

until he drifted westward late in the sixties. Now after thirty years he has returned a noted personage and was the honored guest at the reunion. He is a Doctor of Divinity and is serving his second term as Presiding Elder of the Waco, Texas, district. Scott certainly deserves admiration for what he has made of himself and that with very meagre opportunities.

Phillipsburg.

Frank Gowland, of Patton, called to see his brother John, while in town Sunday.

Mr. and Mrs. James Kreamer, of Patton, spent Sunday very pleasantly, at the residence of Wilson Flegel on 5th street.

Evidently the people of this town do not keep themselves posted in regard to "County Fairs," as was apparent when Rev. Vibbert asked the question, during one of his lectures.

The palace of wonders, the Philippine car, arrived Friday evening, and left Monday morning. While here a great number of people visited it and were very much pleased with the cordial reception they met with.

The "Passion Play," in the Presbyterian church Wednesday evening, was enjoyed by a large concourse of people. This play which brings out the scene of the crucifixion so vividly is deeply interesting in every detail.

Mr. and Mrs. R. A. Shillingford, of Peale, tarried in town Thursday night on the way to Osceola, to attend the wedding of the former's nephew, H. S. Shillingford, of Altoona, to Miss Mary Myers, of the former place.

We are sorry to see that the postal receipts for this town are decreasing and thereby necessitating a cut in the salary for our post master, A. L. Bolger. It would seem by this that the much "vaunted prosperity" is something of a myth.

A. W. Markle, the genial editor of the *Beltains Record*, made a social call at Hawk Run, Thursday evening of last week. After closely watching business affairs in the printing office during the long hot days, Mr. Markle finds a stroll out into the country very refreshing.

Mr. Wilsey Wikel has been elected as leader of the choir, and Miss Edna Williams, as organist of the Presbyterian church for the ensuing year, beginning July 1st. The selection of two such accomplished musicians will insure good music for the services in that church.

The excursion from Patton and intermediate points, arrived over the N.Y.C. and H. R. R., at 12:30 p. m. Sunday. The train of eight coaches was fairly well filled. The hotels which had prepared for enormous crowds hardly realized their expectations. The crowd was quiet and orderly, having but few exceptions.

The crowds on the street, and the divers churches, have enjoyed an exceptional treat in the past week in the person of Rev. Geo. Vibbert, of Springfield, Mass., a man whose life has been consecrated to temperance work. To hear him was to be carried away by his forcible and brilliant eloquence, which by his earnest and sincere argument, left a deep and lasting impression upon all who were so fortunate as to hear him.

On Saturday morning, while A. W. Marks and son Dodge were returning from a trip to Windy Hill, a horse owned by Fred Smith, ridden by one of the latter's boys, backed into Mr. Mark's wagon, and proceeded to kick the wagon to pieces. After knocking a wheel off, the horse driven by Mr. Marks became frightened and ran away, precipitating the occupants into the street. The horse ran to the bank corner and there fell down. Fortunately Mr. Marks and son only sustained slight bruises.

Harry Buck and Stover Snook attended the commencement exercises at Lewisburg this week.

Charles Brown and family, of Lemont, were guests at the home of Henry Brown last week.

John Toner, of Philadelphia, spent several days of this week with his brother-in-law, W. S. Musser.

Mr. and Mrs. John Stettler and Mr. and Mrs. George Stenninger, all of Middleburg, Sunday at the home of A. Walter.

J. Willis Musser accompanied by his wife and daughter left Tuesday morning for Pittsburg. They will visit relatives there.

Charles Snyder and family and Miss Lulu Snook went to Altoona Tuesday. Mr. Snyder will make Altoona his permanent home.

Mrs. Livingston and Mrs. Agnes Kelly, both of Lock Haven, visited the latter's parents, Mr. and Mrs. Geo. Ulrich, several days this week.

Will Bassler, of Freeburg, was a guest at the home of Jerome Spigelmeyer over Sunday. He returned to his home Monday morning, accompanied by Mr. and Mrs. Chas. Bassler.

Saturday night the saw mill near Coburn owned by the Meyer Bros., was burned to the ground, but none of the lumber was lost. It is supposed that the flames originated from a spark that escaped from the stack of the engine during the day. The boiler is not greatly damaged but the engine is ruined. Loss \$900. No insurance.

The following are those who bought at Saturday's horse sale and the number of animals each purchased: J. K. Fetzel, 1; N. Lose, 2; W. F. Stover, 1; A. J. Gephart, 1; Calvin Rishel, 1; William Kreamer, 1; H. B. Herring, 1; F. W. Wingard, 1; W. J. Kreider, 2; D. D. Royer, 2; Geo. Garberick, 1; James Holloway, 1; J. M. Dunkle, 1; W. A. Winters, 2; L. E. Rossman, 1.

Calvin Burris spent Sunday with his family here.

The roads are very dusty at present. We need rain badly.

Frank Gross is visiting friends at Mill Hill and Lock Haven.

Jerry Swaney and Mrs. Sadie Heverly, of Lewistown, spent a day here last week.

Miss Maud Brown, of Marsh Creek, spent a few days recently at the home of H. Uhl.

Mrs. Patrick Scanlan left Friday for Altoona to attend the funeral of her daughter's child.

Harry Harter and family and Mrs. Clem. Harter spent Sunday with relatives near Oak Grove.

Wallace White has been making quite a number of improvements on the property he purchased recently.

E. R. Owen left this place, Tuesday, for Braddock, where he has secured employment for a few months.

Mrs. Frank Hunter is very ill with cancer of the stomach. We all hope for her speedy recovery.

If some of our people would try to build up the character of others as hard as they try to tear it down it would be a blessing to the community.

Wm. Hoover, Fernon Hughes, Thomas Mallory and Boyd Hunter, left this place for Woodland, on Monday, where they will try to secure employment.

The singing school of this place, which was instructed by Prof. Miles, of Port Matilda, closed on Tuesday evening with a grand concert. The music was amusing and every one was pleased with the entertainment.

Mrs. William Wilt was driving near Salona, Thursday, when her horse frightened and began kicking. His feet struck Mrs. Wilt on the left leg, inflicting an ugly gash. The horse ran for a short distance, but was finally stopped.

Books, Magazines, Etc.

The *July Century* will contain the first installment of the reminiscences of William Mason, the distinguished composer and pianist, who has long been the dean of the musical guild in America. In his "Memories of a Musical Life," Dr. Mason will review the development of music in Europe and the United States during the second half of the nineteenth century, with special reference to the personality of its chief exponents at home and abroad. He writes with great frankness, but his position in the musical world is so well established that his expression of opinion will be accepted as free from any taint of professional bias. In his opening paper Dr. Mason gives his personal recollections of such masters as Meyerbeer, Schumann, Moscheles, Wagner and Liszt, with Wagner's impressions of Beethoven and Mendelssohn as conveyed in memorable conversations. The four chapters in which these highly interesting reminiscences are to appear will be illustrated with portraits and reproductions of musical autographs.

Are You Going to Kansas City, July 4th, 1900?

Summers inquiries having been made, in regard to transportation to Kansas City, to attend the Democratic National Convention on July 4th, next, I have made inquiry to same, and hereby state that we will be able to get a special Pullman car, providing there are about forty persons, who wish to go. I believe there are that many who will be glad to take the opportunity, when you consider that the fare from Bellefonte to Kansas City and return, including sleeping berth, both ways, and also lodging in the special car while in Kansas City is only \$28.00. All wishing to go should let me know at once with remittance, so as to order car in plenty of time. Any further information desired write me and I will be pleased to give you particulars.

Remarkable Success of a New Freezer.

For many years it has been supposed that the way to freeze cream was by the old process, which consumed a great amount of time and patience.

A new process has been recently discovered by which the very best ice cream is made in less than one minute by our celebrated "Up-to-date" Freezer. This we absolutely guarantee, and if freezer does not make ice cream as above stated, we will refund your money. Our representatives are making \$18 to \$20 per week. Don't you want to enjoy our success? See what some of our customers think. This is the universal opinion of all who try it.

Dear Sirs:—Berlin, N. I., Aug. 1st, 1899.

At the Ice Cream Festival held Saturday evening, July 28th, at the chapel of Centenary M. E. church, under the auspices of the Epworth League, one of your "Up-to-date" Ice Cream Freezers was used to gratifying success.

We have been paying 80 cts per gallon for cream; now we make a better quality at one-half the cost. In fact, we were so well pleased with the freezer, that we purchased two of them for the use of the League, having more than cleared the cost of one the first night. We heartily recommend you to all who contemplate purchasing an Ice Cream Freezer.

Yours truly,
John M. Monroe, Pres.; Martha A. Clark, 1st V. P.; May McCann, Sec.; Florio Wright, Treas.

A PRICE ANNIHILATED!

CLOTHING AT LESS THAN WHOLESALE COST

BEGINNING THURSDAY, MAY 31st, AND LASTING UNTIL ALL ARE SOLD.

We inaugurated one of the Greatest Sales in Men's, Youths' and Boys' CLOTHING ever held in Bellefonte. \$4,500 WORTH has been sacrificed at less than it costs to make them.

THIS TELEGRAM EXPLAINS IT ALL:

BELLEFONTE, PA., May 23rd, 1900.
SIM BAUM, Bellefonte, Pa.
We are now ready to close out our entire line of Spring Clothing. Can you use them at a price.
LIVERIGHT, GREENAWALD & CO.,
1013 Market Street.

Did I take advantage of it? I think so. Upon receiving the above telegram I immediately went to Philadelphia and bought the entire

—STOCK OF \$4,500 AT A REDUCTION OF FORTY PER CENT.—

When I made this purchase I had a two-fold object in view. First, to place myself in a position to handle the best line of Clothing in Centre county; and second, to give my customers the benefit of the extraordinary low prices. The hustler of to-day is the man who will eventually win in the long run. If you have ever bought from me you know my method of doing business. I do not sell you an article once just for the mere sake of selling you, but I sell you with the main object of selling you again. By conducting my business in this manner I hope in course of time to make an ever ready customer of you.

DO NOT THINK THIS IS A "FAKE" SALE OR ANYTHING OF THE SORT. It is a sale of Ready-made Clothing—the best that can be had at prices far below their actual value, the like of which you may never have a chance at again. I HAVE DIVIDED THE STOCK IN FOUR LOTS:

LOT NO. 1. 200 Men's Fancy Worsted Suits with double and single-breasted vests, in stripes and checks; actual value \$10 to \$12, my price— \$5 TO \$7.50.	LOT NO. 2. 300 Men's blue, black and novelty Suits, with single and double-breasted coats and vests. Others' price \$12 to \$18; my sale price— \$7.50 TO \$11.
LOT NO. 3. 75 Young Men's Suits in blue, black and novelties, single and double-breasted vests. Prices range from \$4.00 TO \$11.50.	LOT NO. 4. This lot embraces our well-known Suits for the Boys and little ones. Former price \$1.90 to \$5; special sale price from \$1.15 TO \$3.75.

Give me a call and you will be surprised at the prices, styles and qualities. You know as well as I do that it pays to look around before buying elsewhere, so a call is all I ask; it costs nothing to look.
