

of State College, enjoyed their vacation in Millheim among friends and relatives.

While there are flocks and crowds of birds and traveling men—spring's harbingers—yet the chilly blasts of winter persist in holding sway.

Two deaths occurred during the past week of brain fever. The first was that of Maud, daughter of Daniel and Eva Ulrich, aged 15 years, 9 months and 24 days; the other was that of Harry M., oldest son of Robert and Terresta Harter, aged 11 years, 18 days. Funeral of Miss Ulrich took place Thursday, 9:30 a. m., and Harry Harter was buried the following morning at the same hour.

JOHN H. FRANK.—One of Millheim's most prominent citizens, died Saturday morning, 6:30 a. m., after a short illness, aged 65 years, 11 months and 23 days. Mr. Frank had been afflicted for the past eight years with asthma and heart trouble but was able to be about until the latter part of last month when he was confined to the house which he did not leave until his death.

Mr. Frank moved to town seven or eight years ago to the residence on Penn street where he died. He has long been a member of the Lutheran congregation in this place and never faltered in his duties as a Christian gentleman. He leaves a wife to mourn his departure. Funeral was held Monday at 9:30. Services were conducted by Rev. E. H. Gerhart Rev. Luck assisting.

Women Get Rich as Well as Men.

How One Woman Makes \$100.00 to \$400.00 a Week.

Many women say it is hard to get along in the world because they do not have the chance to make money that men do. I disagree with them, for I am perfectly independent since starting in business a few months ago, and never make less than \$18.00 a week, and often as much as \$40.00. I am selling Baird's Non-Alcoholic Flavoring Powders, which are much superior and cheaper than the liquid extracts sold in stores. Before starting I wrote to the Baird Mfg. Co., Baird Building, Pittsburg, Pa., and obtained samples which we tried in cakes, candies, custards, and ice cream at our church social. Everything was so delicious that I wrote for the agency at once, and had no trouble in establishing a regular trade with my neighbors, which only occupies the time I can spare from household duties. The manufacturer says they will employ any earnest person, man or woman, who can spare all or part of their time, and I can say I never heard of such an easy way to make money. MRS. W. 45-11-13
