IF LOVE BE ONE.

The skies are black, the winds are bold,
The road is rough and long;
But what are clouds and stony ways
When hearts are full of song?
And two there he who walk life's path
Unheeding wind or weather,
And minding but their merry prattle
Who binds their hearts together.
All ways are smooth, all days are bright,
With him for guide and sun;
And three are always company
If love be one!
The road is smooth, the wind is soft,
The sky is clear overhead;
But what are pleasant ways and days
To those who hearts are dead?
And what is song that fills the ears
But can no farther go?
And what is light that eyes can see
But souls can never know?
Ah, two there be that walk life's path
As though they walked alone;
For two are never company
If love be gone.

Famous Mason and Dixon's Line.

To Be Resurveyed by Maryland and the Landmark Restored.

The legislature of Maryland has appointed a commission to resurvey the Mason and Dixon's line and the restoration of the landmarks, many of which have been removed contrary to scripture. This work will be done by the state geological commission in connection with a commission appointed and paid by the state government of Pennsylvania and the United States geological survey.

The original running of Mason and Dixon's line was done according to the terms of the final agreement between the Calverts and the Penns, concluded in 1760 after protracted negotiations. There was a conflict in the grants of Maryland and Pennsylvania. The Penns had friends at court and Calvert was finally coerced into conceding everything Penn demanded, and this concession cost him the richest portion of his domain. The line between Maryland and Pennsylvania was begun in 1769 by a commission appointed for that purpose.

The two surveyors arrived in Philadelphia Nov. 15th, 1764, and began their survey early the following spring. Through the forests they cut out a "vista" eight feet wide and set up a stone at the end of each mile. Every fifth stone was larger than the others and had on the north side the arms of Thomas and Richard Penn and on the south side the arms of Frederick Lord Baltimore. One of these is preserved in Baltimore by the Maryland Historical Society, and some yet stand in their original places. The proprietors of the line, however, became impatient at their slow progress and agreed to engage Charles Mason and James Dixon to complete the work.

Both Penn and Calvert were in London at the time, and they there engaged these two men, whose names have become so famous in connection with this historic line, for so many years the line between the colonies and the free states and the slave states of the union.

Although they were 81 and 73 years respectively, J. L. Wilkinson and Sarah Ann Cool, of Taney, Luzerne county, were married Wednesday afternoon, and are as happy as if they were fifty years younger. The marriage is the culmination of a life romance.

They were engaged to be married fifty years ago, when a lover's quarrel separated them. Neither would forgive and Wilkinson went West. Travel and adventure, with a stubborn will gradually erased the longing for his sweetheart from Wilkinson's mind, and he settled on a farm and finally married. For forty-five years he lived there, and then his wife dying, he decided to come back home. Meanwhile his heart had also married. Her husband died three years ago.

When they met the old quarrel was forgotten, the love fire kindled and they decided to make the most of the few years left them, and were married. Both are hale and hearty for their age, and though their eyes are dim and their hair silvered they are happy as of old.

"We didn't want any fuss," the old man said, "so we just went to Squire Masterson, and he tied the knot for us. We had to wait a long time, Sallie and I, but it taught us a lesson, and if we aren't happy now, it's our own fault."

A Long Sleeper.
Austin Dubbs, 37 years old, of Duaneville, Blair county, has entered upon his fifth week of continuous sleep at the Altoona hospital. Dubbs was struck three times on the head June 22nd, with a brass beer spigot by George Kneer Jr., a bartender, during an altercation in Duaneville hotel bar room. He immediately became unconscious. On July 5th he was taken to the hospital, where his skull was trepanned, in the supposition that a brain clot had formed, consciousness returned, but lasted only a few minutes. During this brief period he recognized his mother and uttered a few sentences. Then he fell asleep again and has remained so since. The hospital physicians are puzzled and are unable to diagnose the case. Kneer, Dubbs' assailant, is under \$2,000 bail.

Raising Leeches.
Leech farmers go about their business in an interesting way. Having fenced and watered a suitable meadow they proceed to sow it with leeches by scattering them broadcast on the land from sacks containing 15,000 leeches each. All that is now necessary is to provide for the crop plenty of water and plenty of blood. The usual method of providing the latter is to drive old horses and cattle into the inclosure; but sometimes fresh blood from a slaughter house is supplied.

Gentlemen—Our family realize so much from the use of GRAIN-O that I feel I must say a word to induce others to use it. If people are interested in their health the method of their diet, and how they will use no other beverage. I have used them all, but GRAIN-O I have found superior to any, for the reason that it is solid grain.

Medical.
Nothing can be good for everything. Doing one thing well suggests success. Doan's Kidney Pills do one thing only. They're for sick kidneys. They cure backache, every kidney ailment. Here is Bellefonte evidence to prove it:

Mrs. J. Cowler, of Bishop street, says: "I suffered, in both, and was very restless and nervous being so tired all the time that I could hardly keep myself about. I was very lame across my kidneys and bending over or being on my feet much was extremely painful. Reading about Doan's Kidney Pills and seeing them so slightly recommended for these troubles I procured them from F. Potts Green's drug store. They gave me positive relief, caused me to sleep well, stopped the pains, removed the lameness and invigorated me generally." For sale by all dealers. Price 60 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name Doan's and no substitute.

Dr. Stites.
NEW TESTIMONIALS.
FROM GRATEFUL PATIENTS,
PRAISING BELLEFONTE'S
GREATEST AND MOST SUCCESSFUL SPECIALIST.

NOW IS THE TIME.
For Treatment of Catarrh, Deafness and the Air Passages, such as Asthma, Bronchitis, Etc.
One month of Dr. Stites' New Treatment for Catarrh and Deafness is worth months of the most careful treatment of any other treatment, and if all who suffer from Catarrh were wise enough to devote a little time to the new treatment as only is given by Dr. Stites, there would soon be few cases of Catarrh to treat. Deafness would become rare, Head Noises a curiosity, and Chronic Coughs, Asthma, Bronchitis and Consumption would be reduced to a minimum. Hence we can only repeat:

DR. STITES, NEW TREATMENT.

FOR A RAGING EAR CURED BY DR. STITES.
A bad case of Catarrh and a running ear was my great trouble. I was terribly annoyed with roaring and buzzing noises in my ears, my head seemed stuffed up and I had such dreadful headaches continually. All this was caused by catarrh, and at length my ear began to discharge until it very soon had that I was compelled to try anything for relief. Dr. Stites proved the man of the hour for my ear. I now have no discharge, no headaches, noises ceasing and my general health is very good. Thanks to Dr. Stites' careful treatment. Bellefonte, Pa. JENNIE SHOWERS.

Dr. Stites' New Treatment Did It, No More Wretched Suffering, with Inflamed and Aching Eyes, the New Treatment Cures, says John Klingler, of Lemont, Pa.
I have been tortured for quite a time with very red and inflamed eyes and with aching pains in the eyes, this was very annoying, besides being quite painful to me. In the mornings I had a trying time hawking and coughing. This grew worse until at last I coughed very frequently, my head was stopped up and I endured terrible headaches, my eyes grew worse and very painful, until at last I went to Dr. Stites, with very little hope of recovery, but I am happy to state that my improvement has been wonderful, my eyes are entirely cured and I feel a great change in every way. Very respectfully, Lemont, Pa., JOHN KLINGER.

A Mothers own Words in Praise of Dr. Stites' Treatment for Catarrh.
I would recommend Dr. Stites' New Treatment for Catarrh to all so afflicted, as it certainly cured my son Earl, whose symptoms indicated an alarming stage of that disease.

Mrs. Mary Johnston Baugh, Oak Grove.
Well-known Resident of Nittany Speaks of Dr. Stites' Treatment.
Had that disagreeable dropping in the back part of my throat with hawking and spitting continually. Was also bothered with quite a bad cold and roaring and buzzing noises in my head. Caught cold easily and felt wretched all over. Since being under Dr. Stites' I have improved rapidly and feel positive he can cure me. I heartily recommend him to all suffering with catarrh. Respectfully, Nittany, Pa. JOEL TRESSLER.

Declares His Cure Almost a Miracle Since Under the Care of Dr. J. K. Stites.
When I consulted Dr. Stites I was one of the most wretched of men. In fact, I was in despair. My head was a regular hurricane, whirling, buzzing and roaring continually. This with a terrible cough, hawking and spitting and my nose always stopped up was enough to drag any one into the depths. I now feel that Dr. Stites has given me a new head; in fact, I am a new man. I can scarcely realize that I am the same wretched man that called on Dr. Stites a few weeks ago. It is indeed remarkable and if the age of miracles had not passed I should consider this the greatest of the age. Respectfully, Pleasant Gap, J. O. HILE.

A Bad Case of Gastric Catarrh and What Dr. Stites has Done for Her.
