

A VETERAN ENGINEER GONE.—William Temple, the oldest locomotive engineer running in this section, died at his home in Snow Shoe at noon last Saturday, with Bright's disease. He had been suffering several years with the trouble and had undergone several operations in Philadelphia hospitals. Though relief was but temporary he stuck to the throttle almost to the last and took his trains over the road where his face had become almost as familiar as the wild mountain scenes through which he passed daily. He celebrated the thirty-fifth anniversary on the Snow Shoe on the 21st of last June and the last accident he was in was the one at Dry trestle, late in November, when the rails spread and the train left the track, the old engineman jumping to save himself suffered a severe sprain of his ankle.

"Bill" Temple, for that is the name by which everybody knew him, was born in Howard, Centre county, on the 25th of December, 1841, making his age at time of death, 57 years, 4 months and 11 days. He was the son of James and Margaret Temple. During his long career as an engineer he was in many wrecks and had quite a number of narrow escapes from death. He was in the great wreck on the Snow Shoe road which occurred June 11, 1875, when the long trestle went down and Mr. Holt was killed and so many injured. He was the engineer and it was only by his rare presence of mind in giving his engine full steam when he felt the trestle breaking that the train was kept from piling up at the bottom and probably killing everyone aboard. He is the last of the trio of trainmen to go. The late Edw. Nolan was the conductor and Jacob Rapp was his fireman.

He was a veteran of the rebellion having served his country with conspicuous bravery for a period of three years. He also belonged to the Snow Shoe lodge, I. O. O. F.

Deceased was married to Victoria Walker, of Snow Shoe, who survives him with the following children: Mrs. Bella Hopton wife of Leo Hopton; Harrison, Edward, Lena and Charles all of Snow Shoe.

He is also survived by his aged mother, Mrs. Margaret Temple, of Bellefonte, and by a brother and sister namely, John Robert Temple, of Florence, South Carolina; and Mary, wife of Robert Thompson, of Bellefonte.

The funeral took place Tuesday afternoon at 2 o'clock from his late residence. Interment in Snow Shoe cemetery.

JOHN GARBRICK HAS PASSED AWAY.—John Garbrick, a well-known resident of Coleville, near this place, died at his home, on Tuesday morning, at a result of a general breaking down of his constitution. His illness was of comparatively short duration and few thought it would terminate fatally so early.

John Garbrick, was the son of George Garbrick deceased, and was born at Hoy's Gap, near Jacksonville, May 17th, 1844, making his age at time of death, 54 years, 11 months and 22 days. When a small boy his parents moved to Shiloh church where he grew to manhood. For the past thirty years he has been a resident of Coleville and was engaged at one time in the ice business, later, however, he went into the grocery business at Coleville which he conducted up to the time of his illness, when he turned it over to the management of his sons.

John Garbrick was married to Mary Ellen Cole, a daughter of John Cole, deceased, who survives him with the following children: Curtis M., Bruce, Mrs. E. A. Nolan and Harry E., of Coleville, and Mrs. H. M. Cowdrick, of Niagara Falls, N. Y.

He is also survived by one brother and three sisters, namely, Amos Garbrick, of Coleville; Mrs. Catharine Shuey, of Shiloh; Mrs. Rebecca J. Meese, of Jones, Mich.; and Mrs. Annie Noll, of Milesburg.

The funeral took place yesterday afternoon at 2 o'clock from the house. Rev. Allen Rhen officiated and interment was made in the Union cemetery.

ONCE A RESIDENT OF BELLEFONTE.—The Messenger, published at Minneapolis, Kansas, in its issue of April 13th, announced the death of Frederick Dale, who was a resident of Bellefonte years ago. He died on Wednesday, April 5th, as a result of a stroke of paralysis and was buried from the Presbyterian church there on the following Friday, according to the ritual of the Masonic order of which he was a member of high degree.

He was born in Berks county Pa., October 2nd, 1819, resided for a long time at Bellefonte, Pa., and from here moved to Michigan and then to Kansas, in 1870, where he has always since resided. There survive him two daughters, Mrs. Levi Hawkins, of Minneapolis; and Mrs. W. P. Williams, of Parachute, Colorado, and four sons, J. C. Dale, of Manhattan; S. K. Dale, of Topeka, Kan., and W. F. and C. E. Dale, of Minneapolis.

Dr. David Conway, of Mt. Joy, died in a Lancaster hospital, Tuesday evening. He was pastor of the Presbyterian church at Mt. Joy and Donegal and it was while driving home from the latter place, after service Sunday morning, that his horse ran away, throwing him out and breaking his leg and shoulder blade. He was taken to the Lancaster hospital, where his injuries were pronounced serious, but not necessarily fatal. They proved more so than the diagnosis disclosed for he died very soon. Dr. Conway was well known in Bellefonte, often having visited here. He was a very dear friend of Dr. Wm. Laurie and the latter hurried to his bedside immediately upon hearing of his accident, but he had passed away before his arrival in Lancaster.

A FORMER RESIDENT DIES IN CHICAGO.—Mrs. Samuel Kabello Wing died very suddenly in Chicago, on Sunday morning, after an illness of only fifteen hours from the effects of a hemorrhage. The sad news proved a deplorable message to her friends and relatives in this place, as she had been here as recently as March, visiting her sister, Mrs. L. J. Sharer, of east Lynn street.

Mrs. Wing was born in Bellefonte, September 2nd, 1861. She was the daughter of Henry and Catherine Kabello, then well known residents of this place; Mr. Kabello having been connected with the car works. She was married to Samuel Wing, of Chicago, who is a wealthy mine operator in Colorado and New Mexico, who survives her with their daughter, Marcelle, 12 years old. Her mother and father are living in Altoona now and the others of her immediate family surviving are Harry and Odell Kabello, of Cripple Creek, Col.; Edward and Joseph, of Altoona; Mrs. Mary L. DeArmitt, of Huntingdon, and Mrs. L. J. Sharer, of this place.

The body was placed in a receiving vault in Chicago and will probably be brought to Bellefonte for final interment.

DIED AT YARNELL.—Elizabeth Jane, wife of John Foster Poorman, of Yarnell, died at her home Friday, May the 5th, 1899, and was buried at the Messiah's cemetery. May the 7th, at 11 a. m. Funeral services were conducted by her pastor, B. J. Hummel, assisted by Rev. J. Zeigler. She was aged 67 years, 10 months and 26 days. She was the mother of nine children, as follows: Joseph B., William C., James Ira, Henry E., John T., and Oris M., who died in infancy. The daughters are Clara J., wife of Frank Packer, of Newberry, Pa.; Margaret I., wife of John Stewart, of Munson, Pa.; and Mary M., wife of Thomas Zimmerman, of Munson, Pa.

Mrs. Poorman was a member in good standing of the United Brethren church at Yarnell and will be greatly missed in the church. She was a great sufferer for some time before her death, but was patient and resigned to the will of her Saviour. She leaves an aged husband and many relatives and friends to mourn their loss, but to her it is eternal gain.

FOSTER AND HIS WEATHER.—According to Mr. Foster the people of the country can look forward to having weather something like the following:

"My last bulletin gave forecasts of the storm waves to cross the continent from April 28th to May 2nd and May 4th to 6th. The next disturbance will reach the Pacific coast about May 8th, cross west of Rockies country by close of 10th, great central valleys 11th to 13th, eastern States 14th.

Warm wave will cross the west of Rockies country about May 8th, great central valleys 11th, eastern States 13th. Cool wave will cross the west of Rockies country about May 12th, great central valley 14th, eastern States 16th.

Temperature of the week ending 8 a. m., May 15th, will average below normal in the northern States east of the Rockies, above in southern and about in the Pacific slope States. Rainfall for the same period will be above east of the Mississippi river and below west, except on the northern Pacific coast, where rainfall will be above normal.

Temperature of the first ten days of May will average below normal, the next thirteen above and the last week of the month below east of the Rockies. West of the Rockies line will be the reverse. During the first eighteen days of May rainfall will be below the normal west of the Mississippi river and about normal east. From about 19th to close of the month rainfall will be below normal west of the Mississippi and above east.

The temperature of May is expected to fluctuate all through the month, but its three day average will begin low, gradually rise to far above normal near 18th or 20th, and then gradually fall to far below normal near the close of the month. Pacific slope temperature will be about the reverse of this.

Besides the severe storms heretofore described, a period of thunder, hail, wind and rain storms may be expected about 18th to 23rd east of the Rockies, this being the point where temperature will change from rising to falling."

PINE GROVE MENTION.—Mrs. Henry Fye, of Tyrone, is visiting her many Pine Hall friends this week.

Miss Sadie Keichline has enrolled at the Boscburg academy for the spring term.

Charley Mensch, of Bellefonte, is coming up this morning to join his party of fishermen for their annual outing on Laurel run, Lots of fun and fish are anticipated.

John Campbell, business manager of the Tyrone electric light plant, Sundated at his parental home, near Fairbrook, where he has hosts of friends to welcome him cordially.

Dr. J. Y. Dale will take Mrs. Wesley Tate to a Philadelphia hospital, this week, where she will be operated upon for appendicitis, from which she has been suffering for some time.

Farmer George Keichline's horses became frightened, last Saturday morning, as he was going to the field and in a very few seconds he was on the ground in such a position that it looked for a time as if the undertaker would be needed. He has recovered though and is able to be out.

Prof. G. W. Weaver, who has just been re-elected superintendent of public instruction over in Clearfield county and that without any opposition and a raise of salary, was the fore part of the week having a good time and receiving the congratulations of his friends.

Henry W. McCracken will lay aside his agricultural duties, next week, to don those of a lay member to the General Assembly which meets in Minneapolis, Minn. He expects to be away one month, part of which time he will spend traveling throughout the western States.

Aunt Mary Gitt, who has thoroughly enjoyed her winter spent at the parsonage, left for her home in Hanover last Monday morning. She was accompanied by her niece, Mrs. C. Aikens, and Mrs. Emma Meek, who, after attending the missionary convention in Baltimore, will spend some time in Washington sightseeing.

One day last week Mrs. Jennie Tate had a fright from which she did not recover for several days. She was up in the barn left gathering eggs when the floor gave way precipitating her, and a great lot of hay on top of her, to the floor beneath. She was not seriously hurt even if eggs are scarce.

Rev. Hepler, of Lemont, presided at the meeting of the Spruce Creek Presbyterian church, last Saturday, at which an effort was made to pull out from the many applicants a pastor for the congregation. The position has been vacant for six months but several ballots disclosed the fact that there was a wide difference of opinion as to who should be called and the meeting adjourned without selecting a shepherd.

The rains last week were a Heaven sent blessing to the families who live near the "Barrens." For several days fire had been sweeping everything before it, great stretches of forest land was completely devastated, hundreds of cords of pulp wood ready for shipment were destroyed, fences swept away, and only by heroic efforts were the farm buildings between Marengo and Penn Furnace saved from the destructive flames.
