is going to take the Irvin farm. We understand that George Stevens is going to move in with esquire Williams in order that the sheriff may have more room to entertain his friends.

Walter Heaton, teacher of the Belleview school, is recovering from an attack of typhoid fever. Miss Bertha Hollabaugh is also recovering from the same trouble.

Former treasurer John Q. Miles is also doing a little lumbering and, do you know, the greatest economical streak ever heard of has struck John. Why, he even hauls his sawdust home.

Former sheriff Cronister is getting lumber sawed and hauling it home to make improvements in the spring. He is a very good looking lumberman and we think is more of a success in that than he will be at farming, though he has been buying lots of forks and wagons lately.

Mr. and Mrs. O. H. Nason have just returned from the Moody Bible Institute where they have been since the Holidays. Mr. Nason's health failed, but if it is recuperated they will return in the fall. On Sunday they took their graphaphone out to the Black Hawk school house and with several records by the great evangelist Ira D. Sankey entertained the children immensely.

Women Get Rich as Well as Men.

Co., Baird Building, Pittsburg, Pa., and obtained samples which we tried in cakes, candies, custards, and ice cream at our church sociable. Everything was so delicious that I wrote for the agency at once, and had no trouble in establishing a regular trade with my neighbors, which only occupies the time I can spare from household duties. The manufacturers say they will employ any earnest person, man or woman, who can spare all or part of their time, and I can say I never heard of such an easy way to make money. MRS. W-45-11-13t
