

# ARE YOU ECONOMICAL?

**Are You Throwing Away Money?**

At the present time we can make you economical, save you money, and charge you less for new, well made, stylish Clothing than others charge you for their old, commonly made, out-of-date goods.

**Where Do You Buy Your Clothes?**

There is now in progress one of the

## Greatest Sales of Clothing

EVER KNOWN IN CENTRE COUNTY.

You will hear of it from others, for everybody is talking about it.

## We Need the Cash AND MUST HAVE IT.

Our entire stock is marked in plain figures—at such prices that it will only be a short time until we have the cash and others the goods.

There are no exceptions in this reduction—even our Military-cut Suits, which others will have and tell you of next season, are reduced to more than tempting prices.

**If Goods Are Not As Represented We Will Always Trade Back.**

Last week's rush made us increase our list of salesmen and all will be served with best accommodation.
