

Nittany.
Samuel Royer another aged citizen, of Clintonville, was buried on Monday, in St. Paul cemetery.

Jim Neese is hustling for his trade in farm implements and is securing his share of the season's orders.

Mrs. Brandt, daughter of J. H. Beck, is visiting her parents and calling on her many acquaintances.

Alfred Gates, an ideal John L. Sullivan, is now completely "knocked out" by a bad cold, a close call to pneumonia.

Last Monday was the first sound of "gee, haw; come up; Barney," as that was the first plowing of the season in this section.

Miss Sallie Dowe, of Logan, has been assisting her sister, Mrs. Joe Enrick in arranging and beautifying her home here.

Clintonville creamery under the care of Harry Snyder and Geo. Ohl is doing quite a business, and our farmers are arranging to increase their patronage.

Miss Ella Gates, present post mistress, who has proven herself a very efficient employee of Uncle Sam, for a change delights in selecting a handsome "border."

John Dorman, one of the honest tillers of the soil, is afflicted by a large lump on the jaw; we hope the skill of physicians may conquer and John be one of the healthy men of the community again.

Miss Anna Bechdel and brother Charles, of Hunters Run, visited A. A. Fletcher last Sunday. Charles has been located in Colorado, for the last ten years and at present is visiting his many acquaintances in this valley.

Three deaths have occurred here lately—Mrs. Charles Beck died Saturday, April 7th, of heart failure, she was buried at Snyder-town cemetery. Mrs. Beck was a member of the Lutheran church and lived an exemplary life; she was 51 years of age and leaves a husband, one daughter and son.

William Irvin died Sunday morning very suddenly, from the effects of a cold contracted but a few days ago. Two weeks ago he attended the Presbyterian church at Jackson-ville, of which congregation he was a consistent member. Mr. Irvin was an aged man; one whom the community always respected and admired; an honest, upright citizen. His remains were laid to rest in the Presby-terian cemetery at Jacksonville.

Terrible Defeat Inflicted on the British.
Boers Kill and Wound Six Hundred and Capture Nine Hundred—Third Disaster in a Week—Brant Fighting for Life.

LONDON, April 11.—A dispatch to the Daily Mail from Brandfort, dated Sunday, says:

"Yesterday General De Wet inflicted the third defeat of the British within a week at Meerksfontein, killing and wounding 600.

"He captured 900, with 12 wagons, losing five Boers killed and nine wounded."

"The Daily Mail also publishes the following, dated April 10th, from Lorenzo Marques:

"The Netherlands Railway company professes to have received a telegram reporting a Boer victory near Kroomstad, the Boers capturing 900 British."

Commenting upon this, the Daily Mail remarks:

"There is a Meerksfontein, about eight and a half miles southeast of Kroomstad, but, if the report be true, this can hardly be the place."

BOERS ANNOUNCE THE VICTORY.
The Daily News has the following from Pretoria, dated Monday:

"It is officially announced that a battle has been fought south of Brandfort, in which 600 British troops were killed and wounded and 800 taken prisoners.

"Lord Roberts is declared to be finding great difficulty to get to the water.

MAY CAPTURE BRABANT'S ARMY.
LONDON, April 11.—Heavy firing took place at Wepener yesterday and on Monday. Brabant, with 2500 men, is surrounded by a superior force, and it is feared he may be forced to surrender.

Buller is fighting north of Ladysmith, presumably to capture the passes leading into the Free State.

Heavy firing is also reported at Fourteen Streams.

Gatacre is threatened by a large force of Boers at Springfontein.

Women Get Rich as Well as Men.
How One Woman Makes \$100.00 to \$400.00 a Week.

Many women say it is hard to get along in the world because they do not have the chance to make money that men do. I disagree with them, for I am perfectly independent since starting in business a few months ago, and never make less than \$18.00 a week, and often as much as \$60.00. I am selling Baird's Non-Alcoholic Flavoring Powders, which are much superior and cheaper than the liquid extracts sold in stores. Before starting I wrote to the Baird Mfg. Co., Baird Building, Pittsburgh, Pa., and obtained samples which we tried in cakes, candies, custards, and ice cream at our church social. Everything was so delicious that I wrote for the agency at once, and had no trouble in establishing a regular trade with my neighbors, which only occupies the time I can spare from household duties. The manufacturers say they will employ any earnest person, man or woman, who can spare all or part of their time, and I can say I never heard of such an easy way to make money. MRS. W.—
