HESS-SCHAEFFER. - On Wednesday morning an auspicious, happy wedding was solemnized at the home of Michael Hess at Shingletown, when his daughter, Sarah Weiser, was united in marriage to Harvey P. Schaeffer, of this place. The borhood, but we caught a snap shot of day was an ideal October one and the house some of the tired and hungry nimrods as was fairly abloom with fall flowers. The ceremony took place at 11:30 o'clock and was pronounced by Rev. C. T. Aikens, of Pine Grove Mills, in the presence of a number of guests.

The bride, who is a most amiable and was attended by her cousin, Miss Emma elaborate wedding breakfast was served, and Mr. and Mrs. Schaeffer departed on the 3 o'clock train for Niagara Falls. They were the recipients of many fine presents and upon their return will go to house keeping on Howard street.

The groom is a genial young fellow, industrious and estimable, with a large acquaintanceship in the county through his connection with Irvin's hardware store, where he is employed as a clerk and all wish that his married life may be cloudless as his wedding day.

COUNCIL IN SESSION .- The regular semisox .- The hunting season opened on Monday and the day was such an ideal one Walkey, Wetzel, Knisely, Houser and Pot- that the woods in all sections of the county ter present. There wasn't much new busi- were alive with gunners. Nearly everyone ness to be taken up and council hustled had some game. Gray squirrels were what was to be done through with dispatch. seemingly plenty along the Bald Eagle mountains, where they were hunted by able work done in various parts of the hundreds. In truth Way's woods at one town. The Water committee aunounced time Monday morning was so full of them that meters have been put in the Bush that Ed. Wasson said it was necessary for

From the vicinity of Millheim the report is to the effect that some game was cap-

tured, but most of those who were out complained that the leaves were too thick

berger brought a fine one home and quite Co's. pumping station on Potter street is a a number were captured by Unionville The preserve of the Nittany County Club

yielded many quail for the sports who had athered there for the opening of the seam. And quite a number were shot in ther localities. Charley Heisler was out

ly a few hours and got seven. Conducter John Hall, of the C. R. R. of a, hunted over his old stamping grounds thers were not so lucky. He says he ran \$1228.58 around one tree so fast after a big gray that he nearly broke his nose by bumping

it against the back of his own head. From Tyrone and vicinity the Herald sends out the following report of the first

day's doings.

The woods were full of hunters Monday, and many of them came home with fair reward on their shoulders. It was impossible to watch all the inlets to the town from the various hills and forests of the neighthey dropped in last evening. For in-stance, Charley Reese came along loaded did Jim Grazier and William Wallace each get a big bird, while Hugh Tobin caught six gray squirrels, Tom Kelleher owned capable girl, wore a dress of white Persian lawn, trimmed with insertion and lace. She lawn blawn blaw pheasants. In addition to these Will Wagner, of Bellefonte, as maid of honor. Miller secured three gray squirrels, Dr. George Hazel, also of Bellefonte, was the Piper came home with four grays and John groom's best man. After the ceremony an Cox bagged three gray squirrels. Game is plentiful, but hunters are just as numerous

on the hills and in the valleys. A woodsman whose name we did not learn killed a monster wild gobbler on the hill above the brewery. Its weight is given at anything from thirty to fifty pounds, but as no one has qualified to his statement all are somewhat in doubt, yet there is no question

that it was the largest turkey bagged in this section for some years.

The sporting delegation of Philipsburg is spoken of as follows by the Journal of that place.

A Soldier's Life in the Philippines. Tough Work and Tougher Living. Rigid Rules That are Enforced and Fines That Eat up Wages. Quinine the Universal Panaca, and Sickness and Slim Living Always on Hand.

I have seen men go to the hospital with sore hands and feet and be given quinine, better known as 'a Regimental Fill,' and yet when a man goes on guard he has to walk for fully an hour before he gots to his post, and then he has to walk his post, back and forth for two hours, then he has to take up the double time back to the guard house. A man does not feel like running very fast in this country where it is so warm and I take no-tice that all the officers have horses. Of course they can afford it but the poor soldiers cannot do so with his small \$15.60 a month and be obliged to buy his own grub. Twice a week we get battalion drill. We leave our quarters to go to headquarters, The following letter written by private of Co. D. 28th Reg. U. S. V. I. has been sent by one of the boys of this county to his parents, to give them an idea of how the privates in the war for imperialism are treated. That fighting for such a cause leave our quarters to go to headquarters, which is about a mile away, and for one hour and upon the kind of food furnished is not a "funny business" will be evident to and a half we are drilled. a 'funny business'' will be evident to every one who reads this letter. What ex-cuse the Republican party can make for such treatment of the private soldiers, we cannot imagine. The letter is as follows: TOBACAS, Manila, P. I. 1000

TOBACAS, Manila, P. I.

September 11, 1900. We were the first regiment to land at Manila are making good money by abusing better men than they are, even taking what little in blue uniforms, and were hurried to the front the day after our arrival, and before money there is coming to them. There is much more I could tell you that There is much more I could tell you that happened since we come to this island but it would require too much space, I hope this will give my friends some little idea of Uncle Sam's army. I would like to say something of the natives but it will have to wait for a few days."

front the day after our arrival, and before the Khaki uniforms were given us. This new clothing was charged up and delivered to us very soon after we reached our first post, and there our troubles began. The regiment reached Mauila on the 24th day of November, 1899, and the following day it was pushed forward to the firing line. They did not even have time to furnish us with Khaki uniforms before going to the with Khaki uniforms before going to the front. The 28th Regt. was the first to land at Manila with the blue uniforms. But they were very prompt to issue us clothes and a soldier does not want to be anyways dirty
