-If any little word of ours Can make one life the brighter, If any little song of ours
Can make one heart the lighter, God help us speak that little word, And take our bit of singing And drop it in some lovely vale,

If any little love of ours Can make one life the sweeter, If any little care of ours Can make one step the fleeter,

To set the echoes ringing.

If any little help may ease The burden of another. God give us love and care and strength To help along each other.

If any watchful thought of ours Can make some work the stronger, If any cheery smile of ours Can make its brightness longer, Then let us speak that thought to-day With tender eyes a-glowing,

So God may grant some weary one
