> THE EXERTION CAUSED HIS DEATH. -D. R. Malone, a Beech Creek man, met death in a rather peculiar way last Thursday. He noticed a team of horses owned by J. W. Some time after the arrival of the T. & C. train in Tyrone, Mr. Paul and his messmate, private George Cowan, went over to town. AN OCTOBER WEDDING.—The marriage of Miss Charlotte, second daughter of Mr. and Mrs. Ralph Spigelmyer and G. > STATE'S FINE RECORD. - The recent rip of The Pennsylvania State College foot ball team has been the most successful ever made by the State kickers. On Saturday they played the U. S. naval cadets at Annapolis and were beaten by a score of 16 to 11, in a very exciting game. Returning to Philadelphia they played a practice game with the University of Pennsylvania team, on Monday afternoon, and easily defeated the Quakers by the score of 15 to 5. While the game was merely for the practice of both teams it showed State the strength she might possibly develop and encouraged her players for their game at Princeton on Wednesday.

Last year State gave the tigers a bad case of heart disease by the stiff game they played and Princeton knew she would have no easy task on Wednesday. Accordingly the strongest team possible was sent to when State met it there was a battle royal. township. After the hardest game they have had this season, time was called with Princeton a poor victor by the score of 5 to 0.

The result of the slight practice in Philadelphia ought to demonstrate, beyond a doubt, that all State needs is proper coaching to make her team one of the strongest in the country.

BURGLARIES GETTING TOO NUMEROUS-Safe cracking is becoming decidedly too popular in this county. Last Thursday night burglars broke into Thompson & Smith's store, at Potter's Mills, and blew the safe open. They secured \$50 or \$60 in cash and took an overcoat belonging to Wm. H. Noll.
