-A house to house visitation is being planned for and arranged by the superintendents of the different Sabbath schools of the town in order that some accurate information may be gained about the number of our people and their connection with the churches. The work has been pursued in the cities and all the larger towns of the State and was so successful in Pittsburg that several hundred people became active on the committee's report.

THE AGRICULTURAL FAIR FOR CENTRE COUNTY REVIVED .- Within the past few Haven hospital. days there has been a revival of interest in the proposition to organize an agricultural fair and racing association in Centre county; this time the men encouraging it being of such energy and influence in the community as to give hope that the plans will either mature or be dropped only after most convincing proof of its impracticability.

For some time the matter has been talked of by interested parties in this place. Several years ago it was taken up and immediately assumed such encouraging proportions as to arouse considerable enthusiasm. It had been hanging fire ever since that time until a party of seven gen--It is expected that the work of tlemen took it up a short time ago and are dipping will be begun at the match works now working faithfully for its accomplish-

> The need of such an annual event for the agricultural classes and legitimate sport lovers is undeniable and no better field for it can be found than right here in Centre county. The unprecedented popularity of fairs in such counties as Lehigh. Blair. Clearfield, Union, Mifflin, Northumberland and other counties within recent years points all too plainly that Centre could be foremost in the van, if the work were properly organized. With this in view the gentlemen at the head of the organization purpose making a careful canvass of the sentiment in the various communities and if it is found to be sufficiently favorable to warrant their undertaking they will proceed along purely business lines. The number of stock holders will be minimum and cash prizes will be offered for exhibits, as well as sufficiently large purses to attract the highest class of racing stables to the trials of speed. Other legitimate amusements will be provided and every comfort and convenience added for the spectators.

The idea is to effect as great a gatherng as is possible, annually, in Bellefonte and the fruits of it should be very apparent to the business men of the town. There could not be a more effective agency for the promotion of a strong business intercourse between Bellefonte and the people of the county than just such a gathering and it is at the organ. to be hoped that there will be a general awakening to a proper realization of this

Several sites are already in view, the most probable one being the fine flat on the Robert and George Valentine farms, just south of east Bishop street, near the old home of Albert Owen. The necessary twenty-five acres can be procured there and water in great abundance could be piped from the spring at the Valentine iron works. The only objection to the site is the fact that it is hard limestone land and the erection of the half mile track would be rather more expensive there than on some of the other properties available.

Whatever the outcome of the effort may be the people of the county can rest assurchurch and was just about to step off the ed that the men promoting it are worthy of every confidence. They do not contemplate can be disposed of, but will see that it is taken up so as to reduce the organization to the best working business basis. The plans are good and their offer to give Centre county what she has long been in need of needs only to be met with encouragement to make it materialize in a rousing annual agricultural and industrial exhibit and sporting tournament.

CONVICTED OF MANSLAUGHTER. - John Harmon, the Pennfield, Clearfield county, store keeper, was on Saturday morning found guilty of manslaughter for the killing of Ezekiel Hewitt. The killing was done in the defendant's store last fall. Hewitt had gone there to know why some goods he had ordered and paid for had not been delivered according to promise; an altercation ensued; when Harmon jumped over the counter and struck him with a scale weight. The man fell dead.

The case attracted considerable attention on account of the prominent attorneys retained in it. The prosecution had former judge Krebs and former Congressman W. C. Arnold, to help the district attorney; while the defense was attended to by Smith & Cole and Hon. George A. Jenks, of Brookville. Every point was fought doggedly and when it was given to the jury, Friday night, no one was willing to venture a guess as to what the verdict would be, though there were those who thought that judge Krebs' powerful speech would not be without its effect. His summing up and recital of the law to the jury was so eloquent and, at the same time so explicit, as to have been listed among the ablest speeches ever made in the Clearfield court

Ezekiel Hewitt was the father of Earl Hewitt, the quarter-back of State's last

year's foot ball team. HOWARD SPANGLER'S MISFORTUNE .-As a result of his having been so badly frozen by exposure at Barnesboro on the night of Jan. 31st, Howard Spangler has lost half of his right foot, his right hand announced that the commonwealth had no at the wrist, two fingers of his left hand and a portion of his left foot.

> He underwent an operation in the Johnstown hospital on Saturday and it was at first believed that all that would be necessary would be to amputate the right foot and hand, with some of the fingers of the left, but there is still a danger of gangrene in the left hand and if it has to come off it is feared he cannot survive the shock of the second operation, though he was reported as doing very nicely last evening.

---Eva Joyce Gates, the little daughter of C. L. Gates, of east Lamb street, underwent an operation in the University hospital, Philadelphia, last week for infantile paralysis that is thought will prove highly successful. The child had been afflicted almost since birth with the trouble and gradually her one foot was being drawn more and more into a useless shape. The operation, it is believed, will fulfill the expectations of those who hoped she would be given the proper use of her foot.

-Deputy register James Swabb is at his home at Linden Hall recuperating from the effects of a very acute attack of kidney trouble last week. He was working at his desk in the register's office, Wednesday evening, when he was suddenly seized with most excruciating pain. Archey hurriedly brought a physician, who gave him some relief. Then he was taken to his room at Haag's hotel; the register remaining with him until after midnight, when he fell asleep. Next morning he was better, but thought best not to try work again until thoroughly recovered, so he went home for a week or so. It is thought that the stooping over the books was partially responsible for his trouble.

A DONATION. -On last Friday evening between fifty and sixty of the kind, hospitable people of Unionville went to the nome of the Evangelical minister and left tokens of their good will and natural goodness of heart, in the shape of many useful articles that will, for sometime to come satisfy the demands of nature. The 'pounding" was appreciated for several reasons. The intrinsic value was not to be despised; but what is more lasting and cannot be valued in silver and gold is the possession of the good-will, sympathy and prayers of the not only kind but intelligent people of Unionville.

A VENERABLE RESIDENT OF HALF MOON IS DEAD .- Samuel Stine, who for years has occupied a position of esteem and influence in the upper end of Buffalo run valley, died suddenly at his home near Waddles about noon on Sunday. He was 74 years old and while he had not the best of health, yet he was not what might be called ill, for the morning of his death he had been to the barn as usual to look after the stock and only after his return to the house did he complain about a strange feeling in the region of his heart. His grand-daughter was there and apprised the neighbors of his condition.

Some of them got to his side, but were unable to do anything to relieve him, so he expired. Deceased was a life long member of the

Methodist church, he was a veteran of the Civil war and a man who was a credit to the community in which he lived. Unfortunately his good wife was away from home at the time of his going. She had been taken to the Cottage hospital in Philipsburg to undergo an operation for an abscess only last Thursday, but she was able to be brought home for the funeral. Besides her, five boys and two girls sur-

vive. Funeral services were held Tuesday morning at 10 o'clock. Interment was made in Grav's burying ground.

A GOOD WORD FOR THE HOUSER LOCK. -"A prophet is not without honor save in his own country" and only too true is this old scriptural phrase when applied to the Houser Springless Lock Co. Just now when the concern needs support most it is being ridiculed by those who should be helping it along, but notwithstanding such unfair treatment the lock is gaining friends of its own among hardware tradesmen. It is such a simple little device, so compact and free from breaking parts that it is demonstrating itself as a good thing; notwithstanding the attempts of some to laugh it out of the market

The following letter from Wm. G. Truitt, hard ware dealer at 3615 Howell St., Wissinoming, Phila., shows what he thinks of it:

Wissinoming, Feb. 7th, 1900. The Houser Springless Lock Co.,

Bellefonte, Pa. Gentlemen.—I have yours in reference to your stated desire to sell locks direct to dealers and would say that everyone who has seen the one I have pronounces it the greattest lock they have ever seen and to my mind it will sell like hot cakes. The beauty of it is, they say, it works so easy, it has no screws in the knobs to be dropping out and no springs to break.

Please let me know what discount you give and advise me as to the price the locks are usually retailed at, as I do not want to undersell or oversell the others. Yours truly WM. G. TRUITT.

MISS WEAVER'S SUCCESS .- "An offertory solo was sung by Miss Elsie Weaver, of Bellefonte, Pa., entitled 'O Lamb of God.' Miss Weaver's fine soprono voice was greatly appreciated. She had perfect control of the high notes that ended the solo. She is on the musical staff of the Kee Mar college and her performance here certainly shows her ability as a vocal teacher."-From the Hagerstown, Md..
