them in both directions paddled across.

Squad by squad the Kansans went across, under cover of their reserve fire, and when evening." enough were there to make a company they went up the bank around the edge of "Thanks; ever so much!" With a beaming smile she clasped he the trenches and sent a flanking fire down the trenches and sent a flanking fire down along the bamboo embankment. The Filipinos fied toward Gen. Hale, and the Colorado boys and Colonel Funston held the trenches the first mean across the river and the sighs of relief that accompanied her depart-the trenches and sent a flanking fire down sighs of relief that accompanied her depart-the trenches and sent a flanking fire down sighs of relief that accompanied her depart-the trenches and sent a flanking fire down sighs of relief that accompanied her departalong the bamboo embankment. The Filipinos fled toward Gen. Hale, and the the trench—the first man across the river of Quingua and the first man into the Fili-office. pino stronghold.

The Filipinos fled and left bombproof remakes predictions for June as follows: Fine weather will predominate in the Eastern states, several dazzling electrical displays will be seen, and one storm of altreats which did not show the mark of a bullet. They fled before those Kansas boys from trenches which a civilized army never would have left and would have held against a mighty force. But Filipinos do not fight that way. They are building a trail of breastworks far into the north and will be something grand to behold. The

retreat from one to the next as they must. After all was over and Gen. Hale and the Nebraska boys had plunged through the 14th, 16th, 19th, 22nd, 25th and 28th. Some river at the right and had taken possession of the mile of earthworks along that side the Kansas colonel thought he might put on dry clothes. So he slid down the iron gird- month and another comet will be sighted. er of the broken bridge span, swung his boat around as a ferry and climbed up to the bridge and a crowd of admiring friends. There was no hand-clapping and no handshaking just then. It is true the colonel inst.; and an eclipse of the moon on the looked a little as though he had been pull- 22d, but neither visible in America except in Alaska. ed out of a watery grave somewhere.

"Here's your boots, sir," an orderly said.

"Ah, thank you. No use to put 'em on, though. What I need is socks." "I have a dry pair here for you, sir." "Good boy. They must be yours."

There was no reply to this. Some one

suggested dry clothes. "No," was the reply, "they will be dry in a little while now, and they feel good." Then this little man, who some people will call a hero, sat down there in the sun and took off his wet socks and put on the dry ones, and then pulled on his boots with

their brass spurs. "How did it feel going across there, colsulphur and polen and planted only at high flood time. onel?" some one asked.

Don't kill the mosquito with perman-"Kind o' ticklish like, I reckon-eh, ganate of potash or any other drug, for boys?" addressing some more wet members of his party, who, by the way, had no dry socks offered to them. "They are poor they are your friends. They take from your blood the malarial microbes. If the socks offered to them. "They are poor marksmen. Come to think of it, a bullet might have knocked off a piece of this iron bridge and caused damage. That would be accidental shooting." And with that the colonel gave the hand of the chaplain a hearty shake and walked off to join his regiment, which had been deployed in a long line to the left. long line to the left.

The incident seemed to be forgotten. It The incident seemed to be forgotten. It was not as much commented on as a goal kicked from field or a hard dash and a considering football for a provide the confederacy in Mississippi has been given an option on Beauvoir, the home of given an option on Beauvoir, the home of the late Jefferson Davis, and it is probable that advantage will be taken of the oppor-tunity to prevent the property from falling into the hands of people who could have none but a purely pecuniary interest in its possession. Mrs. Davis offers to sell Beau-voir to the chapter for \$25,000, though stating that she has been offered \$90,000 for it by a northern syndicate. touchdown in a Thanksgiving football game. But history has yet to be written. Then the boys took the river, figuratively, for as soon as they were at liberty there was a yell and a dash for the bank, and the Quingua river had more white people in it than it had ever held before.

Peace at Last.

CITY AND TOWN IN THE UNION.

If the reader took the time and trouble to ask his fellow residents of Bellefonte the simple question given below he would obtain the one answer. If he would read the statements now being published in Bellefonte which refer to this answer, it would surprise him to note that they number so many. As many more could be, and may be published, but in the meantime ask the first person you meet what cures backache? The answer will be, Doan's Kidney Pills. Here is a citizen who endorses our claim:

will be, Doah's Klaney Pills.
Here is a citizen who endorses our claim:
Mr. Geo. Cox, residing on what is known as Half Moon Hill, says: —"I can conscientiously recom-mend Doah's Kidney Pills judging from what they did for me. I suf-fered intensely from pains in my back and lameness across my kid-neys. Statements in this paper about Doah's Kidney Pills attract-ed my attention and I called on F. Potts Green, the druggist and got a box. They did me a great deal of good although I did not take them as regularly as I should, for the moment the pain ceased and I felt better I stopped taking them. They gave me the geatest relief and I can give them the credit for saving me much suffering." Doah's Kidney Pills for sale by all dealers. Price 50 cents, Mail-ed by Foster-Milburn Co., Buffalo, N. Y. Sole agents for the U. S. Remember the name Doah's and take no substitute.
