-J. K. Moyer, of Centre Mills, has purchased the peach orchard of Henry Detwiler lying north of his farm. The orchard contains 500 trees, but is not expected to yield much this spring as an examination of the buds last week revealed the fact that many of them were frozen.

-The 20th century thank offering commission of the Central Pennsylvania Methodist Conference met at Harrisburg Wednesday and furthered the plans for raising a half million dollars by mass meetings and special services in the churches toward the support of Dickinson college and Dickinson seminary, the Methodist hospital, Philadelphia, retired ministers' fund and local church debts. The secretary's salary was fixed at \$2,000 and in addition he will be allowed the expense of traveling and what may be necessary to keep up the work. The secretary will arrange conventions and mass meetings, which will be held in every city throughout the conference. The trustees of the conference in session considered plans for raising a \$100,000 annuity fund, one-half of which is to be raised by the laymen and the other half by the minispastor of the Methodist church here, is the secretary of the commission.
