THE CORONER'S JURY VERDICT ON MRS. GARBRICK'S DEATH.—The verdict of the day night. coroner's jury as to the causes leading up to and involved in the tragic death of Mrs. Mitchell I. Garbrick, in this place, last week, promises to be the beginning of an investigation that will be of unusual interest to the people of this community.

For several years Miss Rebecca Parry has been located in this place advocating what is known as christian science. Just what her principles and modes of work are day night. are not definitely known, but the testimony that was developed before the coroner's jury has led to the belief that Mrs. Garbrick's death was the outcome of mental aberration, due to excessive study of the

The jury was composed of coroner Locke, E. R. Chambers Esq., Hard P. Harris, William Waddle, John Walsh, H. H. Montgomery and George Waite. The following testimony was heard:

M. J. Garbrick, sworn-Wife had been ill from last June a year ago. Had been well for 2 years previous. Met Miss Parry in for 2 years previous. Met Miss Parr fall of 1896-97; Mr. Stine invited her to my wife Miss Parry became intimately acquainted and my wife got worse and said she was tormented with the devil because Miss Parry had caused her to leave her church, taught her that there was no devil and that she had no right to sleep with her husband. I believe my wifes condition was owing to the teachings and treatment of Faith cure and Christian Science. She charged her \$5 per week for treatment. His wife went to race to drown herself but couldn't do it, she became turned against Miss Parry and often said she would murder Miss Parry and then she could get well. Every time Miss Parry treated her she got worse, she never was in-sane before she saw Miss Parry. Monday night after we went to bed she went out of the house, and a short time after she was killed. She was under instructions of Miss Parry and would take no medicine as it made her worse. Check of five dollars was drawn in favor of Miss Parry, my wife told me she would never die a natural death—Prior to meeting Miss Parry she never was out of her mind and always slept with me until Miss Parry treated her.

Mrs. Lew Gettig, sworn—She lived in the same building which is a double house. Had known Mrs. Garbrick 3 years, had conversation with her the last year. She blamed Miss Parry and her work for her ailment. Miss Parry and her work for her aliment. She called treatment communion with God and gave no medicine. She never said anything against Miss Parry until the last year when I considered her insane.

Mrs. D. C. Stine, sworn-Knew Mrs. J. M. Garbrick. She tried to live on a high spiritual plan before she knew Miss Parry. Mrs. Garbick said she was lost and had committed the unpardonable sin. The last 6 months she destroyed the Christian Science books and turned against Miss Parry. Mrs. Garbrick said God told her to select a coat for her girl which she did, many years before she saw Miss Parry.

fore she saw Miss Parry.

Mrs. John Shadle, sworn—Mrs. Garbrick told me it was through Miss Parry that she got worse within the last year, that she was afraid of Miss Parry and blamed all her trouble on her. She told me she had committed an unpardonable sin; she said she would like to do different but Miss Parry prevented. She charged \$1 and \$4.00 per week.

Mrs. Curns, sworn-Mrs. Garbrick told me she was possessed with the devil and had committed an unpardonable sin; she said there was no death but a change; did not there was no death but a change; and not think she was of sound mind for the last year; she said she tried to get away from it. Thought perhaps that Miss Parry was responsible for Mrs Garbrick's death.

The jury, after several deliberations, rendered the following verdict: We find that Mrs. Emma Garbrick met he having thrown herself under the cars on the P. R. R. near Gerberich, Hale & Co's mill in the borough of Bellefonte with suicidal intent, she being of unsound mind partly produced by the influence of one, Miss Rebecca Parry.

THE OPENING OF THE GUNNING SEAson .-- Last Saturday was the opening day of the hunting season for squirrel, pheasant and quail and though the weather was unpropitious there was a regular army of gunners in the woods. Some of them stayed all day, while others became disgusted zling rain and returned early, empty handed.

The reports have been to the effect that very few squirrels or birds were shot in comparison with last season's opening day ing, October 22nd, to which everyone is The squirrels seem particularly scarce, which is probably due to the failure in the hickory-nut crop. Very few grey squirrels were brought in and only one or two blacks. The red squirrels are as numerous team in that city. The score resulted in a as ever, but the average sportsman will not has purchased 39,000 acres at treasurer's show them up, even if he has resorted to shooting them, in lieu of anything larger.

Wild turkeys are plentiful on Muncy mountain, particularly west of the Milesburg gap, where several fine ones have been bagged. Through Nittany valley the quail shooting is reported good, both on and off the Nittany club preserve.

Tom Fleming and James McCafferty the whole the game has been very scarce. Some of this can properly be ascribed to the unfavorable hunting weather and it is quite likely that these fine days will bring big saddlery, yesterday morning, and forth more pheasant.

On Saturday hunters along the Bald Eagle side of the Muney ranges frightened turnout that even made the sun ashamed a large black bear out of its retreat and to peep out until near unto ten o'clock. just as a west bound passenger train was nearing Martha station bruin crossed the tracks ahead of it on its flight toward the Alleghenies.

WANDERED AWAY AND DIED .- The community of Spring Mills was shocked, on Wednesday morning, when the body of tains near his home. The old gentleman had been demented for years and on Tuesday evening, while the women were milking, he wandered away from the house. As he did not return at night-fall a searching party was organized and seventeen men secured the country round about until after mid-night, when they gave up in dispair. The night was very stormy and there was little hope that the old man could survive the exposure to the cold rain and wind. In the morning the search was renewed with the result that his dead body was ound lying in a ravine near the top of Brush mountain. Worn out by his wandering over the rugged mountain he had evidently fallen dead in his tracks.

George Krape was, in his earlier days, one of the leading farmers of Gregg township. Straightforward and honest he enjoyed a position of esteem in the community. He was about 82 years old and is survived by his widow and the following children: W. B., Chas.
