THE DEATH OF WILLIAM HARPER .--- A gentleman widely known in Centre county, esteemed and respected everywhere, a shrewd business man and a valiant soldier, passed from the field of action when Wm. Harper died. His death was in the nature of a surprise. While he had been in poor

health for months and complained of kidney trouble he did not regard his condition seriously and even when he was compelled to go to bed, just a week prior to his death, with ervsipelas, his most intimate friends were scarcely alarmed. In a few days, however, his condition became hopeless and he died about 11 o'clock Wednesday morning, the disease having spread in such

a way as to bring intense suffering. William Harper was the sixth child of George and Elizabeth Harper, who were for burial. well known residents of Brush valley in

eterv. MRS. ABRAM V. MILLER.-The death of Mrs. Nancy Jane Miller at her home at Pleasant Gap on last Sunday evening was most unexspected. She had been sick and quite seriously so with the grip but she thought she had recovered entirely and the Saturday night, a week previous to her death, went with a sleighing party to the State College. There she took a heavy cold which developed into pneumonia and after a week's illness caused her death. Mrs. Miller was one of the well known Potter family of Penns valley, where she was born about 68 years ago. Her father was Samuel Potter and during her girlhood. the family home was at Potters Bank. She was a most thorough, capable woman and was well known through out the country as a splendid house keeper and a generous, gracious hostess. Indeed her friends thought she was far too kind for her strength and that her life was one of service for others. She gave it most cheerfully though and her death is lamentable. She was a zealous member of the Presbyterian church and the funeral service yesterday afternoon was conducted by the Revs. White and Lesher. Interment was made in the Union cemetery at this place. She is survived by her husband, county commissioner Abram V. Miller, her two children, Elizabeth and George, and an adopted daughter Elsie. Of her father's family two sisters and two brothers are living, Mrs. Margaret Alexander, of Richmond, Va.; Mrs. Daniel McBride, of Lawrence, Kan.; James, of Illinois, and William, of Pleasant Gap.

Some time ago she had had an operation performed for stomach trouble, it failed to enefit her, though, and her death followed. Mrs. Snyder was one of the younger children of the late Levi W. A SENSATION AT HECLA PARK .--- A sensation was caused at Heela park last Friday when a United States post-office inspector arrested Miss Marion Peters, the pretty young daughter of post-master Daniel Peters of that place. She is charged with tampering with the mails and admitted her guilt. The young lady was brought to this place on an afternoon train and her father gave bond, in the sum of \$500, for her appearance before the United States

court in Pittsburg. The post-office at Hecla park is known as Mingoville. Mr. Peters has been postmaster there for several years, but as he is also a section foreman on the Central R. R. he leaves his daughter to attend to the office. Her curiosity got the better of her and she began opening letters to read them. Complaint was made about it and an officer was detailed on the case, with the result that the girl was soon detected.

It is a most unfortunate case and Mr. Peters has the sympathy of the entire community. He enjoys the reputation of being a thoroughly honest and careful man and this misfortune is to be deplored. It is quite apparent that his daughter did not realize the serious nature of the offense. She did not take anything from the letters

she opened, merely gratifying her curiosity to know their contents, then would seal them up and send them on without delay. It is to be hoped that the government will deal leviently with the girl, for there is certainly everything to indicate that she meant no actual dishonesty and committed her crimes without regarding that she was doing anything unlawful.

The building burned like tinder. Th Irvins lost everything, even to the books. Mr. Rarick, whose office was in the same building, was able to save his books and papers and furniture. It was a two story frame building, with the main store room lined and ceiled with Georgia pine. Plate. glass windows made an attractive front and it was considered a very desirable business stand.

Irvins estimate their loss at about \$4,000, on which they have an insurance of \$3,000. Rarick and Hewit have a small amount of insurance on their building, but not enough to cover the loss.

The Meyer house, next door, and Dr. Alexander's house were both considerably blistered by the heat and were on fire several times, as were Rarick's and Sunday's houses also. Rarick's and Fisher Keller's stables were also on fire several times.

Mr. Irvin says it will depend entirely on what kind of a settlement he gets with the insurance people and on the rebuilding of the room as to whether he will open again in Centre Hall.

A VICTIM OF FIRE. -- Mr. John L. Dale. who for more than twenty-five years lived at Houserville this county, was most unfortunate on the 9th inst. OUR COURT REVERSED AGAIN .-- Last Thursday the Superior court handed down an opinion reversing the finding of the Centre county court in the case of Mary S. Thomas vs Burdine Butler. It was a case of feigned issue to prove the title to some property which Butler levied on on a claim against D.R. Thomas, the husband of Mary S. Thomas. She presented a bill of sale for same, which the court here held was sufficient to establish her claim to it.
