and report at the armory at 9 a. m. and 4 p. m. for roll call. It seems pretty hard to compel the boys to loaf about here for twenty days longer, to subsist on their scanty \$13 per month pay and the 50c. per day that has been allowed them for rations.

It has been decided that the Fifth is to go to the Peace Jubilee in Philadelphia, but funds have been provided to transport only 50 men of each company in the regiment. Some of the companies have declared their intention of staying at home unless all the men are taken, while others will draw lots for chances on the trip. Adjutant General Stewart says that former members of the National Guard, who enlisted in the United States service and were honorably discharged, will be given sixty days after their muster out to re-enlist in the National Guard, and those who re-enlist within the next sixty days will be credited with continuous service in the National Guard. The old regiments will retain their old numbers.

ACCORDING TO FOSTER.—The next disturbance is to reach the Pacific coast about the 18th, cross the west of Rockies country by the close of the 19th, great central valleys 25th to 22nd, eastern States 23rd. Warm wave is to cross the west of Rockies country about the 18th, great central valleys 20th, eastern States 22nd. Cool wave is to cross the west of Rockies country about the 21st, great central valleys 22nd, eastern States 25th.

During the week ending October 24th the temperature is to go to great extremes. A wave of high temperature is to cross the continent east of the Rockies, followed by a cool wave.

MARRIAGE LICENSES.—Following is the list of marriage licenses granted by orphan's court clerk, G. W. Rumberger, during the past week:

B. F. Royer, of Potters Mills, and Mary E. Lingle, of Spring Mills. Chas. W. Owens, of Decatur Twp., Clearfield county, and Mary M. Lingenfelter, of Philipsburg, Centre Co., Pa. Frank O. Swale and Elva E. Nearhood, both of Graham Twp., Clearfield Co., Pa. Wm. F. Kessinger, of Liberty Twp., Centre Co., Pa., and Mattie F. Lucas, of Howard, Pa.

Wm. T. Winkleblecht, of Coburn, and Mazie E. Musser, of Aaronsburg. Thomas B. Whitmer and Katie M. Harter, both of Coburn, Pa. Jerre Albright, of Spring Mills, and Oriole R. Meyer, of Penn Hall.

John C. Harris, of Point Lookout, Centre Co., Pa., and Linda Blowers, of Philipsburg, Pa. Charles A. Walizer and Cora M. Thompson, both of Howard, Pa. Lewis Barto and Emma L. Kustenborder, both of Ferguson twp.

John S. Bush and Rachel Resides, both of Union twp.

ALL THE COUNCILMEN PRESENT.—Something is certainly going to happen soon. All of the councilmen have attended two successive meetings. On Monday night they were all there and transacted the following business. The request of L. C. Wetzel for an additional light on Curtin street was referred to the Street committee for investigation and report. Mrs. Bernard Powers' request to have the water main extended to her property on east Lamb street was acted upon and the Water committee was instructed to lay a 1 1/2 inch pipe. Requests were made for new sidewalks along Ridge street, between Curtin and Beaver, and on east Bishop street walk was reported in bad shape. Both were referred to the Street committee. A renewal of the \$10,000 insurance policy on the boilers at the water works was approved.

The Street committee reported work done on Bishop, Lamb and Thomas streets. The Fire and Police committee had no report to make. The Water committee reported a new fire plug placed at the corner of Curtin and Spring streets, sundry repairs to the service and that the steam pump is running sixteen hours a day. The market committee reported the collection of \$5.50 in fees.

Upon being hauled up before council for not properly performing the functions of his office James McCafferty informed the august body that it is not his duty as high constable to arrest itinerant cows. Jim told them that they had no jurisdiction over him and couldn't make him resign and there he had them, for they didn't know whether they could or not.

Col. W. Fred Reynolds appeared and offered to pave the alley between his property and the Blanchard house, on Linn street, if council would abandon it, but council came to the conclusion that it did not have the power to do it. After deciding to build a new vitrified brick sidewalk in front of the water works bills to the amount of \$335.22 were approved and council adjourned.

Madisonburg. Chestnut picking is about closed for this year.

The first frost amounting to anything occurred here Monday morning. John Best and sister Jennie were seen by their many friends here on Sunday.

Mrs. William Ruhl left for her home at Mill Hall, the first part of the week. The weather has not been very favorable in this section for the husking bees to ply.

Messrs. Ed. and William Royer, of Zion, were the welcome guests at Elias Miller's over Sunday. Kline A. Miller seems to be the first lucky turkey hunter in our town for this season. He killed a fine wild turkey on Wednesday.

Dr. D. K. Musser, of Aaronsburg, made some calls in the town last week. Anybody desiring a good dentist will find it in the afore named person. William Hoover and wife, accompanied by Miss Myrtle Bennett, of Brookville, have been spending the last few weeks visiting his sister Mrs. Noll and friends. Mr. Hoover is a prominent machinist of that place and tells us of Governor George A. Jenks with whom he is well acquainted. Such recommendations from men of your own home are well worth having.

Pine Grove Mention. Cider making this year is a short job. Mrs. Luther Sunday, who has been seriously ill for the past week, is better.

Rev. Asbury Guyer is conducting a protracted meeting in the M. E. church here. Mrs. John Snyder has been so seriously ill recently that there is very little hope of her recovery.

Squirrels are reported as being very scarce and those that have been shot are lean and lanky. Mrs. Lizzie Gibson, who has been confined to bed with an attack of lumbago, is able to be about again.

The bulk of the largest corn crop in years will be harvested this week.

Mrs. Wm. A. Tanyer is off on a visit to her daughter, Mrs. Milton Shuey, near State College.

A. C. Williams, candidate for prothonotary on the Republican ticket, cast his political eye over his scattered forces in this section this week. S. T. Poorman, one of Potter township's push farmers and rockribbed Democrats, transacted some business in our town on Saturday.

Bugler Elmer Bowersox, son of Frank Bowersox, who has been sick with typhoid fever is on his way home from Huntsville, Alabama.

Geo. W. Harman and wife Sundayed at the mansion home of the venerable Samuel Harpster, of Gatesburg, where one receives a royal welcome.

Mr. and Mrs. Wm. Eckley are mourning the death of their five week's old daughter. The bereavement is doubly sad as it is only five weeks since they buried an older child. Mrs. John Musser, one of Aaronsburg's most companionable and accomplished old ladies, is the guest of Mrs. P. F. Buttort. Her former home was the one now occupied by Michel Hess, of near Shingletown.

Farmer John Bowersox and wife, of near Milroy, Milroy county, enjoyed a pleasant visit in the early part of this week among their Fairbrook and Pine Hall relatives. They are delighted with their new home over the mountain.

On Wednesday Reuben Tressler, our miller, while unloading some of the heavy machinery for the new mill, was struck on the head by a piece of timber which came very near ending his life. He suffered considerably from an ugly gash on his head, which is somewhat better now.

John Ishler and wife, of Benner township, and Wm. A. Ishler and daughter, of Bellefonte, passed through here Wednesday on their way home from a three days stay at the hospitable home of Uriah Gates over in Huntingdon county, where they found chestnuts more plentiful than squirrels.

Our young friend Samuel Hoover Gilliland held the winning card for a free scholarship at the veterinary college in Philadelphia. He is the son of James C. Gilliland, of Oak Hall, and we congratulate him on his good fortune and expect to see his professional shingle swinging in the breeze in due time.

At public sale last Saturday the George Eckle property was hammered down to W. H. Roush at \$550.00 and the six shares of water company stock were knocked down to J. H. Ward at \$6.50 per share. Mr. Roush will occupy his new quarters on confirmation of sale by the court at the November term.

Mr. E. O. Bowersox, clerk up in the Altoona railroad shops, and his wife are recuperating their health among Fairbrook relatives, with headquarters at G. W. McWilliams. Mr. and Mrs. Stover, of the same place, made their fall visit last week to the McWilliams home, which is known to the Altoona folks as a summer resort with plenty of fresh air, pure water and the very best table the season affords.
